The Medical State

Abuse of Psychiatry as Rape and Espionage

To Officer Jen Moore

In Memory of Jen Moore

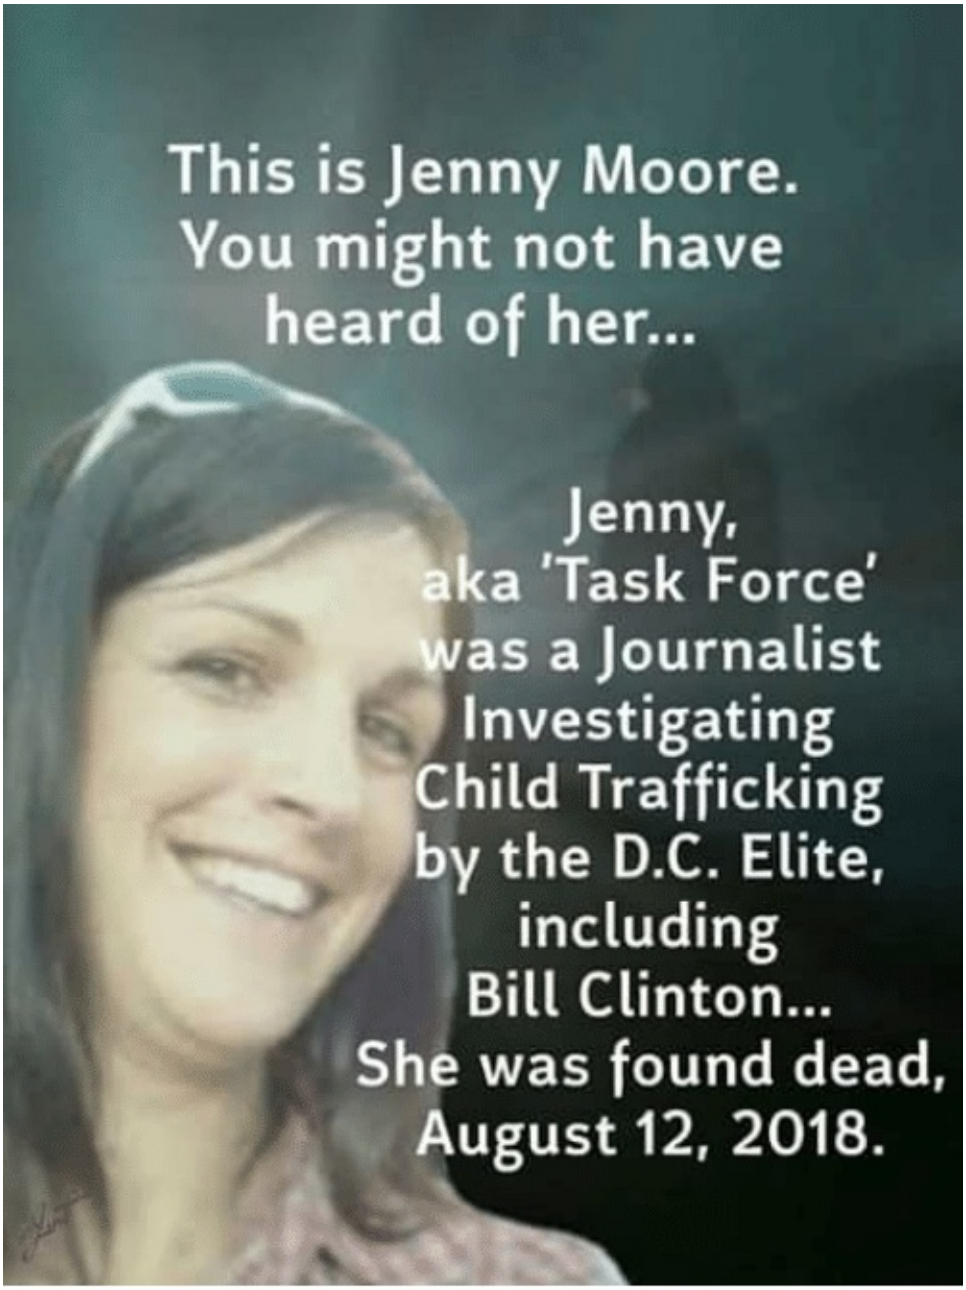
It is difficult to report the existence of nazis in downtown Berlin.

She could not disclose sources, methods, or targets, but I think she spoke of me.

Rouge Geneticists from around the world (especially Ethiopans) are creating an impersonations scheme of me (combined with conspirators making statement in the vicinity of me) in which I (actually Bernie at Weekend at Bernies) gets blackmailed for being sex predator, peeper needing some seuxally naive show, etc.,

Elements in the US Gov want this to achieve international and inter-racial use of my DNA. Social Justice Firms allegedly representing me created these PizzaGate schemes because those they really serve need the cure of my family's DNA.

The final result of Bernie being blackmailed is a case file delivered to Genentech in which my DNA is given away to others by Bernie (not me) but the procedure is OK'd. CIA/DOD Contractors from around the world including Andy Ellington, perhaps the Lloyds of Orinda, California, now have a supply of Donegan DNA for research, medical treatements, or other usages such as surrogacy.



For those who ever doubt police officers can be loyal and dedicated she will remain a shining beacon of faith in the profession, however much all humans are subject to failings.

My personal theory on the scope of PizzaGate, her murder, and my life in danger

She was driven off YouTube reporting that an impersonator of me, NOT ME, is being used a DIA CIA backed person who will pass out using drugs with Domina, be blackmailed for what drunk Ed Donegan said while drunk.

All this happens as REAL Ed Donegan is framed by circumstantial evidence.

At 7 minutes 45 secs a possible, likely reference to RUIZ ROCKET doc the day before. I am being impersonated and it is not to be believed Who is actually Who. But OTHERS (I think Fetlife Legal) is getting the picture that the Russia Investigation claims I am a loser being extorted by DOminas yet now Feltife Legal sees real info too!

https://www.bitchute.com/video/MHzgfljUXGXD/

At 42nd Stree Capitola I was framed as a shower peeper. William Ruiz said he liked to shower after being unable to shower for weeks. That was his voice but I had just come from camping. His voice was later used as mine to confess to shower peeping in MY stolen motorcycle jacket. I documented this Aug 7 a day before she was driven of Youtube and killed.

At Salinas KinkBnb I was framed again for peeping, and again, Jim Volcelcka faked be me, sayting to me in his voice he had taken the military IQ test but did not join the military, doing the same civilian work instead. That is what I DID.

Later Jim Volcelka in my alleged voice faked being me to Deja Vu and Mistresss In Extremis.

It is the goto play the the US DOD CIA NIH PHS to get my DNA. Extort it from peeped on 17 year olds and give out around the world.

The silenciing of Jen Moore kept this plan still going at Hotel Irwin and beyond and before.

Kerberos and Colonel Kerboros and Fraus Stein, so many examples.

A pernicious Blackmail/Extortion ring has formed. The complexifying elements are that
• Emezzelers have captured funds into bank accounts tied to them but falsy claimed are actually mine use Identity Theft and other Fraud tactics to hold, and money launder the funds due me but held by others. I have no verbal, financial, or any another account of the financial accounts but others use identity theft to create the cover story I am aware of the money and I am spending out of it. Chris Lloyd of Orinda California appears central to this illegal scheme.
• Identity Thieves are using impersonations of me to engage in despicable and politically defaming conduct. Accounting X

This accross 4X4, Harvey Dent, Ruiz Rocket, first book on Ballpark West moves, etc.,

Me CC Autonation	Disbursement Request for 4X4	Disbursement request in my name Denied
Imposter requests no jeep		Imposter does not request jeep, gets jeep at different dealer, impersonates me. I get no statement of Jeep purchase

Forward

The basic problem I have in this is that I have been mortally wounded by plain clothes police assaults across many years I never new the motive for, but was institutionalized over fights I had with them, on occasion, multiple occasions, I voluntarily entered into (or involuntarily) entered into drug treatment centers, tracing beliefs of plain clothes police harassment to paranoia.

Since then I have found National Institute of Health Polilce and others have a medical-genes interest in my genome and that a series of RICO schemes allowing embezzlement of it benefits those police officers.

The perceptions of me and life course affects of my arrests as I confronted illegal evidence manufacture has been the PsychWard stifle my attempting defense against the evidence being manufactured in my vicinity and also PsychhWard claim my delusions assertions of facts required National Institute fo Health management of my assets rather than me, since I allegedly was delusional as to what was going on.

In order for the National Institute of Health to succeed in this embezzlement of genes value they must succeed in certain "bunko" or "grifters" techniques of planting evidence or staging photos of the actually physical me, unavoidably with my noticing they are doing so, and following this, the embezzlement scheme by the NIH police to have an impersonator of me or National Inistitute of Health backed conervancy of me doing the accounting over the stage evidence.

Thus not only do women plant themselves in front of me, parties other than me, and never me, shout "he's bough her [as a paid for model , and in exchange for his [[my]] DNA.]"

This is not me making any deals or executing those deals, but others in place of me are doing so.

In short, the National Institute of Health Police claim I am being paid for my DNA with models who I seem to be learing at (thought they jump in front of me,) then an impersonator of me will agree to give the National Institute of Health my DNA for my being modeled to.

In fact this scheme creates the public perceptino I am being paid for my DNA, but in reality NIH police in others are merely partying it up on their own on the value of my DNA to the models they have really bought for themselves and use an imperonsonator of me along with them to pay the tab.

In fact not only do I not want the modeling of women who jump in front of me in public, those very models planted in public are designed to stigmatize me as having interests I do not have and are part of social sabotage of me to women who otherwise I wouldd be in relationships with, but I am socially sabotaged to.

Because it is an embezzlement scheme harassing me but without accounting to me I need to get my foot inside the door of any embassy to make case on this, and that has not happened yet.

Veronica Hoffman

I had met Veromnica Hoffman at a party. Nothing "pool peeper" about it, High Goth BDSM Couture.

My agreement with her was this.

She was a very elite dominatrix and I was poor. We agreed that rather than I pay her for a the BDSM Eros lapd-dance like erotic scene with a dominatrix, not prostitution, that , I would compensate the erotic lap dance by allowing it to be filmed which then she could market commercially.

The impersonator who behind the scenes took over my contacts with her.

Veronica Hoffman created pool picks on her web site, likely the impersonator of me who took over her contacts with forged a deal for my DNA after the impersonator of me was blackmailed for pool peaking.

This is NOT the inchoate deal I and her initiated nor any confession I ever made to her.

Because in hundreds of scenes I have talked about as possible includes this very rare one for me, it is easy to, behind me back, "pin" this impersonator's forgery to my actual identity and it gives black African Nationalists a peek at white women.

This fits a years long embezzlement scheme with foreign ties and interests which include others such as Frua Stein, Rozzolinda, DejaVu, and others.

Bolstering the Impersonations

Theft of my clothes and use of architectural analongs of where I really live or break-ins to where I live bolster the identity theft the forger of agreements makes use of.

Tell-tales Indications

- People: People I have initially met or contacted leave online traces they have had contact with impersonators of me. This is only detectable over time because the purpose of defaming me is also served by public inuendo references to alleged acts of mine.

- Impersonators of me: I often cross paths with those who will later take over my identity to the People above.

- Fincial: Accounting information tied to my email address in electronic systems such as Asset Campus Housing/Balllark West Apartments, Home Depot, TSA flight system ticketing, AOL/Time Warner Payrolls, St Lois Property Records, etc., show mismacthes of what is alleged of actuall information as forgeries, much like in the detection forged rather than seperate paintings.

- Manufactured Compatriots: As I was at St Timons, and other locations, reference was made to a "high school ring" being found in the "soup." I was socially sabotage to the "soup" in the soup kitchen.

  In fact Tom Duhamm was also impersonated. While we were were real life friends not interested in 17 year olds, we were both impersonated by symmetric sockpuppets in a teen exploitation ring. Neither of our impersonators contested the alleged ring but the must surely have been me hanging out with Tom Dunham.

- Acts of those in my vicinity: Statements by others towards me which try to implicate me as a partner in the information publicly directed towards me out of my control.

- Locations: The Sound-stages impersonators of me use to stage me making agreements when I am not the one doing so are clearly detectable.

Dislocations

Placement	Displacment	Replacement
Extended Stay Springfield VA I check, card key likely set to room 300	My Card Key paper folder list room 400, though exactly as I checkin scuzsy black and white female leave for elevators a minute ahead of me to 300 and scream in horror at what they find.	My card key does not work at 400. I go to lobby and my card key is fixed to 400. Likely I have my impersonators room and vice versa.
		I have to pay for and

I book a flight to Canada	I can not board, no passport,and modification to NYC is denied	book an entirely new flight on an imperonators name, not my own

The same happened in Casa Linda Apartments and everywhere I go and everything I do.

- Motive: The parties involved in the RICO have multiple things to gain from carrying it out.

Illustrated, Dislocation of Bedroom Leased

I an "assigned" to one room, a corner room, to a Salinas house. The story goes back and forth. First I am to move into the room with lots of shoes, mirror pictured. I am shown the room and agree to it.

The plan is changed and I lease the room at the end of the hall in a corner of the house. The room with the shoes has a my photo tucked into its mirror and several times they fake my being in the shoes and teddy bear room as a child peeping pervert while am in a different room, master bating, prior to leaving and having no privacy later on the road.

Means, Motive, and Opporutnity are met.

Those needing IVF of Donegan seemen or DNA,j in particular blacks, gays, foreign nations, politically connected people already having it, need authorization it, thus fake my agreement to it.

International Scheme

The scheme is international in nature and criminal in nature and fit definitions of the Rome Statute and other law regarding criminal acts as well.

My father, mother, and I were natrual born white life long patriots, educated, and loyal to Democrat, GOP, and Libertarian party politics, obeying laws and always in contiuing education.

The form of the hostility visible to me has been non-whites and gays often from abroad and likely have both genetic and political interests in contradiction to my own, or least competing.

This has had a polarizing effect on me as the sense of injustice my mother, father, and I, have experienced so that these RICO elements can prosper criminaly and politically.

Abuse of Power and Conspiracy Against My Life

"Pez Dispenser blocking me with women" so others actually replace initial contacts I have with women, under any circumstances, socially, etc., or moving them away from me disrupting my sexual reproductive rights with them has a purpose.

Family lines and family genetic histories are traceable now and my family genetics cross paths with powerful politicians in the United States, The Obama family, and this is a harassment scheme designed to bring about my celibate, early, unnecessary death through illegal COINTELPRO (police) harassment.

Obama is an illegitimate child tied to CIA and international orphange work, tied to building future leads in Africa to fight Russia during the cold war, and my father and/or mother's DNA is tied to them.

As genetic database techniques have advanced it has been neccesary to coverup this on an ever increasing bassis by a conspiracy in so deep it has no way out.

Rosenstein and Mueller: Genocide and unprovoked Racial Hatred Toward Me

Racially motivated pathing my DNA is African familial lineage non-white families is the transfer of babies the Rome Statute bans, taking babies from one ethnic or racial group to give to another.

This also have been conspiracy against every one of my Human Rights under U.S. Law including conspiring to bring about the circumstances of my early Diabetes and sexually celibate death.

I never started any of this, but after ever more obvious inexplicable racial animus towards me escalating about Y2K I traced the assaults upon me to where I believed the hostility was sourced from.

The U.S. National Institute of Health of Bethesada Maryland, overseen by Rod Rosenstein, US Attorney, and Robert Mueller, FBI Director under Goerge Bush and Barrack Obama, had taught White Privlidge Theory, that Whites had oppressed blacks and other minorities and were liable for said opressivness.

I blogged about the lack of foundations for that program and have ever after been second layer targted, now as a White Supremacist or Alt-Right, in response to my alt right defensive positions.

All black teams of behavioral health have long been used to harrass me as a suspect in the legal system for my "harrassing requests for genetics information from the National Institute of Health" which, again, was merely defensive from me trying to trace the racial hostility which surrounded me.

A guise or pretense for the racial harrassment I have experienced has likely been a claimed need to study my defensiveness positions regarding being white and due civil rights protections, which makes me sound racist.

Turning to Russia for help in 2014

This contact with Russia could have made me a target of the Russia Investigation, though I had no purpose other than to compliment Russia on rescuing Edward Snowden.

Russia probe grand jury looks like ‘a Black Lives Matter rally,’ says witness - https://pagesix.com/2018/01/02/russia-probe-grand-jury-looks-like-a-black-lives-matter-rally-says-witness/

“The grand jury room looks like a Bernie Sanders rally,” my source said. “Maybe they found these jurors in central casting, or at a Black Lives Matter rally in Berkeley [Calif.]”

Of the 20 jurors, 11 are African-Americans and two were wearing “peace T-shirts,” the witness said. “There was only one white male in the room, and he was a prosecutor.” Mueller was not present.

Racialized Sexual Assaults, Racist Persecution, and Inter-Racial Hit Squads

Gym Frames

Evidence Manufacturing and Harassment in the rehab Gym

I was diagnosed with Diabetes and an A1c of 13.3 near death from heart attack and stroke.

At first it was made impossible for me to get into the gym.

This is because of the following.

Following the then release from the Rosenstein Mueller arrest of me for seeking National Institute of Health genetics info (on a misdemeanor harassing phone calls charge I never reached trial on) I was released back into the disabled persons system.

The charge carried a $500 maximum fine, but I never reached trial and I spent over a year in prison.

In prison release health care workers managed my money and would not release it for the gym, a small amount per month, even though immediate weight loss and exercise was neccessary to bring my blood sugar levels down.

Although after great pains and hundreds of attempts I finally got into the gym but in all the years since I have been harassed, threatend, stalked, and menaced in the gyms by all black inserted gym employee teams openly racially harassing me.

Some of these are documented in Appendix-Gym Frames

The harassment has including making it look like I am a peeping tom by people dressing similar to me peeping or wowen or teens getting in front of me and acting as though I followed them.

I went from the picture with the yellow shirt and A1c 13.3 to in the dark shirt and A1c 4.7 in less than six months, but upon that success racial harrassment in the gym became so intense it was impossible to use the gym and gains have been lost for the last four years, and now I have untreated full blown diabetes again and am also again overweight.

I went from gym to gym and US state to state but was harrassed by blacks, sometimes disabled blacks, tied to the U.S. Marines or military veterans.

Like with housing which I have been harrassed out of I have been told by my assailants the harrassming of me is both racially and politicallly motivated.

I have probably lost a decade of my life to this as prescribed medicince and gym

access is not available.

Honor Flight DCA, The Gym, High Tech Meetups, Computers Freedom Privacy 2011, anything and everything else

I legitmately and even some times expertly particapte in all of these things, yet covertly, FBI Cointelpro sabotages me behind the scenes. I never know what happened, it seems to loook like those who look like me are loitering around women, I NOW know today I was framed and to keep me away from white females or success in my life.

At least 60 to 70 times in five years I have seen scuzzy or well dressesd black women, always massively overweighy, rushing around physically trying to ask or physically push any white women away from me vicinity.

Sometimes it has been non-white males, also asking me "Are you OK are you OK" which usually means I just watched a black male, a white female, and a

white retarded person leave my vicinity where the white retard will give away all his belongings to the white female at the request of the black male or black female.

Abuse of Psychiatry, this short version

The most dangerous feces shit the world has ever taken on me has been in custody where all this is even even 10 times worse and records are generated.

I was never able to stop it nor could I understand who was behind it, now I finally do. I must have something tied to my genome, most likely tied to being white, and at the very least something affecting some powerfull movement or person.

Officer Manufacture Claims of My Stupidity

- After the black Arlington County PD officer arrested me, bullied me, gave me conflicting directions, clearly knowing I was a New Nation News reporter, he said while giving conflicting directions I lacked the intelligene to follow directions
- Though lifelong I studied case law, history, the US Constitution and Civil Liberties Activism while in custody a clear impersonator of me in a cell near me was delivered lections from a Howdy Doody-ish what Arlington VA Sherrif about Abraham Lincoln, was a president, do we know what A president is? Similarly at an applebees in Austin about 3/5 Compromise, and clauses, etc.,
- Arlington County Sherrif Detention a loser perhaps Schizo Affective Disorder moron variously thought they were at Martin Luther King rallies at Revelary, an imperonator extended a comment I actually made to my father the conditions of detention were no worse than any barracks.

- Many many more during the years

These acts of impersonation of a mentally incompetent me while in I was in custody include a schizo affective thinking a shark bit off his arm while I had a broken arm, impersonators of me contacting the courts identifying themselves as me, in crayon therapy, unable to control their bowels, etc.,

Officer Manufactured Claims of My Compliance to Females

- Everywhere I go the illusion is created I am following a female around which is what motivates me. In Arlington County Detention while I was not prescribed medication a Dopple of me was talked to by a Latex Domme Nurse who urged a retarded verion of me to take medications
- In Arlington County Sherriffs Detention, as always, all black sherriffs, a white crew came in and counseled a Mediterranean skinned male not to roll around in the porn on strewn on his floor as he was in psychiatric emergency. He was also counseled not to go to I Eat Puppies For breakfast, a high IQ Mensa Dommes web site.

- When I got food poising or bruised toe from the base of a chair (I forget which reason I had been in Northern Virignia Hospital Center ER on this occcasion) a black male was in the waiting room, large and heavy set, dark skinned, wearing similar clothes and ALSO with Samsung Ring phone. As I was getting one talk about the toe is only purple, not broken, a blonde nurse was lectuting a little boy, out of my eyesite, not to undergoe canings from Dominatrices.
- I have rarely if ever spent more than $40 at a strip club and I get off on surfing domme adds rather than buying porn, spending less than $100 on porn during my life. At Trinity Services in Austin, a strip club in Austin, etc., I have been diagnosed as having trouble giving away things. Not so, I did not contest overbill while too drunk but I did report it, and reported those who werer overbilled claimed to represent Obama, and they were trying to hide or dissaude white females.

I am not en role of a submissive male when I am not in role play, and stygmatizinig my BDSM interest as exploitable by females sets up that Bernie will give away his belongings to blacks at Weekend At Bernies frauds where an impersonator of me does my accounting.

Identity Card and Identity Theft Problems

- When others including Arlington County Behavioral Health had control of my assets I could not get an ID, DL or DL Insurance. I had to fly to Texas on a suspended DL and no other ID.
- For most of my adult life I have kept at least one portable file and in the main one a file tab-labeled Edward Paul Donegan with old passports, expired punched out DLs, voting records, birth certificates, etc., A black went into my apartment in Clarendon Courts and stole that folder. I only caught him leaving acting suspciouslyl as I returned from launrdy, and discovered the file missing a short time later.
- As I sought a new current photo ID (rather than a one time only of me with no goatie in the photo) the entire Texas DL system statewide went off line as I drove to the site.
- In California at the motor vehicles dept blacks inserted themselves around me, seemed to be Marines or military shrits or demeanor, and stalked me at the SSA and other places as I looked like a black second Ed Donegan was being created physically next to the real Ed Donegan in lines, etc.,
- Clothes are always being stolen, chairs I sit moved to differnet locations (architectual analogs) voices are being faked as people created a record that their voice is mine by saying to me things I would have said in conversation (at least 8 times in 10 years.) I documented this in RUIZROCKET.

I believe this impersonation scheme of forging my agreement to give away my property to blacks is the thug scheme Jen Moore knew existed as a black-budgetes RICO scheme and the black thugs who stalk me in Challengers are the same who once jumped her and later killed her as I presented evidence the covert activities she also had.

Plain Clothes Acts In Furtherance of Embezzlement

- At various times I have said the PizzaGate parties which are visibly conducted by non-whites and often non-native English speakers is part of an international genetics RICO scheme embezzling the value of my

DNA, not reported to me. Several times after I have made that assertion people in my vicninity, refusing to identity themselves, make statements nearby my of the type "We'll be in this fifty-fifty from here" and this happens so often I often do not confront these types of statements, though when I do the response to me is of the nature "oh, that wasn't directed towards you. We weren't talking to you, just each other."

- Other times I have made that assertion (including recently at Extended Stay America) someone other than me is doing something like staring into an envelope of money saying "wow I have made it big" and of course real me has received no money nor been informed of the value of my genes. This also happened in the parking lot of Highlander Motel where a person seems have suddenly made it big and intentionally walked in my vicinity with an envelope of money.

Longstanding Persecution and Harassment by Rod Rosenstein and Robert Mueller

COINTELPRO - political assassinations through publicly committed hate crime.

Here are some of the tactics used by CointelPro, most of which I have experienced. This occurs in broad daylight, inside the prison system, inside the ABA, inside psychiatric hospitals. These covert operations I and those I know have been subjected to will be described in my later false arrests and detentions.

"According to Brian Glick, in War at Home, COINTELPRO used a broad array of methods, including:"

1. **Infiltration:**

   Agents and informers did not merely spy on political activists. Their main purpose was to discredit and disrupt. Their very presence served to undermine trust and scare off potential supporters. The FBI and police exploited this fear to smear genuine activists as agents.

2. **Psychological Warfare From the Outside:**

   The FBI and police used myriad other "dirty tricks" to undermine progressive movements. They planted false media stories and published bogus leaflets and other publications in the name of targeted groups. They forged correspondence, sent anonymous letters, and made anonymous telephone calls. They spread misinformation about meetings and events, set up pseudo movement groups run by government agents, and manipulated or strong-armed parents, employers, landlords, school officials and others to cause trouble for activists.

3. **Harassment Through the Legal System:**

   The FBI and police abused the legal system to harass dissidents and make them appear to be criminals. Officers of the law gave perjured testimony and presented fabricated evidence as a pretext for false arrests and wrongful imprisonment. They discriminatorily enforced tax laws and other government regulations and used conspicuous surveillance, ‘investigative’ interviews, and grand jury subpoenas in an effort to intimidate activists and silence their supporters.

4. **Extralegal Force and Violence:**

   The FBI and police threatened, instigated, and themselves conducted break-ins, vandalism, assaults, and beatings. The object was to frighten dissidents and disrupt their movements. In the case of radical Black and Puerto Rican activists (and later Native Americans), these attacks—including political assassinations-were so extensive, vicious, and calculated that they can accurately be termed a form of official ‘terrorism.’”.The FBI also conducted "black bag jobs", warrantless surreptitious entries, against the targeted groups and their members. Entry by Edwdard Paul Donegan

In my case there is something the National Institute of Health knows about my genome, not disclosed to me, and the value of IVF of my DNA is embezzled to blacks and gays via forgeries.

In a conveniently prurient government scheme built around Eros I am intercepted in communications with women, most likely leftist complicit women or duped women, will go along with an impersonator taking over my identity, my impersonator will be blackmailed over despicable activity appearing in staged photos out of my control

> *The techniques below can be either indirectly as manufactured pretenses for covering up past genome program errors or directlyl used as techniques to continue to coverup genomic activities.*
>
> From its inception, the FBI has operated on the doctrine that the "preliminary stages of organization and preparation" must be frustrated, well before there is any clear and present danger of "revolutionary radicalism."
>
> At its most extreme dimension, political dissidents have been eliminated outright or sent to prison for the rest of their lives. There are quite a number of individuals who have been handled in that fashion. Many more, however, were "neutralized" by intimidation, harassment, discrediting, snitch jacketing, a whole assortment of authoritarian and illegal tactics.

Foreign Operative Connected Foreign Interested Abuse of U.S. Offices of Power

I have absolutely no doubt about a secretive race related conspiracy of women, over a decades period of time, sudddely dissapearing from around me, moved away sometimes from caught in the corner of the eye acts from behind me.

That conspiracy against rights itself is on matter, a serious human rights one, but others exit too including arson, rape, robbery, wintess tampering, evidence tampering, murder, espioange, crimes against reading and writing and propery, false arrest and false detention, medical treatments as politicallyl and racially motivated violence, and more.

I say again here. This has involved a large foreign genetics effort which is illegal and has used foreign operatives, in the U.S., against the interests of myself, mother, and father, native born U.S. Citizens trying to raise generations of family ourselves in the U.S.

The core interest of this illegal conspiracy ins conspiracy against my mother, father, and myself, by a foreign connected plot with foreign connected interests and operatives.

Hotel Erwin California was one such clear example.

The name Law Enforcement and the US Military should use for this is below, MKULTRA TNG

- "MKULTRA TNG" What Jen Moore was whistle-blowing on was OSS/Catholic MKULTRA programs which under projects Paperclip and Artichoke appear to have created Obama family out of DOnegan DNA. In the TNG version, a generation later, DNA can be traced to regions of the world. I am being dissapeared geneticallly as is GLorian Donegan and impersonators of me give way my DNA to Africa and non-whites where it will geolocate to the Obama public story of Africa.

Forged permissions from impersonators are un-allowable but permitted by self interested parties who claim they can manage my assets better than me.

Barack Obama a manchurian candidate?

Is Barack Obama a manchurian candidate?

Since Barack Obama has been in office there has been a circulating rumor is that he is actually a The Manchurian Candidate bred by the CIA. This conspiracy theory whcih sounds quite outrageous and exaggerated, actually makes some sense and has been put together by several scholars and journalists. Among them John Pilger and Webster Tarpley. (Videos below with claims by Pilger and Tarpley about Obama being a Manchurian candidate)

Inside the newspaper on page 18, Ann and baby Barack are placed just below, to the left of a photo of Malcolm X, with the caption "The Young Listened".

Recent advances in DNA family databases require my DNA be moved (under the pretense of medicine) into Africa.

Top US Federal Judge Assassinated After Threat To Obama Agenda
http://www.eutimes.net/2011/01/top-us-federal-judge-assassinated-after-threat-to-obama-agenda/

According to this SVR report, Federal Judge John McCarthy Roll was the Chief Judge for the United States District Court for the District of Arizona who this past Friday issued what is called a “preliminary ruling” in a case titled “United States of America v. $333,520.00 in United States Currency et al” [Case Number: 4:2010cv00703 Filed: November 30, 2010] wherein he stated he was preparing to rule against Obama’s power to seize American citizens money without clear and convincing evidence of a crime being committed.

The case being ruled on by Judge Roll, this report continues, was about bulk cash smuggling into or out of the United States that the Obama administration claimed was their right to seize under what are called Presidential Executive Orders, instead of using existing laws. The Obama administration used as support for their claim before Judge Roll, the SVR says, the seizing of all American citizens’ gold, in 1933, by President Franklin D. Roosevelt’s signing of Executive Order 6102, which was ruled at the time to be constitutional.

Note the Transfer from Maryland National Institute of Health to the US Marines Beach Landing in the Groups list and text above

Someone (Bernie) might be getting raped for his DNA at the US MARINES CENTCOM Saratoga Bikini Peeping Study Facility

Below, Conrad Truntman, US DOD, staffs the Bikini Bullwhip Research Center

In one of the more bizzare aspects of this covert teams of people surround me at

laundry facilities and make bizzare motions of having to mop the floor as if I were masterbating in public, police and FBI (black ghetto) allegdge FBI undercover make fake claims I am hiring pizza from the laundry mat, buying drugs from the laundry mat (with an alleged black neigbor I do not have of Casa Linda, at least my REAL apartment) and at these drugged out trysts, per the Corpus Chrisi black police officer, at the alledged trysts of an apartment I did not move to in Los Angeles (but I did put in a Disbursement request for) a Doppple of me, with a fake Ed Donegan with hair was bound by a dominatrix similar to this, "forced to give up his milk" by the cast of characters who surrounded me at the laundry mat, but it was BERNIE not ME in LA.

But the fetlife pic and that cop were directly linked, and when I was kicked out of the laundrmatt for THEIR activities, my lost clothes were moved into a Sound Stage at the far end of the complex and facing 180s the other way, but with blinds and computer desk peeking at a highschool which was BEHIND that apartment.

The internal set created in THAT apartment tied to a paint bucket for teens to get keys, was create to look like me looking at at a high school.

First of all I did not sexually kids, and that whole thing may have began when I moved to that intersection which had all the bus lines and laundrymats near the gym, stores, half way inbtween the two city hubs of Corpus Christi and near parks

Below, an ARC of Nothern Virginia owned vehicle in their parking lot (along with other Wrangly 4X4s) after I had shopped for one later request and was turned down for a Toyota 4Runner. An indication Triniaus turned down my request from the only fund I have access to and use a fake unreported "family grow fund" of embezzled semen IVF rights to buy themselves one.

As well be revealed in the following chapters Marines hire white models and use dummy impersonators of to to host the white models. I call this Dummy figure "Bernie" and Bernie pays for the US Marines Parties with real Ed Donegan's

DNA.

An Instance in Operation

Returning from canada on Greyhound I am surrounded by people who at least, the guy next to me, provide some information on who they are.

The white hand near me in the photo belongs to a white guy who revealed himself to be National Institute of Health, though somewhat relulactanlty he revealed that, and is presence was supposed to be a coincidnce.

Two black also coincidently seem to be near me, like a Harvey Dent, black cop, and a Doppleganger of me in a similar coat to mine.

They, when awake, lear and drool at two white women seated in front of me.

A black retarded level male is the greyhound bus driver of a bus leaving at 12:01 on the schedule, my voice being recorded saying Georgia underage porn law.

This recorded sound of me will come out of Bernie's adams apple at the party I am not going to.

One possibiliy of somethig earlir was switcing out my airline ticket TO Canada.

DONEGAN/EDWARD and DONEGAN/EDWARDPAUL have flights. MY name is not EDWARDPAUL it is Edward

In the usual switchout I bought an insured ticket to Canada but without passport DONEGAN/EDWARD was not allowed to board.

I was then sold the ticket shown instead DONEGAN/EDWARDPAUL traveling

instead.

I reported this to flight crew.

The FAKE Ed Donegan may have arrived at the Canadian border first, and been kicked out.

When I arrived at Canda, I already had an arrest in Canada which was the impersonator of me who arrived on the earlier flight INTO Canada I was not allowed to board.

I had to take the bus from New York, crawling along slowely, with my Drivers License and Birth Certificate, while an impersonator of me, likely black, with fake california ID created at a CA DMV scam was arrested in Canada.

Bernie Gives

Bernie is retarded, though Ed Donegan is not

Retardation firm ARC of Northern Virignia, et al, claims to be in service of Bernie to serve Bernie

The Advocacy for Retarded Children ARC use retarded people to fake being me. Thus Bernie is created and needs ARC.

One such person was "Donald" who was moved into an apartment next to mine and would do things like go to a Sound State apartment in the same complex whenn I left for somewhere else such as the grocery store.

Donald was also tied to embezzlement and fraud issues tied to flatscreen TV purchases and other matters which can be presented to prosecutors.

What Bernie is doing is signing Ed Donegan's genes, which fight retardation, over to the ARC of Northern Virginia in exchange for serices provided to Bernie, not provided to Ed Donegan.

This serves the inter-racial problem of Retardation/Autism "spectrum disorder" in which IQ needs to be rasied among non-whites.

ARC of Northern Virginia tied to Weekend At Bernies and embezzlement fraud many ways

What caused these otherwise racially IQ gap equal people to need an Autism cure

Retarded Child people to fake being me. Thus Bernie is created and needs ARC.

What Bernie is doing is signing Ed Donegan's genes, who is actuallly NOT retarded and does not need Retarded Children's Fund which fight retardation,

over to the ARC of Northern Virginia in exchange for serices provided to Bernie, not provided to Ed Donegan.

This serves the inter-racial problem of Retardation/Autism "spectrum disorder" in which IQ needs to be raised among non-whites.

What caused these otherwise racially IQ gap equal people to need an Autism cure

Discovering Autism in blacks now subsumes discovering low IQ in blacks and NOW genes for languages other than Ebonics associated can help

Ebonics does not reflect the computer programming language semantics which is derived from Indo-European languages.

Autism Society of Northern Virginia

Quote - By Phil Plait | February 7, 2009 4:33 p Did the founder of the antivax movement fake autism-vaccine link?

The UK-based Sunday Times has a potential bombshell on their site; they claim Dr. Andrew Wakefield, who started the whole "vaccines cause autism" garbage, faked his data to make that claim.
http://blogs.discovermagazine.com/badastronomy/2009/02/07/did-the-founder-of-the-antivax-movement-fake-autism-vaccine-link/#.XBEomHRKjIU

I believe the plan to fight "vaccines caused Autism in blacks" is really genetic engineer of black in Obama's alleged continent of origin, and moving Donegan

Family DNA into that area as an IQ cure.

Further, i believe Judge Roll was killed for the Obama administration to nationalize my normal cognitive high IQ as a fluke of nature without human rights, whith secret NDAA proceedings being shown me being shown in public how to carry out the most basic daily tasked by unwated coaching.

I believe servarl other war crimes exist, the murder of Judge Roll over the Donegan family trust fund that groups like Texas religious groups want for use in their orphanages, supplied by intel asset seizures, an that Scalia was killed over this regarding disclosure of this plan and the Fisher case.

Finally, blacks sex assault me in public with unwanted peeping at women, etc, teens, children and defame with this as black on white sex assault of me which is designed to block sexual reproducibility of me in the U.S.

My Witness List section in this book will list the greasy black toilet farm animals committing these crimes.

I remember the Vaccine Court in the news at the time of my NIH arrest and the story reporting then was this affected minorities creating high minority rates of Autism Spectrum, though others argued the large rise in minority Autism was increasing surveillance for Autism and the wider definitions being created for Autism.

Might did not make Right

Most expert opinion at the time, in the US and future CIA and DOD likely agreed with Hitler but followed the politicians.

The Deep State of Nazi Germany, largely entrusted to blacks and jews in the U.s. it seems, has been covert racial programs while disguising the truth.

ARC to Bernie, serving retarded Berine, is actually Ed, not retarded being forged as turning IQ genes over to ARC or Northern Virginia, most likely, in their own clients use of those genes.

Genocide Motive which requires I be single and

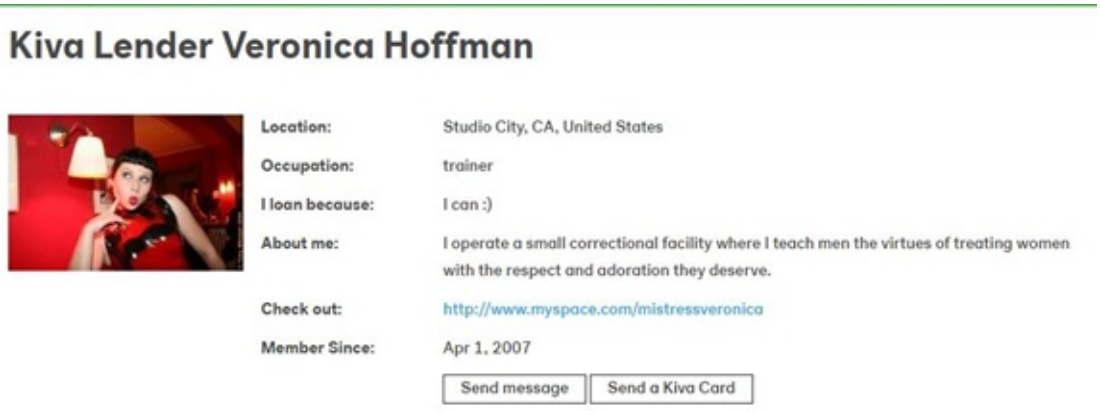
celibate

Tom Donegan and Mark Weirness have long fought to have the National Institute of Health find me mentally icompetent and continues

They testified against me at NIH proceedings *and have likely wanted and planned for international and inter-racial and straight person to gay couples use of my Genome including use of my genome in the Obama family.*

Evidence I have been right about things they called me incompetent for (NIH.ASP, my confronting Thea Smith for suggestiveness of Pizza she told me my brother was involved in) support me as NON-MENTALLY INCOMPETENT, but government backing of them has allowed them to succeed in their control of family assets plot against me.

After Bernie gives away my genome, seeming because **Ed Donegan (Bernie) was checking out hot white chicks in bikinis,** non-whites come up to me and say "thank you."



Some non-whites even say "we are going to have your baby" to which I, the real me, states and believes "If my genes are found in you or your relatives I did NOT authorize it and I demand incineration of you."

The Hundreds of Times in A Row Scam

Scuzzy blacks, more often than not barely able to speak english, or Arab or Pakistani, or gay, will with a retarded impersonator of me, will also be around

me and very hot white females.

Seen together all in the gym

1. The blacks, frequently US Marines
2. The hot white females
3. A retarded impersonator of me wearing clothes similar to me
4. Actual me

These people will bifurcate from me after leaving a place at the same time I am in a place, say, for instance, a gym.

Bernie Goes to A Party

1. The blacks, frequently US Marines
2. The hot white females
3. A retarded impersonator of me wearing clothes similar to me

The deal for my genome will be done at Bernies by Bernie

I Go Home Alone

4. Actual me

I have not agreed to anything

The public appearances created by all of this is out of my control but I have detected breakins and sound stages Bernie is seen partying at.

EXTRA EXTRA READ ALL ABOUT IT! OBAMA *FINALLY*GETS OPERATIVE IN TO FINALLY SEIZE TRUST FUND CONTROL THROUGH PLANTED OPERATIVE

Temporary Abuse of Power accountig and Trusts Fraud in Trust fund through ARC of Northern Virginia said to be replaced by Due Proccess violations carried out in Texas by other operatives to finaly rape of Donegan genetic and other rights.

Centering on the Trust Fund

1. Obama Children IFV relate? My brother, frequently if not almost always behind my back, fought to get me on Social Security and in a Trust Fund as part of my mother's will despite my vote against those things. This followed by being fired by AOL Time Warner after he lured me in their and I was called crazy for a saying a Doppleganger of me was there.
2. Obama Related? My brother was working to get my mother to join my treatment team over NIH.ASp calling me crazy over it, as Obama and Biden were part of my NIH arrest. The Trust fund was a sham to begin with. My arrests and civil commitments have been from fighting street level harassment, following AOL, that I no longer fight but still do exist. My brother always claimed I was crazy, even laughing i court at me several times, but according to the people harassing me like Thea Smith it was my brother Tom Donegan setting up the harassment and scams.
3. Obama related? I NO LONGER have the evidence I was right over

NIH.ASP, and thus help establish I WAS of Sound Mind. My brother Tom Donegan, Mark Weirness, Rod Rosenstein, and others asked my mother to join my treatment team and connvice me I needed to be medicated for my beliefs in NIH.ASP or ELSI.ASP, evidence erased because that evidence was used to convince her I was not of sound mind.

4. Obama related? Women at Arlington Sport and Health expressed anger obama seemed to copy my gym techniques. ALso, I was denied the gym and left to die. At the time of my impending diabetes death at A1c 13.3 my brother Tom Donegan and Marke Weirness did absolutely everything possible to bring about the conditions of my death and deny the existece or paperwork of the trust meant, the very trust frund meant to prevent medical expenses.
5. In the Obama interest? My brother and Tom Donegan did everything they could to insure I could not 18k in SSDI for State ID or DL, or other medical needs.
6. Obama related? The Catholic Nuns, during this, announced an Obama vist. With my never expressing any such views I was "outed" as a Nazi at Sisters of Charities, framed, and thrown out to die. Lots of interest was shown in Corpus Christi Texas about how a trust fund could be broken after a persons death by religious ministers. Religious Orphanages and Autism are now an issue, but nothing was said to me about breaking wills or my mother specifically.
7. The Station Chruch Corpus Chrsit and Metro ministries tried to make me look like a mental midget in public, setup impersonators of me, and and tried to keep me single
8. Obama need for my own genes in Africa related? Of foreign national diseases (Autims?) which might require breaking some eggs in the U.S. so this, moving my nationalized genes into Africa, would not be detected.
9. Obama said this. The location of that egghead omlettee overseas now has detected IQ genes, missing before.
10. Obama's form of Social Justice, God didi distrubite IQ eually, but the Whites were holding down blacks until the Epoch of Social Justice. The Retardation Childres Fund (and Tia marsellis Autism Institute for her autistic child) is minsmanagig and not disclosing the trust
11. Obama hiding in the bushes? At Salinas CA I was trying to go back to work in Monterey, meet Libertarians, get high tech employment, and meet white females for relationships and marriage, all of which would erase the trust. Also it seems Jim Volcelka was part of embezling a book deal thus keeping me in a disabled rather than money earning condition, again, creating the

illusion of a disabled person.

I am being murderd in a genocde plot.

Centering on Tia Marselli

My Brother arguing against my mental competency, and me taking Disability after getting clean from Meth

Tia Marselli took over my mothers sale of her house trust fund. Half of the sale of the Morgaga CA house was to go to Tom, Executor of the Will, and half to a trust fund managed for me by him which I was not told of until she passed away.

My brother had long fought against me being found mentally competent and I believe him to be a competitor to family and my assets including genetic assets which he wishes for the enrichment of his world political causes goals, and he has worked with Rod Rosenstein and others on this.

I had been displaced from much including volunteeer work because of NIH/PHS arrests which had followed others as I tried to defend myself against what I NOW see operating as EXTORTION17, my sexual reproductive and participation rights being harassed by stalkers I could never identify.

This had worsened following about Y2K and I left the BDSM scene for continuing self education in tech and book writing on long held beliefs about philosophies closely tied to Ayn Rand Objectivism, a flavor or I might use the term "syntax" of Natural Law philosophical system using more or less similar terms.

Upon the death of my parents, benevolent towards me and friends, my brother's hostile En Parentis Loci, in the place of the parents role, my brother began to displace my own self interests with sabotage of legitimate spending, etc.,

Disrupting normal contracting for private services such as housing and gym have shortened my life and reduced stable living.

The double stygma of taking disablity insurance after getting clean from drugs, and only volunteering, now also with a hostile trust fund trying to keep me in the kiddie pool as a client, has disrputed the asssertion of my normal Human Rights.

The ARC of Northern Virginia (retarded and autistic children advocacy)

and surving Donegan family members

Tia Marselli is the Director of Trust Funds for the ARC of Northern Virginia, the trust I suspect Judge Roll may have been murdered over changing and the Texas Christian groups were trying to break so they could gain control of it, and alter it to illegal control of my then co-mingled assets.

The central component of retardation/autism firms wanting and getting claims to my IQ and hereditary familial genes is the manufactured claims they make I need their services.

This case has not been made to ME but to others, still I am publicly depicted as retareded by advice acted out to me which, Post Hoc Ego Propter Hoc, things I do seems to be result of their coaching which I can not avoid in public, it is public places.

Two elements of the scheme

1. What I know to be true from my own life timeline is that whatever total strangers act out in my vicinity as everyday living is often simply scammers tying themselves in public spaces photos to something I have already done in the privacy of my home or elsewhere, so, only the scammers know that I have already done things they also do in my vicinity.

   I have wondered if GPS hacking is part of this and I have seen Magellean GPS t-shirts on some people acting suspciously. GPS dummy signlas could alter time records.

2. I have frequently confronted the scammers and when pinned down by me as to whether they are claiming to coach me, or simply randomly be near me, they acknowledge they are not coaching me and have no such relationship with me.

Once the scheme is in place and operating before some review such as a conservancy court or TJ Henry Law firm, impersonators of me created by ARC of Northern Virinia or elsewhere and can then commit fraud beyond my detection.

Normally, a retardation of autism firm would not do this, but because they have a self-enrichment role, they are motivated to do this.

My Genes are not the best to fight Retardation around the world with, but do offer direct family relationship to the Obamas, now made common around the world

As will be displayed later, this set of common dates exist with my brother getting me the job at AOL where a Bernie worked and I noticed at THAT time.

Likely a victim of MKULTRA Across my life

It looks looks something like this, supported by an enormous number of data points offered by others

Three Downward Slashes

[1] James P Donegan DNA 1961	Consistent Duke Obama
[2] Edward Donegan 1998	[1] Barrack Obama 1961
[3]Donegan DNA	[2] Obama children 1998
NULL	[3] Donegan DNA CIA Behnghazi MKULTRA backfilled into African Origins of Obama and the Rise of Kings 2011

1. *IVF allowed my family DNA into Obama, a CIA created Future Leader of Africa.* My father was an Above Ground Atomic Veteran studied by the US DOD/DOE/PHS/NIH in the 1950s, had high IQ, as did my mother who also needed IVF because of miscarriages.
2. Somewhere in the very late 1990s at AOL Time Warner an impersonator of me may have authoorized *my or my family DNA into the OBama children.*
3. This having been successful, medical proxy of me was setup and justified by non-white non-straight operatives placed into key positions who would under false pretenses continue genes transfers without my actual consent including into Africa, allegedly genes blackmailed out of me or an impersonator of me authorized

In this last phase the U.S. Marines and others seem to co-operate with bringing about the circumstances of my celibacy and early death, also achieved through wrongly motivated medical proxy, so that the medical proxy use of my genes used in above list items will not be known.

The likely 2/18/1961 IVF of Barrack Obama from my father or mother's DNA

A year and a few days after IVF

Birther Theory. My father was an 1950s above ground nuclear testing participant in Nevada to test affects of radiation by the DOE an NIH/PHS

Feb ≈ 18 1961 Glorian and James Paul Donegan Have IVF of me into my mother Glorian. Also ties to seeming web report of. Obama also an IVF on Feb 20 1961 Note online impersonators speak of Glorian and Genenetch, an online Bernie friend saying so in Wishlist	+ 9 months 9 months pass and I am born on 11/18/1961 and Obama is likely also	+ 3 Months Feb 23 1962 A year after IVF of Obama IVF to build future African leaders, all looks good
In my twenties or so I am being harassed by some kind of odd police. In Concord CA I even call the Concord police on some form of special ops which seem to be monitoring my home illegally. I am also told there is an operation underway according to neighbors which is protecting a mob witness next in a house adjoining my house. Nothing seems racist at this point but I was put on drunk tank pscyh hold and WAS on drugs.		
1997/8 At AOL Netscape, a job my brother referred me to, him also working at AOL, I see the first use of a true impersonator of me, Toni, who has the exact folio I have and followed me into the company. There is also another Ed Donegan on the payroll of AOL. I was fired shortly after Y2k eve for not working it. A female Phd in her 30s turned cold to me though we had been doing bike rides together. This time range ties to the possible IVF of the obama children. If so the I am to the Obama children as my father was to Obama.		

Since then and even now. Racial conspiracy against my sexual reproductive rights continues among threats to me and socially stygmatizing frame jobs to scare white women away from me.
In 2006 my web site and email contacts to The world based Human Genome Program convinces the Illuminati, Masons, Shriners, etc., world genetic engineerig will be needed. This is supportd by Archive.org, emails, many, I sent the the world geneticists, world race riot events of the time, and Mountain Prophecies

Finding genetic relatives 23 And Me Customer Care

The first step towards finding your genetic relatives is searching our database for individuals with whom you share DNA. This is not a trivial task since we all share many small DNA segments with each other. However, on average you share longer stretches of DNA with your relatives than with unrelated individuals.

Our simulations have concluded that we can confidently detect related individuals if they have at least one continuous region of matching SNPs (Single Nucleotide Polymorphisms) that is longer than our minimum threshold of 7cM (centiMorgans) long and at least 700 SNPs.

Using that criteria, we estimate the likelihood of detecting a genetic relationship with a 3rd cousin to be approximately 90%, The table below shows the average likelihood of detecting cousins of different degrees:

Family Relationship	**Probability of detecting**
1st Cousin or closer	~100%
2nd Cousin	99%
3rd Cousin	~90%
4th Cousin	~45%
5th Cousin	~15%
6th Cousin and beyond	under 5%

Genealogical atDNA Databases

APRIL 17, 2017 THEDNAGEEK 17D COMMENTS

Estimating the Sizes of the

The past few months have brought some exciting news from two of the main autosomal DNA (atDNA) companies: AncestryDNA exceeded 3 million testers in January 2017, and 23andMe broke 2 million in April. (Note: I earn a small commission if you purchase through the links in this post. The cost is the same for you.

Click here for more information.) The larger the database, the more likely we are to find DNA relatives with information that might enhance our family trees, so this information is an important consideration in deciding where to spend our testing dollars.

However, Family Tree DNA (FTDNA) does not publicize how large their atDNA database is, and the newest player in the market, MyHeritage, hasn't released figures either. Another wrinkle is that not everyone at 23andMe participates in DNA Relatives, the matching tool there. Thus, there is a difference between the total size of a database and what I'll call the effective size, that is, the number of people available for cousin matching.

The Goals and Crimes possibly existent

I am enslaved to a retardation company so impersonators of me can sign my assets over to the US Government including those hiding Obama's origins. (Judge Roll Murder)

This will be done under CIA pretense MKULTRA to fight retardation around the world (Scalia murder)

Participating will be religious orphanages who use my genetics black-marketed (Trump, Corpus Christi Texas churches)

Centering on Tom Donegan and Mark Weirness

Their long term persistent fight to get me found incompetent, almost always or mostly behind my back

A Few Examples

- In 2003 for Social Security Disability Insurance as he repeatedly lied to the SSA to achieve that while I opposed being put on disabilty

---

- At the start of my National Institute of Health arrest getting Paula Xinis and my mother organized behind my back to put on an insanity defense I did not want, but the NIH did. Paula Xinis later appointed by Obama to the federal bench
- To the New York MCC NIH eval and FMC Butner evals, again, behind my back to the evaluators
- The New York Eval, sending instead to all black PHS in FMC Butner

---

- An Executor of the will of Glorian Donegan, created behind my back, creating the Retarded Children s Trust Fund for me, ALSO behind my back, and crippling my rights with both of those

---

- To Charney and many others, always behind the scenes moving manufactured lies around, without me present, moving NIH files behind my back
- To Arlington County officials, moving NIH files around behind my back, as I attempted to defend myself about what he, Tom Donegan, and Thea Smith, were doing together

---

- To Station Church Corpus Christ where I was PUBLICLY lectured of what not just I already knew, Dialisys and fluids mixing, but that I myself had emailed my brother on, laying the foundations of suspicion he wanted to claim some Hegel chart I had done, not him

---

- In conjunction with ARC of Northern Viriginia, repeatedly sabotoging my otherwise easy rentl of Texas housing such as Ball Park West and others I

tried to put in apps to, but ARC of Northern Virginia, Tom Donegan nixed.

- In the case of Wells Fargo, while in Texas, ARC of Nothern Virigina REFUSING Disbursment Request to pay off Wells Fargo, getting me then under investigation and with no bank account available to receive SSDI
- While in Texas, sabotaging me to Genesis Development Corp and Catholic Charities EXACTLY at the time, within 24 hours of doing so, they WOULD HAVE become a payee for me. Without them, no SSDI and homelessness

---

- Someone sabotaged me behind the scenes to Wellmed, Texas, Corpus Christi
- The US Gov removal, at black Lawyers Committee For Civil Rights request, of Storm Front after I posted an expose on Tom Donegan's activities
- A long list of murders I am certain of, and about 6,000 felonies victimizing me by harrassing acts carried out against me, supported by the US Gov, on behalf of black FBI, per what I was told
- A list of other sites with information on this dissapearing from the web

With my assets then in his conservancy he is able to use accounting fraud and stigmatization of me as he needs for whatever he was asked to do, from inside the Donegan family.

He had the in family position to control lawyers, psychology reviews, etc., as I have been detained, and takeover for me while I am in a cell.

The Above Acts by insider family members in Furtherance of Rape and Murder of Me Through Financial Abuse, including Conspiracies Against My Civil/Human Rights which include his conspiracies against my protections from the lack of medical care, rights to legal resources, right to trial, etc.,

Through is illegal and un-prosecuted Conspiracy against my Due Process and other rights he and Mark Weirness have eliminated the foundations necessary for me to assert my human and civil rights.

Felony acts committed by Tom Donegan and Mark Weirness, likely in

conjunction with Rod Rosenstein, Robert Mueller, The Public Health Service, and more recently Donald Trumpl, have facilitated these human rights crimes.

Non-white non-straight hate crimes invited a gainst me enable lack of Type II Diabetes treatment as the murder weapon

Arlington County Virginia before departure for Texas

When diagnosed with Diabetes A1c 13.3 I had to fight against Tom Donegan, Integrity Payee, and ARC of Northern Virginia to get gym access. Only bad faith could have prevented gym access.

When I did get Arlington Sport and Health access I got results but that was disrupted with lack of money for laundry, a key scheme to prevent sweaty gym cloths re-use. I had to use cut up bar soap as laundry detergent because I could not afford laundry detergent.

Blacks surrounded me and assaulted me and the gym as a whole in bizarre and offensive ways. A black trainer worked out a white female in odd exaggerated ways as she made orgasming noises into the gym, blacks surrounded me and pretended to coach me, women planted themselves in front of me as as blacks took positions behind me. Among the murmur on the gym was that Tom Donegans and Mark Weirness Democrat friends were merged into the Wilson Mall gym location, mine, from the Clarendon closed location

Extreme financial abuse prevented trust fund and SSDI use for diet, MS Office, diabetes testing strips, etc., I was refered to Church Group Arlington County Connected food services rather than permitted SSDI or Trust fund use for my doctor recomended diet of lean meat. I did prefer red meat over fish but the economics and achieved result were good in that lean meat food space.

As unsurvivable bad faith financial abuse continued I could not afford to eat, replace one broken dish of two dishes total, nor $1 dish soap to do dishes, nor a have a car to shop with forcing me to eat sugar products or nothing.

I finally broke the one dish I had in anger, and later hurled some other things around an apartment I could not afford to clean as laundry mildewed from tub washing and air drying.

Arlington VA County Services continued to refer me to blacks or other minorities who were inaffective and said things like, in foreign accents "You have a probabte issue. We don't handle probate problems."

Cognizance of Guilt

Cognizance of Guilt

- After I forward the email in which, I had told Tom Donegan uncolicited information about Dialysis that original email I had sent him disappeared from my sent items in Gmail though the forwarded copy of it remained.
- The mere excuse created, out of necessity, to all me delusional and bipolar, NIH.ASP has disappeared from ARCHIVE.ORG though it supports me in that dispute
- He brought about the early Sepsis death of my mother, fighting against her getting Nephro (proper nutrition) and Sacral Sores bed cushions
- He did everything he could to hide my mother's hair DNA
- He also (at the time I thought it bizzare) fought against my mother's claim to competence. In Lincoln Towers above the store where we lived the plumbing would overflow. I knew this and had to mop much up late at night from building problems. Air pressure pulse hoses were used to clear sludge from apartment drain pipes. My brother denied the real problems and created written records "she thought snakes were coming from her toilet to attack her"
- He repeatedly sent me emails quoting me on things I had in NO WAY said and I wondered who he BCCd and thus did not get my angry response

The capacity to accomplish these things: Tom Donegan served on the Board of Directors of Arlington County Behavioral Health (his position at the suicide prevention center) and was well connected in Arlington County politics, always seeking Elerman or County Board participation levels in zoning, etc.,

Kaine Joins Vapartisansfor 15th Anniversary Vapartisans

2007 Governor Kaine (front runner for Obama VP during 2008 run) helped celebrate the Partisan 15th Anniversary at the home or Mark Weinress and

Orientation and Closeness of Understanding

Tom Donegan and Mark Weirness have always been SJWs long in conflict with me.

We have more or less preferred to limit contact as much as possible our entire lives from early childhoon on limiting both communication and even understanding or knowledge of each others lives.

They have fought my Alt Right Radical Right positions and viewed them as crazy, and with such opinions, shared that view.

They have viewed my mental illness of racism a threat to gays and others, the sort of thinking which had led to an anti-gay attack upon them in the 1980s.

From frame of reference into more hostile acts, they have sought my analysis and detention repeatedly and sought denial of competing forensics of my competency from neutral sources, that is to say denial to me non-Government forensic resources.

I could never get the trust fund fully away from Tom Donegn and its real accounting on likely use of my dna most likely ONLY reaches him. It certainly IS NOT given to me, but very likely is given to Bernie.

Tom Donegan and Mark Weirness using Soundness of Mind Claims to help Obama family out of 1961 Project Artichoke plot

As I have been subject to harassment I could NOT until recently identify from plain clothes actors I have been called delusional for citing some form of harassment and plain clothes police officers engaging in hostile acts around me.

Playing on those claims of mine allowed Tom Donegan and Mark Weirness to continue to discredit my claims to the medical community, the same medical community whose agencies had been harassing me to conceal medical sector misappropriates of my biological origins.

As with Tom Donegn, as I was in confrontation with Thea Smith, or as with Tom Donegan as I confronted the National Institute of Health, or even as I confronted AOL Time Warner, I was confronting the very people motivated to discount and disbelieve my claims.

The medical industry latching onto any stigma they could find simply was marginalizing me and he was supporting that, much like can be done when sexual harassment victims try to credibly assert a powerful boss intimidated or harassed them.

During my time in National Institute of Health and Public Health Service detention, facing all black PHS, Tom Donegan is pictured in his home with an African also tied to Trinistas Nsamimbari, also an African who is part of trust fund management.

The Jim Vocelcka Question

Overview

This chapter (like all chapters in this book) re-write some information from the earlier book.

In this chapter I will write about being forced into social services by social services proxies of me violating my own rights which are normal and my own, exactly so they can prevent my housing, et al.,, from coming from anyone other than their mental health services.

Being in Social Services, I never needed or wanted or signed up for, gives Social Services a proxy claim to administer, without disclosure to me, my financial and biological assets.

Blacks in Social Services Blocking My Austin white family life: Enslavement to Corpus Christi Texas and a black lead Retardation Children's Fund

Even before beginning, some may say the fact of the attempted moves to Austin are vaugely stated first hand accounts of mine.

*True but **t h i s .. y e a r .. a lo n e** I had valid leases at 42nd Ae Capitola, CA, and Salinas Karen Dr, Salinas, CA, and CasaLinda Apartments, Corpus Christi.*

42nd Street Capitola, CA

> At 42nd Ave Capitola, William Ruiz stole my motorcycle jacket, at least, from my room, and moved the chair I normally sat at to falisify his identity as mine in an impersonation, also shouting abusively at me about what a Nazi scum piece of shit I was we we had never talked politics even once in the short time we knew each other.
>
> He also faked my voice by this method. He lived in a two bedroom condo advertised on Craig's list I moved into on an ongoing rental leasee, handshake, for the unused bedroom. I had been camping for weeks prior to that. He said, as though me, "It sure is nice showring after not having had

showered for weeks!" setting up the sound of his voice as my while he also had stolen my clothing.

Evidence exists of this including a recording of him.

Karen Drive, Salins, CA

In the next rental in California these plain clothes police backed harassment schemes continued and were even worse.

Clothes were stolen (my lap swim clothes and goggles) and Jim Volckelcka said to me things that applied to me rather than him. Jim Vokelcka said to me "I had taken the Military Entrances Processing Cenet ASVAB Test but decided not to enlist and did the same thing privately."

This applied to me. I had taken that test in Oakland California, scored so high on the IQ piece I was questioned about cheating before cleared, offered Naval Inteligence Service Cryptographic Analyst or Flight Fire Control seat.

In my private high tech life I did a lot of work on cryptographic technology in network security.

All Together Now

In **both cases** (of these two recent examples of the harassment) I was framed as being a sexually knowledgeable naive boy who like preschool children needed to learn about female anatomy and this frame job of me continues in public and out of me control.

this housing activity seemed to interpay with the healh club I was in at the Capitola and Salinas locations, mirroring the Gold's Gym and other health clubs, also staffed by US Marines.

Gyms and Health in the Monterrey Bay Area during this

On hikes and in the gyms planted females, including teens, made bizzare and uwnated inuendo.

In gyms, as usuall, black former marines, no white women, scum scuzzy

looking people flooding the gym for and keeping equipment I needed tied up, and pretend coaching or pretend workout partner with me.

As always I had to take the Tmobile chip out of the phone to prevent disruption of PLAY of music when women were in the area, which caused me to have to press PLAY again.

As I took the chip out what happened instead is people, mostly women, I did not know would get on treadmills next to me and start waving their arms around as other women were near me, all of which was distracting and out of my control.

As I told Jim Volcekla of Salinas Karen Dr KinkBnB I had done thousands of BDSM scenes in the Goth Fetish Industrial scene, including observing scene for safet as the backup Dungeon Master at the most famous club, where I stil have VIP For Life membership, was the houselave of some of the best known dominatrices including of the club Bound (Athena,) and had an old horse farm Concord CA residence with attached barn which furnished as a dungeon as was every room of the house, and repeatedly through 50 to 100 people orgies and oversaw them for safety including observing penetrations and insuring safe word observance, and I had a live in slave at that very house name Meridith who was under slave color to me.

None of this harassment, assault, or defamtiono of me, in my leased housing, has any legitimacy.

This sexually assault of me police brutality of me is what keeps me homeless.

My rent on Salians Kink BnB was 600 per month I should have lived there with my motorcycle, my car, my 2K per months, my book revenue, and my mothers trust fund.

And my white wife who I would double date with in Montery County with joining Jim and his wife.

Free from diabetes, outdoors, and healthy. This is what the government had to stop at all costs, and it did.

2014 Arlington Sport and Health, taken over by blacks

Gym access was hard to get. When I had $18,000 in unused social security as well as my regular social security monthly amount, and a family trust found of $160,00 for medical and similar use, it took over three hundred email and other attempts to get a gym membership, valued at $50 per month, this when I had an A1c of 13.3 and I showed to everyone.

Diabetes is going to be the cause of death, and the further I fought to get healthy, the more the conservancy has fought against me, including from within the gym.

When I die, certain problems related to the Donegan family line get eliminated.

So the question, "What harm does this all do?" has this answer

Unwanted parties tied to my brother have been trying to, and acheiving, the circumstances of my homeless celibate death, and this is achieved through the creation of hostile conservatancies trying to bring about my death by proxying for me to undermine my life.

Switching Jim Volcelka's Pez Dispenser for mine seems to have been an Obama family request and I think I now know why.

Moving my family DNA into the Obama family line and ending Jim Donegan's family line.

Forcing me into indigence

I never asked for SSDI nor a trust fund.

My brother, backing the Naiontal Institute of Health, to my mother, organized both.

Illegal criminal harassment of my rights (by my brothers proxy of me) to live at these places, and not retardation housing, forced me out Ballpark West and other normal housing.

Exactly what my brother wanted, hostile to my OWN situation, but favorable to his Obama connected goals.

It was retardation services who illegal forced me out of my legitimate lease thus I could be forced into retardation housing, them further racketeering me into THEIR services diminuizing me.

My car seemed to break down (a black male was in the car who did not seem to work for the autoshop I had it preventive maintenance serviced at,) a black female seemed to be stalking some way as I bought the fuel service additive, gays seemed to trash my phone calls as I made inquiries, my right to lease was twice disrupted.

I think the purpose of people interjecting themselves into sabotage, conspiracy, against my human rights is simply to enslave me into social services, who, by proxy of me, are merely sabotaging me.

Some of the sequence of events here is useful to note again.

I made sure the ARC of Northern Virginia were not involved, thus not in position to block anything from my moving downtown to the capital of Texas in a University Town of High Tech USA workout in the best bicycling town in the USA.

Everything SJWs would never permit.

It wasn't just that those two moves to Austin were undermined, it was that after that a tree seemed to try to destroy my apartment, in my absence during Hurricane Henry, targeting my apartment in particular.

Retarded black females in need of human dna kept saying I was or had signed up for their social services allowing them, per the agreement, them to speak and act for me.

I have for twenty years been saying absolutely no way does anyone speak or act for me.

Donegan,

The Trust Department received a disbursement request from you to pay Highlander Motel Arlington the amount of $736.19.

After review by the Director of Trusts, this request was disapproved. As the end of November 2018, we received $17,000 worth of disbursements, half of which were hotel fees. Our recommendation is to look for permanent housing. Below is a link to the Arlington County Housing grant information.

Idola Polis En Parentis Loci

For the NIH and Obama Admin to racketeer the value of my geneome (and who does know it and will not disclose it to me) and pass it to White women it is necessary to make a publicly visible spectacle I am mentally incompetent, a spy or terrorist, thus medically and legally gaining control of my genome rights, and I must be sabotaged as somebody who can not be near white woman, or whom white women, potential partners of mine, should avoid like the plauge.

It should also look in public like the people racketeering me are actually daily living and business partners with me, though as I confront them in public they reveal the truth, their statements are in my vicinity and seem to be a connection to me but are not.

Creating Fake Records

Time	Place
My residence but I am not at home, aka breakins	Architectual Analogs. Instead of impersonators breaking into my residence or evidence plants at my residence, impersonators use sound stages of other apartment units with same layout as my own apartment floorplan.

Not Naive

Rape and Human Rights abuse by manufactured evidence In researching laws of rape and genocide I found what is the probable legal pretenses (and legal pretenses are not defenses against criminal harassment charges) used to Conspire Against My Civil Rights, including sexual, associative, reproductive, news-gather and speech rights, and other rights.

Information Dopplegangers of me and staged photos out of my control create a manufactured evidentiary basis that I am sexually and mentally incompetent, not qualified to be in the presence of real adults who would exploit me. Then, on that wrongful classification, self interested and abusive conservancy conspirators against my rights and gains (wrongfully) my enslaved status to their unnecessary services.

A person identifying herself to me as @_simplycat_ at Kind BnB house residence manufactured such evidence, in conspiracy against my rights, as Jim Volcelcka did.

Among Simplhy Cat's acts. Framing me as a shower peeping tom, framing me as inerested in and needed sexuality lessons for very young girls.

Jim and Simply Cat in joint act. Accusing me of beeing a peeping tom back at the houses when they knew I was walking their dog normally elsewhere.

Among Jim Volcekcla's acts

- Telling me things in vauge ways I already knew or said so that later it could be undermined that I said something knowledgeable and aware. For instance, when I responded to the news of John Machain's death as Death In Name Only, much later Jim Volcelcka said to me that similar thing. Also after I made modifications to my motorcycle such as a pouch I had already bought, he after that gave me the advice to do so, undermining that I had already done so without his unnecessary and later advice.
- Faking my voice ID by saying something I would have said, likely so he could later say something intellectually or sexually incompetent to Mistress DeJa Vu, who it seems they Jim and Simply Cat conspired to impersonate me to.
- Shopping for size thirteed boots and guns online (simplioy cat) though I think I was the only one of the three who wore size thirteen.
- Saying something about the sale of a book and price which was weird.. I never heard back from the intended sale my book but the money may have been embezzled by identity theft and falsely opened Wellls Fargo accounts in my name but not reported to me.
- other acts

In Jim Volcelcka, a more or less Reagan Republican, was a thank you picture signed by Barrack Obamam

I have reported this to the FISA Court as acts of Jim Volcelka and others in a continuing illegal conspiracy. I will continue reporting this, William Ruiz, and others to U.S. Domestic and International law enforcement authorities,

MKULTRA and DIA CIA US Marines use Counter Intel powers to sieze the

most basic of my human rights

The below pictures are the standard of a ploy which began around at least 2006 or so with Veronica Hoffman.

The basics are that I am around someone, someone I contacted (Veronica Hoffman though she dropped contact with me) or someone I don't know approaching me (a woman here in Yoga pants riding on Metro and literally putting it in my face invading my space) and doing so very suggestively.

I look around and there is the Harvey Dent figure, a military or skid row looking black, often non-english speaking. I ask him who he is in friendly conversation. He is from Ethiopa and on a study trip to Georgetown. He has a Catholic like wrist band on and is reading from an article that looks written in some African script.

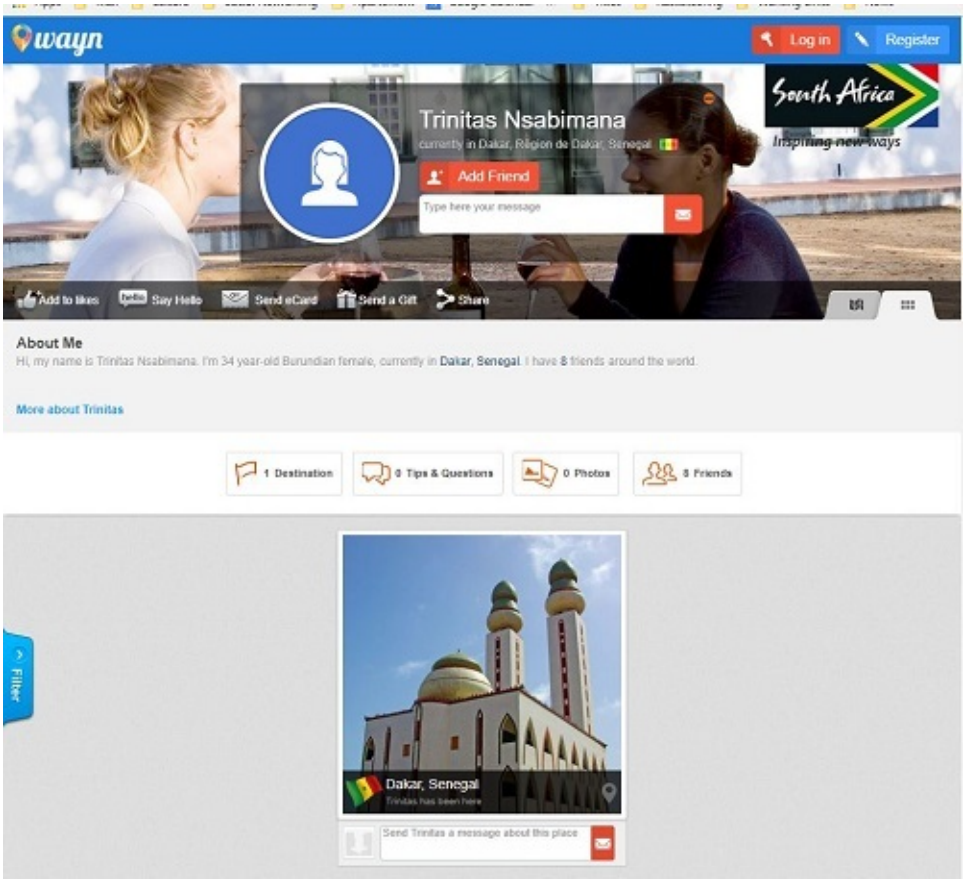
Further away are some females, often one white and one non-white who sometimes appear to be some sort of sociology tied people.

I didn't see one on this trip but usually when this happens, which is whenever I am in public, a person dressed like me will have an interest in the female and the parties will then bifurcate from me and I believe the person dressed like me will take over my identity.

BLUE

People like Trinitas Nsabimana of Africa, Obama and Tom Donegan connected, seem to be put in place at places like ARC of Northern Virginia to arrange something with the blacks or sometimes gays, who may wish IVF rights based on some patterns which seem to occur.

Note that if this use of foreign nationals for activities inside the U.S. are part of RICO for sexual results (semen) rights for Africa this could and likely does tie for foreign use DNA theories I have asserted as the Judge Roll and Justsice Scalia murder motives.



CIA contractor illegal irregulars were used to kill Jen Moore and to assault me, drawn from Social Services Agencies (who are in a RICO scheme embezzling genes rights and the value of genes they do not own) because she and I were uncovering and reporting on the RICO scheme, its black budget coming from violent crimes connected racketeering.

All of this is achieved not as real counter intelligence activities counter intel is empowered for, but instead, a financial and sex trafficking ring including rape, murder, arson, and coverups

A Blind Conservertorship was created without Due Process to me and without accounting to me.

This State controlled and created Conservatorship "nationalized" (enslaved) me in or through NDAA-like powers for an international criminal organization to succeed in MKULTRA plans throughout the world.

Fraudulent acts before the Public

Acts of Fraud

- In public people who are complete strangers to me deny any connection to me put on public shows of being my daily living advisors and coaches by saying things to me which are pointless and unwanted.

  Example. I ask one question of a store clerk, a stranger near me asks a question as "another question .. " thus trying to associate herself with me and my first question.

- Items I am shopping for pause near me, such as cars or campers. Vaugely, it appears I am associated with this, or statements made in my vicinity about business relations. These are public shows out of my control staging events around me which are mere illusions.

  Example Chris Lloyd makes a comment he bought a porshce. He also send me a pic of the house I grew up in. No statement is made to me, at least the REAL me, regarding these things. It may be potrayed to others that I had somehow approved that or any other use of any money. In fact Chris Lloyd directlyl denied any business relationship to me at all, none whatsoever.

- PizzaGate - Roving squads of scam artists frame me as a stalker seeking to expoitively view women, the real motive for any of me acts. In fact I did not "buy" or "own" anyone, whatever any illegal conservancy of MY human rights was invented. Supposedly I was picking women out for something, I don't know what, probably the polimorphous pervisity DoppleEd wants in place of Human sex, when my music went from Play to Pause and I had to reach to my phone to get the music playing again. When I took my SIMM chip out people stood next to me and started hand signliing when women were near. This was never me signalling anything. Any agreement of me to any of this was mere illusion, forgeries of my agreement by impersonators wrongfull people speaking for me not authorized by me to do so.

Sigma Squads in the Gym and Elsewhere

Blacks, often Ethiopians or others, surround me and move white women away, normal white women, asking if I am ok, thus asserting I could not handle the presence of the attractive white women in the flesh, then a fake target fo my affection flahses me and an impersonator of me will have "cyber" with that woman in ErosX replacing me with crossed wires, rather than my dick entering real women.

My DNA is being forced accross insecure lines.

PizzaGate

Pizza Allegedly Ordered

STAGED Impersonators (cutins) will have "pizza" from normal places I am in. As a women happens to be around me I will get some weird phone disturbance such as automatic junk advertising call, often from Texas. That's the real me but someone dressed the same as me will follow that woman away with blacks documenting the impersonator as me to the BC	Blind Conservancy operated by self-interested medical parties and self-interested pruritent parties, The State, The U.S.
Me (cutout,) not a party to any of this nor informed of it nor giving my consent. I am cutout. It is only *illusions* I am buying pizza, staged deceitful photos. It is only *illusions* I am getting an accounting. Vauge statements strangers publicly make to each other next to me.	
Conversations in my vicinity, though not specific statements to me, vaguely regarding business like things, creating an appearance some account of all this is being made to me, though as I confront it, denials their conversations are in any way related to me.	

Pizza Allegedly Ordered

1. STAGED Impersonators (cutins) will have "pizza" from normal places I am in. As a women happens to be around me I will get some weird phone disturbance such as automatic junk advertising call, often from Texas. That's the real me but someone dressed the same as me will follow that woman away with blacks documenting the impersonator as me to the Blind Conservatorship.
2. Blind Conservancy operated by self-interested medical parties and self-

interested pruritent parties, The State, The U.S.

3. STAGED appearance some account of all this is being made to me, though as I confront it, denials their conversations are in any way related to me.
4. ErosX is completed when I am blamed socially for the staged manufactured acts, thus kept celibate. The State has taken over my sexual reproductivity and replaced me. To keep involuntary racial transfer of DNA underway the conservatorship rather than I must allocate my DNA. Since I can not be forced away from white women I must be Rough Noise assaulted near them or white women must be convinced it is in my interest they move away from me.

The PizzaGate scandal appears to be that unwanted unneeded retardation services (ARC of Northern Virginia) were setup for me, over a long period of time, at least 15 years ago, when impersonators of me will give away DNA because I am caught being a peeping tom, something Secret Service tied to the Bush admin in 2003.

I alerted Fox News there was a security threat at the white house as a poetry scholar planned a disruption. At the same I had email a domina about being published over a shower cam of someone who could have been 15-25. Secret Service / Wells Fargo may have been involved.

Jen Moore has descsribed this stolen organ scenario, blacked out and woken up to blackmail, and Veronic Hoffman and I have scene this unfold with IMPERSONATORS of me.

For instance at KinkBnB I, repeat I, was framed as a shower peeker (like at 42nd Street) but an impersonators, in both cases, faking my voice print, will be blackmailed, not me.

Or the impersonator of me will make terrorist or foreign intel comments to the erotic entertainer and then IQ related or other genes related to retarded children advocacy can be seized under the NDAA or FISA Court activities. I believe this tied to my family genome, disrupting my sexuality in the U.S. and planting me DNA into non-whites.

This scheme appears to have been created for non-whites to use impersonators of me to give my DNA to non-whites which I would not, to Christian groups which I would not, and for Non European groups which I would not, thus replacing me

in the bedroom to force different racial, religious, national, and ethnic partners for use of my DNA.

Nothing could be more offensive to Human Rights law in the US or in International law.

The scheme uses covert operations in a scheme I have called ErosX. I meet someone or an near someone on the street and an impersonator of me will later in some way pursue contact, perhaps electronically, with that person.

Circumstantially it will appear I continued or started along a path of contact with that woman or teen. Something will be said to me which I begin to detect as a pattern and reject.

For instance for a while at normal points of sale where I am doing normal purchases an unwanted layer is added on, a claim code words spoken to me which have no meaning to me supposedly add an extra transaction onto.

For instance for a while people said “Happy Birthday” to me out of the blue, unexpected, and low and behold, an impersonator of me was later detected in San Francisco getting “pizza” for my birthday in San Francisco when I was in Texas.

Other times people asked me “how many CC is your motorcycle?” or said “we aree out of ice” or used the world “hon” to me.

These circumstantial things when I am out and about doing normal transactions during the day are poisoned with meaning they do not have by impersonators agreeing to the meanings I reject, thus forging a a chain of events I am circumstantially tied to.

This is called “cutouts” in cover ops where my non-participation in the scheme is cut out and a person’s (an impersonator of me) willing participation, away from me, is cut into the case file supported by corrupt law enforcement our counter-intel people.

This scheme has been used on property as well including cars and housing and much of has links to Chris Lloyd of Orinda, California, not to be confused with Christ Lloyd the sci fi actor.

Chris Lloyd and Lenny Schaefer and a few others took me to a massage parlor on my 18th birthday in Berkley, CA, Chris Lloyd is tied to genetics research, and Chris Lloyd has a daughter working for Genetech, and Chris Lloyd has made circumstantial physical property comments to me such as house and car purchases as if I had “approved” them when he merely mentioned them without and substantive meaning.

In college Chris Lloyd, I, and others could purchase cocaine from the food cafeteria of University of Oregon by purchasing a candy bar and paying $26 or so and a quarter gram would be passed under the candy bar handed across the counter, if we said the code word at purchase.

Chris Lloyd writes Edward Paul Donegan

Rape and Embezzlement through Conservancy without accounting

My belief is though I have not received payment or accounting sham representation of me is allowing embezzlement and mismanagement of my life disrupting my own life.

Retarded Children's Of Northern Virginia, et. al,	
Socialist Workers Party Theory, disbursements by Conservancy destroy right to contract for housing, consent to sex, not support	RICO side. Embezzled

these, enslave to ARC Conservancy through financial and other abuse. Impersonators of me in this table are retarded and sexually naiive	money used by spending impersonators

Centering On Genetics

* Chris Lloyd, former high school friend looking for deals to make as sort of jobber of putting people together under financial stress has several new businesses tied to genetics himself and also has a daughter who works for Genetech in marketing.

Chris Lloyd and a few others took me to a massage parlor in Berkekly CA somewhere around my birthday in high-school. This seems tied to PizzaGate and what Tom Dunham found independent of knowing this or my birthday. Tom Dunham noticed some covert identity theft involving him and me and it was tied to a masssage parlor in San Francisco which he noticed on Nov 17, where DNA might have been given away by an impersonator of me.

* Online impersonations of Tom Dunham and Ed Donegan are similarly retarded and schizo, their single cartoonist creating Scully and Mulder-ish Tom Dunham and Batman-ish Ed Donegan .

These impersonators of me seem tied to Gloria Donegan, Genetech, spaceships, and aliens, Prophecies style and "new organisms" being created.

* Andy Ellington seems a relative of Joyce B Ellington who interfered with my lawsuit over this and Andy Ellington is a far leftist DOD CIA genetics contractor in Texas per his own online info.

* Evidence seems to exist I am the Manchurian Son and white women have always disappeared from around me or clicks have formed to trash me in dating or downtown life scenes. This has always included anti-white hostility which blacks preen in even as they are the frame creators and aggressors. This is racial in nature.

* A slew of deaths related to birthers and Obama family DNA most likely.

* Tom Donegan seemed to hide my mother's DNA taking her hats, etc.., and seeming to erase her family history.

* Homeless people being told by others that if they have my DNA on them even from anything I hand them they might be killed, so avoid that.

* In Texas and in Judge Roll case and other matters my mother's DNA and Trust appeart to be under siezure attempts covert to me.

* Blacks in my vicinity or others claim they are entitled to me semen, DNA, or thank me for it as I continue to tell them I a racist and if they have it I wanted them incinerated.

* I have been vilified, stigmatized, and framed, and mus-charactarized and prevented from living in bright lights big city with white wife and child, and the US Marines have a military mission to stop me from having a white wife.

* At the time all this was going on and Christians were talking of breaking my mother's will behind my back they said "Obama is coming to visit" and Obama would have a genetics interest in this if other items on this page are true.

* Information related to Obama seems to indicate breaking some eggs, perhaps mine, to make an IQ Omlette in foreign missionary orphanages.

Fighting low IQ in other nations with siezed Donegan semen or genes would explain info online about both Judge Roll and Justice Scalia as to orphanges genetics work.

In regard to schemes breaking my mother's and my own will, Retardation Autism group the ARC of Northern Virginia is mismanaging her will for their self enrichment in meeting their supplier goals.

* This seems tied to Tom Donegan, Rod Rosentein of National Institute of Health PHS Social Justice work, perhaps still tied to foreign orphage works.

* This plan seems to tied to new discoveries of IQ genes in Africa.

* The timing of my birth and Obamas, and a strange set of impersonator (Bernie?) occurances at AOL Netscape comport to Obama children IVF.

* From what I can find online it seems PizzaGate is a scheme in which circumstantial evidince I am ordering pizza when I a not that later an impersonator of me can forge a deal with that pizza for my DNA to be given over, likely as punishment for what I was circumstantially framed as having done and does not represent my interests or activities at all.

Why would this be going on for any reason other than that?

Wipe My Record Clean

In my San Francisco days, decades, I lived in the Goth Fetish Industrial scenes with little problem.

Looking back, there may have been some lurking. At AOL/Netscape where I worked with some friends, Professor DeSade (Brian Clarkson and his wife Cym) I also had a co-worker Tony who seemed to be similar to me in affecting things I did like carrying a particular folio with me which I depended on.

This was a around 1999.

At the same time a second Ed Donegan was discovered on the AOL payroll when a while into my employment I noticed two cycles of pay checks causing weekly rather than twice a month pay.

Though I was fired from AOL Netscape and simply moved on a more common and noticeable pattern began to emerge of overt stalking

I reported these things to police to no affect and even checked into some hospitals at the time, on drugs and suspecting paranoia.

I would later, only vary recently, find out former friends of mine from San Francisco were also affected by some type of covert operations as well by "spook" types with names like Don Johnson and Harvey Dents.

This was around 2004 when covert operations surrounded in San Francisco when I met Veronica Hoffman at a swinger party and later at Bondage A GoGo and a trip to see her in LA fell through as spook Harvey Dent ran ErosX with her on the LA side, have cut my contact with her off through behind the scene manipulation.

It is that period, 2004 on, that I have reported stalking to police and others and even at time, like Veronica Hoffman probably believed at times, thought it might all have bee in our heads.

But I knew I was rational, I just didn't have sufficient info of what might be the affects of the drugs I was on and sort it out from from real black opps

harassment.

I now know it was "really going on" though I could not prove it and I knew that most all the time when institutionlized and I watched health care workers use impersonators of me in the institutions which shocked me, but that gained the negative findings the health care system needed, probably CIA or DIA backed.

Noticing a racial element of odd activities surrounding me I looked at racial issues in the US and in my opinion, I blogged about, blaming whites for non-white community problems overlooked minortity sources of the trouble, such as culture and lower IQ rates.

My brother openly fought against my competency in those matters and later in part politically motivated, and this led to my arrest by the National Intistute of Health genetics teams who also had prison responsibility to judge my criticism of them as mentally competent or incompetent.

With my brother backing the Government genomics position I have unable to enforce my rights as competent and this has left me vulnerable, perhaps, to those very geneticists who now or before wanted to claim some aspect of my genetics in some international racail way.

There are several stories I can tell regarding my brother's influence on my pschiatric diagnosis. I was seeing Charney in Virgia following NIH release and my brother went to him, behind my back, with NIH report he himself participated in generating, also then behind my back, got a negatvie conclusion from Charney, then distributed that letter behind my back to family and others.

This has been the pattern of my care including from Arlington Virignia mental health services upon which he was on the board. My mother once left frantic messages how could the county claim I was crazy when I was not? Well call Tom she said! Yet he was on the other side.

So I have had a difficult time protecting myself from conservancy my brother has been working with international actors to create and administer.

What I am now doing is showing Tom Dunham, Veronica Hoffman, Kevin Edwards ex-wife, were indeed being stalked, surrounded, or engulfed in a covert operation and our fight against it should be vindicated and our disparaging records expunged.

What's In A Name?

Harvey Dent, Casper, Don Johnson, DaAssRaper, Cahill, Theo, Thea, Skylar, Letheria, and other names have made up the cover story of Marshalls, state actors or others who claim at with some consistency they are DOD hirees, some workouting out of a CENTCOM facility in florida, some working for private DOD connected labs or activities including CIA funded ones such as Andy Ellington or Genentech are connected to.

Thse are black ops supported wetworkers operation on a racial rape system.

Take DaAssRaper profile

- Baltimore Playhouse
- Black Women / White Men
- Social Justice Coliseum of the Demented and Absurd
- Spankings of Southern Maryland
- Training of a Dominant

DaAssRaper is in the same location DOD CENTCOM Florida area my agreement is being forged in a 1st Century Christian BDSM facility, Temple Vesta, of the Vestal Virgin, while I am Stoic Pagan Epicurean and hedonist epistomologist who's era was suppressed by Christianity.

He is also in Rod Rosenstein former location Bethesda Maryland of the National Institute of Health were DNA work is done and I was wrongfully diagnosed incompetent on a matter still missing fromm Archive.org though it allowed CIA backed conservancy of my DNA

State Actions

Tom Dunham and myself and at various times Veronica Hoffman have reported black opps only to have these same State actors, already in illegal racial rape, discredit our allegations in the mental health system.

Use of the medical system for inter-racial rape in a wetworks conspiracy is a war crime, dispelling stifling dissent of this program through the medical system, a super-power of the medical system, is a war crime.

Using sexuality to humiliate atheists as Black Christian African interests seem to

be doing, turning Atheism into Christianity, is a war crime, and using a ethnic rape scheme to entice law and enforcement and military into war crimes is itseslf a war crime.

Yes Donald J Trump the Rome Statute applies.

Cutting out my leaving the gym alone with someone leaving the gym with an impersonator. Forging my agreement

I email Mistress VivianNYC about scene resources, housing in NYC	Someone who looks like her is in my vicnity in the Gym in California	She will follow IMPERSONATOR OF ME from the gym who will forge my agreement
Substantial evidence	Circumstantial	SUBSTANTIAL
Non Inculpultory	non inculpatory	INCULLPATORY, cut in by cops
Σ INCULPATORY	Σ INCULPATORY	Σ INCULPATORY

Above: An Unmasking FISA Intel Assets Siezure.
Below: What Defendant Would Say

I will leave the gym alone to no tryst
Substantial
Exculpatory, cut out by cops
NULL

For this to work it is presented to FISA Court, Counter Intel Asset Seizures, or corrupt misrepresentation of me who will NOT challenge the cutout usage or result of the cutout

The 3 Gates

Harvey Dent will be the black Batman idiot character who will create the cutout created report.

- Dumbate: Tom Dunham and myself are children, sexually incompetent and exploitative, and playing detective in a Schizo Effective way as we assert we are being famed. (This serves to enslave us to Mental Health and also discredit our counter-claims)

  PizzaGate: Tom Dunham and I are hiring teen prostitutes or others when in fact our impersonators are, non-whites, who are caught hiring pizza by black Harvey Dents, the real seakers of prostitutes

- GothGate: Harvey Dent and other non-whites will need to infiltrate gun buying Goth scenes and see what it is like to smoke meth among them while being non-white Masters of Zen Natural Law Dominance

All three of these work together to embezzle my genome, "cut my balls off" for non-whites to "fuck Jessica Simpson" with in Racketeering non white ethnic Goth scene infiltration.

The Disinformation Layer

The Disinformation Layer - Someone claims I am order pizza and even tries to insinuate it to me in ways, if I detect it at all, always deny
The Information Layer - actual layer of my daily life. I am going to the gym or anything else that is everyday life

Metropolitan Center Shopping Mall

The Disinformation layer is a false construction designed to rape me and physically and sexually assault me by claiming my ordinary acts can be painted over as something else which they were not.

At Metropolitan Mall I lifed my phone at the Foodcourt to read up on the Rome Statute as I dined alone. Some muddy filth non-white family was near and a Harvey Dent black male with a Batman insignia jacket was on.

Some people seemed to be watching, possibly sociologists. As soon as I lifted my phone to read the text of the Rome Statue on interracial rape, some disgustig kid about two years old start dancing around the front of my phone as I complained and finaly I threw my phone to the ground in anger. It happens all the time.

The Spy Game

In the movie featuring Robert Redford there was a line I found interesting.

At the spy meeting it is noted that some assets were used to achieve the plot's goals, and now that the need for the assets was over, they could be eliminated to clean the trail.

Bipolar is No Shit. This was Harvey Dent covering up and defaming Veronica Hoffman who saw an impersonator of me and also Bobby Courtney who impersonated me to a strip club woman on behalf of City Hall Corpus Christi where he told me a Hispanic gang was operating out of.

White Collar Engineer Tom Dunham and White Collar Engineer Ed Donegan impersonated by homeless people

Dan and Donald, homeless mentally retarded people tied to the ARC of Northern Virginia and tied to impersonations of me create the impression to others, non-retarded people they have contact with in my identity, that I am retarded, a cat torturer, do not shower, etc.,

The online impersonations of us are just the same, Moron Batman and Moron Scully and Mulder.

Upward Toilet Flush in Golds Gym and elsewhere

Dissinforming the Eye via Editing and PlantStories

For a while I was thinking about Islam and whether the camera had failed, all of this happening in front of the camera, so outrageous, so illegal, and so uncontested

But the real issue has been lack of Due Process, the police and military Stand-Downs from the rule of law, and diss-informing the eye without me present to face the "accuser," manufactured staged photos.

This has included patently false planted PsyOps stories which speak the opposite of truth about me and in effigy, thus not easily refutable.

I have lived to see the end. The feecesist dirty worthless cockroach upchuck of black filth in world history, at its most ghetto, drug addled, and filthy.

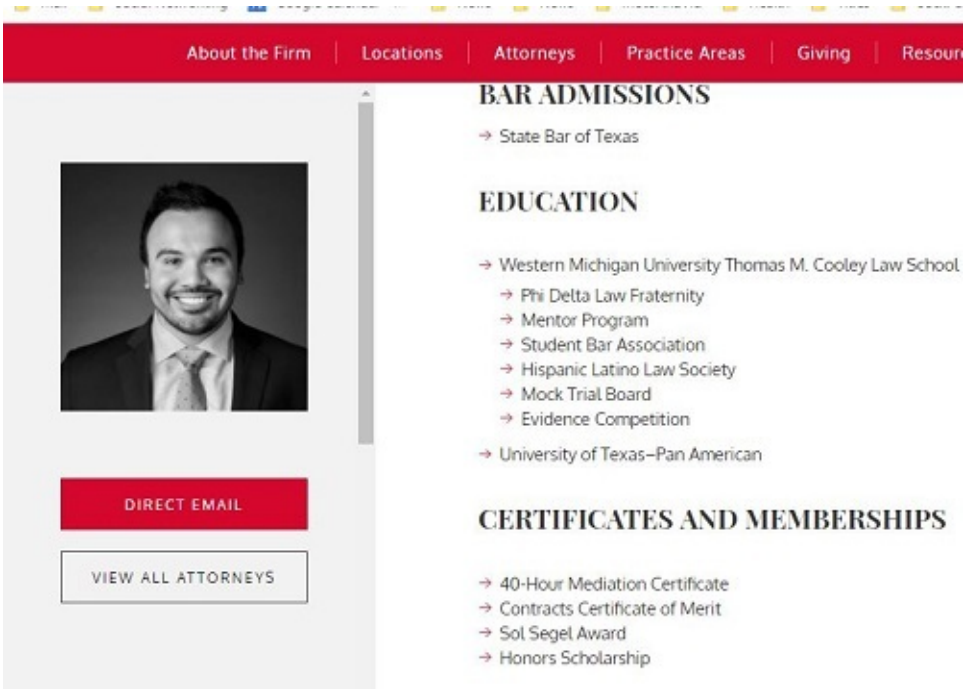
And with complete impunity and the public's co-operation all around me has blackified into this feces pit and there has been no stopping it.

The JamesCameronBreif

On an around the clock basis I am a work-in-progress unwilling actor in fiction being made about me.

People trying to capture my voice saying this or that word, people saying unwanted things to me non-sensible or wrongfully sugestive in the moment, or other using lines I would have spoken yet are spoken by the voice of others thus creating a fake record of what my voice print actually is, likely so later I can be impersonated saying lines I would not have spoken.

TJ Henry



I called TJ Henry and they refused to let me come in and talk about my case and they even seemed to say lawyers were not allowed to take my case.

In fact they repeated sent letters insisting they did not represent me nor would they ever represent someone like me.

I was transferred to Cadena for that statement from him.

The did represent my guilty cutout though, and ran PsyOps ads clearly tying the REAL me, not guilty, to the acts of the guilty cutout.

This continued in the "free press" despite my protestations.

What Cadena would represent is the cutout of me.

The Medical State

Cadena practices in the 40 hour Mediation system, replacing Due Process Law where people are sworn in before a judge, etc. with Yoga Matt sessions among behavioral health.

It is my opinion the CIA backed illegal/no Due Process creations of conservancies of me, based on false records of the real me, so that CIA backed

conservators could, without accounting to me, embezzle economic and biological property of mine for their various uses, internationally, ,and as wetworks and party slush funds.

The Doppleganger, the cutout that replaces the real me needs Mental Health conservatorship, wants to be celibate and not around White women, but does want interacial children.

This holds me alone and racially sterile while the Medical State rapes me inter-racially.

The Medical State can

- Subdue me on the gurney
- Rape me for my DNA by new means
- Suppress my criticism as delusional

The ARC of Northern Virginia

The cutouts of me were Dan, Donald, Bobby Courtney, and others, retarded people or disabled or homeless people.

By ARC of Northern Virignia having mental health patients impersonate me including in the legal system I become enslaved to the ARC Of Northern Virginia services, at least in effigy.

This creates the ability of ARC of Northern Virginia to buy retarded me Pizza and pay for it with my DNA.

This is accomplished through impersonations of me though, not the real me. These impersonations are illegal since they use my identity and create claims on or against my property including my DNA which will be used interacially with the consent of impersonators of me.

Andy Ellington and CIA DOD Labs

When I attempted to sue over this cluster of CIA Casper the Ghost activity it was disrupted by the CIA, impersonating me and phone freaking me the day of my hearing with Joyce B Ellington who disrupted the lawsuit.

Among the things I was suing over was the CENTCOM conneted BDSM Cutout -H location where inter racial rapes occur.

Sock Puppets

A ring of mentally incompetent and sexually incompetent impersonators of real me give away DNA rights to Genetech and the California Llloyd family embezzlers

These online fake social media accounts were created by black opps to be the cutouts that are substituted for Tom Dunham and myself.

What you will see is Little Bo Peep references, delusions of Batman and Scully and Mulder, and other childhood schizo phrenia including alien and genetic abductions taking place, at Genentec, regarding Gloria, likely a reference to Glorian, my mother.

Fake Tom Dunham (the sock puppet calls himself Tomas Dumas Dunham) has Schizo Effective Disorder and believes himself in a Xfiles episode.

Fake Edward Paul Donegan (the sock puppet uses various names like Edward G Donegan) has Batman movie delusions. The US CIA and DOD have killed many

including Veronica Hoffman who like me were tortured by misuse of the Psychiatric Hospital system to paralyze our lives, discount our allegations, and torture us over our outing their scheme.

This includes by Doctor Tim Kelly of UCSF. In all cases sexual deviance, incompetence, and Pizza Gate are alledged because of the acts of the impersonators or break ins.

CIA Contract-Signed Wetworks killers based operating in Texas

Texas has some CIA DOD Labs (Andy Ellington) which operate on CIA contracts.

As I was told by several the CIA has been hiring contractors. Some who told me of these contracts said the contracts were giving to Hispanic gangs and others and these contractors had Coprus Christi City Hall support.

Further, these people said it was similar to prion break-out and drug running movies of people hired to operate illegal CIA programs as illegal assets but Government support.

This has names like Letheria, Harvey Dent , Casper Spooky, and others who have bee hired from skid row and long felony records, often with long ago Vietnam, coast guard, or other service, and now after being classified as Disabled are recruited from Social Justice agencies who utilize the for illegal operations.

The funding for the contracts come from the value of my genome, not disclosed to me or reported to me, but used for their Weekend At Bernies parties for impostors of me, and these people also use my genome illegal for themselves.

Illegally keeping me from my own family and wife keep them in theft of my genetics assets.

The names used by these people and the presence of the activities such as the Scalia murder and other genetics related activities as well as their statements to me and their actions themselves and the need for DNA related crimes specific to

me all are consistent with a dangerous international RICO scheme illegal in the U.S. but operating in the U.S. with some support in Government offices, state and federal.

On the streets in Austin (mulling around with homeless people) I was told ex military types were being signed to special contracts DOD like and one person I was speaking was being recruited for that.

In fact "irregularas," skid row blacks and others, were getting jobs and threating to kill me out of the blue and for no reason.

I was also told in Texas Dept of Corrections the CIA was signing people in texas for things like Prisonn Rescue of CIA as in the movie and drug running and other special contracts.

When in counseling in Arlington VA and in a writers group both Fairfax and Arlington VA behavorial health underwent case files audits and I think people like Geoff were being selected to surround me on special missions.

Most people framing me for PizzGate tend to be disbaled veterans, almost with complete consistency across so so many.

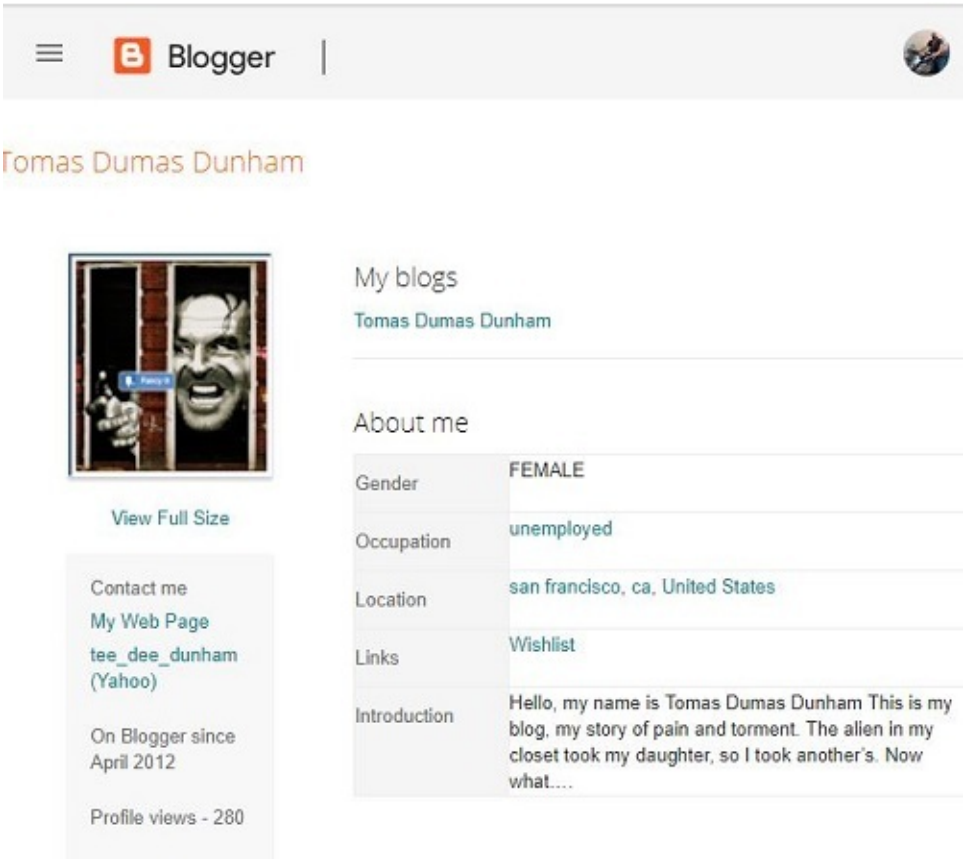
The Three Amigos

Whether we knew it then or now Veronica Hoffman, Tom Dunham, and myself are a source of synergising records of Alt Fetish Industrial Couture which have become victims of a scam.

In the picture below a sockpuppet account is a fake Tom Dunham and fake Tom Dunham and Fake Ed Donegan are dangerous psychos. What is worth noting about Tom Dunham is he is a high tech employee of great skill, Libertarian Atheist BDSM scene of electronic digital couture, Electronic Frontiers Foundation civil liberties leaning, married to an Asian wife and progressive on social matters.

But he does not preach the Gospel to his children. And the hatred these non-white deep south Gospel community have towards him is the same they had toward me and Veronica Hoffman.

The religios component of this should not be overlooked including in Justice Scalia's assasination and the religious order backing a genetics scheme.



The Three Amigos

My mother, my father, and myself, also victims of that scam, still fighting this together with all that we were and are.

My father and I always were Atheists who communicated so well, when we disagreed. Our joking about each others good shots and fun spirited talks were part of the old addage about men who had no need to say it, it just seemed to screw up how easily it was always and already there.

And there was never any doubt in either of us of our love and respect for each other. If ever times were tough between us it was just that we each had to do it seperately until it was done, but that was respect for each other and each others lives and right to live them too.

Preface

Medical Rape

The core system has been impersonators will be said to be incompetent, paralyzing me as Medical Conservancy is created (and accounting of it denied to me.)

The rape will be impersonators claiming to be me giving away actual me's DNA which will likely be carried out away from my physical body.

Military Operations will create public spectacles as though I am a participant in this.

The Medical State will suppress my ouitcries as delusions.

PsyOps mass media, passed by the GOP, will blame me, vaugely, for the acts of the personators, as will boots on the ground, creating racial sterility and racially hostile living.

The Business of False Public Health Service backed Conservancy

The Public Health Service needed access to my genome so it weaponized medicine to take the non-combatant military service, the Public Health Service, to work inside my family, with Tom Donegan and Mark Weirness, to build uneeded and undisclosed conservancy of me.

This activity, behind my back and without accounting to me, has allowed for asset seizures (under false pretenses and likely tied to FISAGATE and Judge Roll) through counter-intel, and also genes reusage in gene therapy, possibly tied to IQ and Justice Scalia's murder.

The schemes being run against my property rights need SJW services to manage my assets, secretly, without disclosure to me.

First United Methodist CC

I sat at a luncheon at First United Methodist Corpus Christi, where Soldiers For

Christ world religious services operate out of, and in the luncheon it was discussed a church like theirs could challenge people's will after their death, if their church, could better understand a person's wishes.

At the luncheon, which was vauge talk, I pointed out that, say for instance, in my mother's case, I knew my mother better than anyone else in the world, I also talked to her extensively about her wishes and that if anyone tried to divine what she wished I knew better than anyone though no one asked me or referred to my mother at all.

At the very same time though I WAS being a activlely framed inside their religious services just the same as inside Gold's Gym, and framed at Salvation Army and other places, and I was told by the people framing me the US DOD was hiringn them to frame me.

I think it was a clear and illegal plan to gain control of my procreativity.

The "Counseling" Cover Story for Espionage and Military Rape I and Others Have Been Fighting

Military Rapes in the 21st Century

Genentech and CRISPR or other systems make rape less obvious, more of an authorizations issue, and bogus phone calls (a bogus phone call arrives when a real one is alleged) or stage photos or bunko false constructions of statements can all bolster false genetic permissions to rapes carried out by the military and military labs such as those run by Andy Ellington.

Fake counseling services or other service claiming to speak for me or fake FISA Warrants are another way rapes can be carried out by the DOD

I am really in Quadrant 1 but defamed as a nutjob low IQ looser child in Quadrant 2; which, btw, enslaves me to the Behavorial Health Care System.

Claiming Defamatory impersonators of me have been turned into Real Me in Quadrant I enables the Behaviorall Health Services not only explain I am (and always have been) a normal person it creates a claim that their programs can take the morons they claim I really am (quadrant II) and turn them into my Quadrant 1, the normal person I always have been.

Penny Ashley and others fighting extremism become glammed by high tech programming and probably to think they are onto something

1) Real Me	2) Defamatory DoppleGanger
3) Mentally Ill	4) "Saved Citizens"

Behavioral Health wants to defame my normalcy, create fake retarded children rings I am not in, gain control of my assets, and move those assets, my genes and life of self learning, into others through medical and social systems.

This has been racial and ethnic attack through Behavioal Health SJW systems utilizing attacks on my Human Rights acheived through retarded impersonators of me.

The intellectual, genetic artistic, political, and other worth in me has been defamed, illegally, in ethnic violence, so it can be transferred into other ethnic and racial groups in other areas of the world.

I am a pro-Western pro Caucasian pro Epistemic Science Atheist political Libertarian philosopher being raped by world SJW interests who my worth is being wrongfully transfered into.

This scheme involves the corrupt world global movement not only conducting ethnic violence against me in the U.S. it includes a globalism based series of assassinations of government and media officials in the U.S.

It is a religious scheme involving a surface pretense, a counseling scheme which does not have merit, overlaying underlying genetic work which is where the real genocide, and "saving," will occur in secret programs ascribed to the religious SJW preaching.

The Veneer Placed over the Genetic Rape Scheme

The religious and Behavioral Counseling systems claiming I am a product of them merely claimed "credit" for my normal life and were and are hindrances to my normal life rather than a part of it.

I didn't waste time with Gospel or Yoga in my life. I independently learned from classic literature and studies of it as my father taught me to do, and as an Atheist.

One of the best examples is when I through my high tech life was on Meetup which I had decided to do to socialize and reach out, and met some philosphers discussing Hegel's Master Slave Diealectic.

Moron Penny Ashly snapped my calender entry out of my hands, which I had shown her from my organizor folio, and she accused me of being racist for going to it.

After studing for and attending the meetup, against her wishes, I handed her something on programming terms beign able to describe both sides being true, the grey area, which, btw apllies to Borderline Personality Disorder.

The hinderance she was too all that I simply ignored and handed her something that might be of interest to her anyway.

The Medical Rape System

The Veneer at Layer 1 of alleged Behavioral programs benefiting me are just imposed on me to in fact gain Layer 2 genetic property and other property of mine which will be embezzled through a variety of schemes involving staged photos joined with hacked wireless communications, etc.,

Finally, this high tech Genetech inter-racial genetics-rights case is likely obliquely refered to by Barrack Obama saying some eggs must be broken it the U.S. (my procreativity with White women) to make an omelet overseas, distributing "missiles" through the CIA and DOD

My previous other comments on Race and Genetics

Intelligence and Race

From my old web site criticizing the Human Genome Program lies about Race and Genetics

As discussed previously, the differences in general intelligence levels are significant. After the test results have been adjusted upwards to compensate for nutrition and environment, the average black in the United States, who has a 7-20% Caucasian genetic component, measures at an IQ of 85, half way between retardation and the average white of about 100, and in Africa, where many of

our immigrants come from, the average IQ is 65, 5 points below the retardation level of 70. Regardless of the cause of the low IQs, they exist and they relate very strongly to our overall cognitive processes.

In a matter relevant to Thomas Sell I was arrested and forcibly medicated for putting this web site up as a public matter, while in private Obama and others from the NIH/HHS/PHS worked to fix the problems I identified behinds the scenes with a genocide scheme targeting and torturing my family in particular with Tom Donegan's assistance in that goal.

- The Medical State medicates me
- The Medical State begins Genocide

Due Proccess violations under Medical Religious SJW DNA Deep State "enriching" their goals

There appears a Non-US World Religious Deep State which Divinci Code like built around the genetic assistance to Africa which is hostile both to my (and Tom Dunham's progressive Atheism) as well as my sexual expression and reproductivity WITHIN the U.S., possibly tied to concealing elsewhere medical siezure, , medical control, and medical use of my DNA outside of the U.S.

The Due Proccess Violation is the Behavioral Medicine is claiming to represent my mother's estate, though secretly wanting her DNA.

This was a Trust Fund account she was duped into creating through NIH.ASP of my RHEF web site.

Once someone else, friendly to IQ research and world IQ advocacy is created to pretend to reprsent ME, that open door to mismanage my DNA rights and interests have been exploitively use to against my interests in a Genocide conspiracy.

The Genocide Mechanism

At the daily life level through staged photos where I predictably am and other move to, I seem to be stalking those who offend me. Non-white, children, gays.

- This creates the illusion I like non-whites and gays undermining my white supremacist whites only sexual interests.
- Further, since I APPEAR to have an interest in non-whites my DNA then, by OTHERS, be assigned to those outside of my racial group.
- Meanwhile I am socially sabotaged to white women who would partner withe me, genetically, and in my own life and reproductivity and marriage.

Wishes

Physical Safety: I can not rent property in the U.S. because some covert ops backed by my brother disrupt the lease even before it comes to fruition.

Freedom from Human Rights violations in health care, recovery facilities, and elsehwere which are being harassed or blocked.

Media Assistance: I used to have the respect of Megyn Kelly though I believe she was later dissinformed. My preference the MSM to break my story, as in interviews with me directly, in sufficient detail, would be through her show.

Knowledgeable BDSM support

In inquest into Veronica Hoffman's death. This ideallyl would be large enough in scope to include myself, PizzaGate and Jen Moore, ,and Bobby Courtney, all of whom fit into a pattern of events seeming led by the CIA.

Request for Asylum

Political and Religious Asylum from the U.S (To Ireland)

A scheme in the U.S. has emerged, backed by Sub Saharans, my brother Tom Donegan, his domestic partner Mark Weirness (and their Agents ARC of Northern Virginia,) and Rod Rosenstein (former US Attorney for the Federal District of Maryland and the Bethesda MD National Institute of Health,) to conspire against and control my genetic, ethnic, and procreation rights.

By false (publicly faked and staged photos) claims I am

- Mentally incompetent
- Sexually incompetent
- Incompetent to talk to Outcry witnesses such as the Press in particular.

These false claim are manufactured to allow CIA/DOD and US Marines control over my DNA rights throughout the world.

Frequently they take the form (as they have with Tom Dunham) of Pie In The Face Attacks in public conducted by US DOD and CIA PsyOps.

> Pie In the Face Attacks by US DOD and CIA in Public

- *Mental Incompetence* A stranger will act out vaugely some normal every day thing I do in my life which is my normal life and I have already done in a specific way. By "showingn" me in public things like switching out a SIMM chip into a new phone (which I had done in private in Corpus Christi) the fact I knew about Contact Cleaner and other things are undermined, because someone later claimed I was a result of coaching, a claim made by vague acts surrounding me later.
- *Sexual Incompetence* Women I do not know will make a public show of saying "I am sorry" to me as they do things like intentionally step in front of my path and block me. To others they will claim I did not want women near me.
- *Press Incompetence* Strangers will Pie In The Face attack me saying things like "Too bad you can speak well enough to talk to the press."

Impersonator of me on the phone or in hearings I was not advised of will AGREE To the above, at the request of religious or SJW groups who wish to forge agreements with me I did not make, so SJWs can forge permissions from me and without notice to me.

Andy Ellington, Joyce Ellington, Genentech, and Donald Trump are also backing this illegal violation if my religious, sexual, and other Human Rights.

These Conspiracy Against Rights are covered under U.S. Domestic law and the Rome Statute internationally.

This is War Crime transfer of children and illegal as an end and illegal in means.

Using an Emblems Of Trust, medicine, to Conspire Against Rights is a itself a war crime.

This is being done through Christian charity work in world orphanages, etc.,. through Christian and medical black market workers.

I can substantiate this to Irish embassy officials in Washington D.C. if given a chance to do so this week in an appointment.

Street Level Sexual and Other Assaults

The most basic, and repeated hundreds if not thousands of times, is the Information (myself) and Disinformation (dopplegangerr) exist next to each other, and "staged" victims and "witnesses" to the event surround me.

I have one such YouTube video from Monterey which makes me look bad but it illustrates the point.

At slow predicable pace I am on my motorcycle filming the beach and clifsides from the road. It doesn't matter but anybody on the beach is about 5 pixels by five pixels at most.

A group of people then arrive in front of me in my path. A motorcyclist, a woman with her daughter, and yet another woman.

The teen daughter and mother are behind me but in front of the other motorcyclist. The extra woman from the group which has surrounded me sneers at me "Have you got it all??" as though it were me, not the doppelganger, filming the teen.

Angrily, I have been subjected to this for years and years every time I am in public, I say "Its a long way to the bottom bitch" as she confronts me.

And thus I continue to be in confrontations. Nothing is said to me later, but the Disinformation, the acts resulting from the Doppleganger, will be reported to the public, not what I saw and did.

Another example of this, contained in this book, is Soldiers for Christ or Batman sticker-ed motorcycles parked outside the gym but childishly staring in hoping for a peek.

L Shape of Information Disinformation

The disinformation generated by the person next to me, but in my vicinity, will be moved ahead of me to my next expected location which I have not reached yet. The information of what I actually did will not.

Sexual Assaults

Assaults against the real me (and likely Veronica Hoffman and certainly the real Tom Dunham) have been staged to be both vague enough to be denied in any single occurrence yet repetitive in pattern and also demeaning in a way as to me as at create “live action” photos of videos of me which match the offensive online cartoon like defamatory impersonations.

As in Oakland and other places it is the police doing it and the police will not respond to police calls regarding it.

People (involuntarily to myself) will do things like get on gym equipment in front of the cardio equipment I am already on as though to stage a photo I am stalking them. Men will grab women from around me right as my workout is due to end, such as at 29 minutes 50 seconds, so that as the women are “rescued” from me video exists of me walking away dejected, or women or girls in tight short gym clothes will line the route to the gym as though it is sexual stalking predation of mine motivating my trip the gym or anywhere else such as the store or to buy a Metro Pass.

This involves unwanted suggestiveness towards me from teen appearing women or younger, women appearing vulnerable or poorly socialized, etc, as though I am a predator.

This has repeatedly happened to me at consensual adult locations like Corpus Christi BDSM munches and a Salina KinkBnB where after I moved in small children birthday parties and showers began and frame jobs were created I was there to spy on or learn from the anatomy of young girls or that I was there to peep on or film them.

Mass Media Hysteria from Disinformation

The "information" resulting from the impersonation of me though wrongly tied to my identity (I had recently used a debit card in the area, etc.,) will be broadcast vaugely in the news, too vageul for me to refute. As a witness to the fact I was not invovled in anything, the press will refuse to reach out to me or think they did and talk to an impersonator.

Intellectual, Physical, and Other Assaults

As soon as I do anything that is normal every day someone, some group of people, will "act out" something like it in front of me, always pretenstiously, and in an exagerated way, as though pretending to instruct me by example though denying it when I confront them, at leat one hundred times I have confronted them.

The effect is two fold. It is a hot button attack on me. I have been falsly accused of "delusions" for fighting the Pizza Gate conduct surrounding me, or "delusions" for believing these people ARE stalking when in fact they actuallly ARE stalking me.

The second effect is to use the assault on me, which is offense to me, either try to inflame me into eratic conduct or simply create the appearance I am a moron in need of Behavioral Health Care.

In fact as obviously as this seems enslavement (forced into Behavioral Health care I neither need nor want) it is likely even more, the public defemation and assualt upon a right winger by the left, hoping to provoke me into assault, exactly the type of assualts planned against Trump sujporters during the election.

A Request for Political and Religious Asylum

My and Human Rights are being violated by an illegal “Special Access” (above Top Secret) level program in the United States.

This program uses Christianity within a larger U.S. racket to make “an omelet overseas.”

These “eggheads” are my “family jewels” and a seemed illegal conspiracy of racketeering the value of gene therapy in in international use. This “biotech rape” in the United States of myself, genes contained within my family line inside the United States, and using them outside of the United States while disrupting my own procreation in the United States, is the basics of the scheme.

Oblique references of this have been made in public such as former U.S. President Barrack Obama speaking of “breaking some eggs in the U.S. tied to my mother Glorian Donegan in particular and the violation of her rights before and after her death by Genentech and others.

[As an interesting time line side note when my brother was meeting with high level officials related to Obama I was under National institute of Health PHS detention managed by all black PHS officials put together for my case, and whatever was happening in regard to my detention I they refused to even tell me the alleged mental illness I was being held over. In fact concurrent with that Obam was winning the election, consulting with Francis Collins, and Obama’s own grandmother died and was cremated. My mother’s hats were removed by my brother Tom Donegan, as were family photos and family records.]

This scheme not only involves the genetic rape and suppression of me (for Christian Charity to use my genes for free in international relief efforts) it very likely involves murder and assassination.

For instance Judge Roll was asked to decide a case in which $327,0000.00 was to be seized by the U.S. Government so that the U.S. Government could use the amount for expensive overseas work. This as the amount of my Trust Fund from the sale of her house resultant from her divorce from James Paul Donegan, James and Glorian being second generation immigrants from Ireland to the United States. Speculation is he was assassinated over the case in a neuro-

research “batman” shooting designed to look like something else.

This also seems tied to GenoNueroCognitive research, retardation, and a Pizza Gate (run by the Epsteins who are retardation and intelligence researches at Advocacy of Retarded Children of Northern Virginia

[As a side note when I tried to sue in federal district court in South Texas a magistrate likely related to Any Ellington of University of Texas and US DOD /CIA Genetics labs frustrated the case and mocked the only financial info I could present, my small SSDI and 300K trust fund, not partly used up.]

This could also be tied to an Alex Jones report that the CIA killed an Autism Researcher which I found suspicious since Tia Marsilli of ARC of NoVA has an autistic child and autism research center.

This also seemed linked to Justice Scalia’s death, and at Admiral Poindexter’s Artificial Intelligence retreat, a plan gone awry led by Christians who may have ties to “God’s creatures” and be tied to group who administer the estate of Glorian Donegan and that $327.000 amount following her death. Christian and other orphanage use of CRISPR gene therapy to internationally treat retardation.

Another scheme, tied to the electronics harassment death of Veronica Hoffman by “Harvey Dent” from Africa, was ErosX in which would be erotic participants with me are setup with impersonators of me, and the impersonators of me will give away the real me’s DNA to the 3rd world through things like KIVA.

faming me, while at the same time the impersonator is “blackmailed” by the Domina into 3rd world donations as reperations for the despicable conducted alleged of me.) The use of faked FISA warrants and phony allegations of being a spy for Russia allow the government now to seize assets illegally, likely in secret courts, and thus at places like Kink BnB in Salinas government assets fake things necessary for FISA warrants or other Law Enforcement actions.

RACIAL REPLACEMENT AND ETHNOCIDE AGAINST WESTERNERS INCLUDING EASTERN EUROPEAN GOTHS

against me by the Russia FISA investigation and Rod Rosenstein and Robert Mueller were tied to the investigation of my blogging about the Human Genome Program.]

[As a side note when I did turn to the Russians for help, asking their embassy in DC for help, Donald Trump spoke the next day about a phone call he had with Putin disrupting a terrorist network. I believe Donald Trump to be a dupe. Goth is not a terrorist network.

It is European loving appreciation of Europe which also honors Martin Luther King. But like many music genres it also is in nearby fields of pagan and Symponic Goth and other music. Attempt to claim “white supremacism” of Goth allowed Trump and others to create a scheme of Ethnic Infiltration through the use of shore leave for non-white marines who would be “briefed out” at CENTCOM Act Like A Goth datchas. In fact militaries use such townships and EPW to create them all the time. For instance I went to Burning Man with Kelly Brenden of EFF internship who studied Russians and told me of Englilsh speaking Russian towns used to train Russians for Western service.]

GENETIC REPLACEMENT AND ETHNOCIDE AGAINST WESTERN GOTH ETHNIC CULTURE

Information Dopplegangers (in fact Bedroom Dopplegangers of me) are misdirecting my DNA outside of my whitish leaning ethic set and out of European/Western ethnicity and into Sub Sahara and Sub Saharans into European ethnicity through illegal programs.

Grand Juries

Kamala Harris fits the leftist non-white very relgious profile of what appears to be an Internationalist Religious SJW genetics Deep State.

Intentionally or by accident I was likely mus-identified as an assaulter of a young girl (a meth dealer remotely connected to Tom Duham and myself was likely the culprit) or other problems IN MY VICINITY but NOT me (I try to always be the good samaritan on any matter, even on drugs.)

This was poossibly a grand jury, and possibly run hostile to me on racial, gender, or other grounds which should have exhonerated me but did not. Instead, planted evidence of sexual interest I do not have and trafficking I am not a part of continue.

Further, because I an high tech, and I have used multimedia well, which I trained myself to do as a web developer, I think I can be CLAIMED to be a high tech or political dupe of Russia because of my Donald Trump support, though the frame jobs are of me and of Tom Dunham as moron children.

Finally, in this Kamala Harris international Teen Ring case I am alledgely in, counter intel seems to be invovled and Judge Roll and Scalia are likely tied to covert asset siezures related to faked FISA and Human Trafficking rings, and further, this all surounds me with non whites and often non-english as a first langauge speakers, fueling my native born frustrations.

Evidence Clustering Around Judge Roll

MKULTRA TNG is Formulated Amongst The Most Expert Familial DNA Detectives

MKULTRA tied the Obama DNA to the Donegan DNA. Now, as techniques have improved including DNA modification techniques like CRISPR, the final answer emerges ..

Several strategies must be employed at once, if read-in judges will permit it.

1. Donegan DNA will have to move to Africa and create a family tree in Africa for Obama. This will also boost IQ in Afica now called Autism Spectrum disorder, perhaps also some other medical benefits.
2. My eggs will need to be broken in the U.S., If I have children five generations later they will tie to Obama's children five generations later.
3. IQ issues in the U.S. will have to be avoided since retardation and the timeline dispute of when European DNA will be setlled in a few years in newly emerging research in newly found African DNA.
4. As a fall-back, researches will later find Ed Donegan tends to sign away his DNA to blackmail, and he once signed his DNA to the Obama family when he worked at AOL. In fact Ed Donegan was quite famous for this. (like now, imperssonators of me signed away my DNA at AOL Netscape)

Judge Roll seems to have been a possible "real target" of a shooting, shooting connected to The Saulk religious institute, in an asset seizure case in my mother's trust fund amount, over a ruling detrimental to Obama's likely DNA agenda for foreign nations relief, on a date tied to a Pizza Gate conspiracy motivated by witness to it independently finding it and even reporting it to police.

Seems independently reported as Obama policy related assassination through Kremlin report

Top US Federal Judge Assassinated After Threat To Obama Agenda - The European Union Times

A Foreign Intelligence Service (SVR) report circulating in the Kremlin today states that the top US Federal Judge for the State of Arizona was assassinated barely 72-hours after he made a critical [Feburary?] ruling against the Obama administrations plan to begin the confiscation of their citizen's private retirement and banking accountsin order to stave off their nations imminent economic collapse, and after having the US Marshals protecting him removed.

According to this SVR report, Federal Judge John McCarthy Roll was the Chief Judge for the United States District Court for the District of Arizona who this past Friday issued what is called a "preliminary ruling" in a case titled "United States of America v. $333,520.00 in United States Currency et al" [Case Number: 4:2010cv00703 Filed: November 30, 2010] wherein he stated he was preparing to rule against Obama's power to seize American citizens money without clear and convincing evidence of a crime being committed.

Further, religious groups in Corpus Christi participated in this, including trying to break my mother's will, and framing me for being a pervert at Golds Gym, and these religious groups have foreign missions including Orphanages.

Finally when I tried to sue these religious groups Andy Ellington / Joyce Ellington seemed to interfere with the suit, hinting IQ Research Epstein Pizza Gate tied group ARC of Northern Virginia should handle the matter again, and again, tying this all back to my mothers trust, IQ work, and Africa, and even the Obamas.

Finally, this ties to Justice Scalia, WETWORKS and IQ by religious groups.

Overview

Judge Roll

A Foreign Intelligence Service (SVR) report circulating in the Kremlin today states that the top US Federal Judge for the State of Arizona was assassinated barely 72-hours after he made a critical ruling against the Obama administrations plan to begin the confiscation of *their citizen's private retirement and banking accounts* in order to stave off their nations imminent economic collapse, and after having the US Marshals protecting him removed.

According to this SVR report, Federal Judge John McCarthy Roll was the Chief Judge for the United States District Court for the District of Arizona who this past Friday issued what is called a "preliminary ruling" in a case titled "United States of America v. $333,520.00 in United States Currency et al" [Case Number: 4:2010cv00703 Filed: November 30, 2010] wherein he stated he was preparing to rule against Obama's power to seize American citizens money without clear and convincing evidence of a crime being committed.

The case being ruled on by Judge Roll, this report continues, was about bulk cash smuggling into or out of the United States that the Obama administration claimed was their right to seize under what are called Presidential Executive Orders, instead of using existing laws. The Obama administration used as support for their claim before Judge Roll, the SVR says, the seizing of all American citizens' gold, in 1933, by President Franklin D. Roosevelt's signing of Executive Order 6102, which was ruled at th/e time to be constitutional.

Glorian Donegan's DNA

This seems tied to my mothers DNA, her trust fund account left to me of $327k dollars, Obama's grandmother dying and catching fire as I was under arrest from the all black Public Health Service medical officers, and all my mother's hats and family bible disappeared.

Justice Scalia and Charitable Struggle Against Retardation or other disease?

> Mission and Purposes of the Order The International Order of St. Hubertus is an ancient knightly organization of like-minded sportsmen, hunters and anglers, who enjoy the fellowship of the Order and who share the same principals regarding sportsmanlike conduct, ethical hunting and fishing, and the conservation and preservation of wildlife and its habitat all over the world

Justice Scalia died during the Fisher case, about Race and IQ, and he seemed to have been approached at [Artificial] Intelligence research or Intelligence Modeling at Poindexter Ranch, Admiral Poindexter of the NSA and Total Information Awareness.

I believe a Retardation Cure exists in my DNA, or some other 3rd World interest exists in my DNA and a Religious Orphanages scheme exists.

The Hardware Abstraction Layer and Intelligence

Microsoft, Bill Gates, a compiler writer, realized, against the wishes of IBM, that if Microsoft Windows were written in high level abstract computer language than ANY hardware could carry it out if the high level code were later compiled to operate on the actual lower processor level of differing computers.

Pizza Gate and IQ Research

The ARC of Northern Virginia and an Epstein is tied to Pizza Gate and my mother's trust fund. I have nothing to do with Pizza Gate but frame jobs of it and my and Tom Dunham's complicity in it are being publicly staged.

ARC of Norther Virginia and the Tia Marselli Autism Institute are tied to IQ research as well and Sub Saharn employees (Trinitas Nsambari) who are also connected with my brother working with the all black US DOD Public Health Service false arrest of me.

This includes planted evidence from Lori Coxx, Oakland Social Worker.

FISA Gate

William Ruiz, Jim Volcelcka, and others have been used to fake my voice print

saying this to me that will later be alleged that I myself said.

For instance when we were alone Jim Volcelcka described to me he took the ASVAB at a Military Entrance Processing Center but then decided not to enlist. I took that IQ test at a military processing center and decided not to enlist.

That was when I lived with Jim Volkelca briefly. I had planned to live there a year staring on a Saturday but somebody likely a Marshall said "aren't you coming to dinner of Friday?" when there was no plan for me to do so and I believe a Bifurcation was set where I was framed to the landlord even before I moved in at a dinner I was not actually set to attend, and a picture of Obama was later seen on site.

When I lived with William "Bill Ruiz in Capitola in the location prior to Jim Volkelca's BnB William Ruiz said to me "It sure is nice to be able to shower after not having showered in weeks" when it was me, not him, who had just come from being evicted for camping at Wylder State Park.

William Ruiz stole my clothes as well and impersonated me to "pizza" on his computer. I was evicted from both legitimate rentals for activities I did not participate in.

At Salinas KinkBnB my swimsuit and lap pool googles were stolen as they were repeatedly, so, as with the Soldiers for Christ motorcycle peeing into the pool, again, it will APPEAR Ed Doneggan will be doing so through stolen or impersonated goods.

I believe later Jim Volckelca will use what is thought to be my voice, perhaps with Mistress Deja Vu, to fake a FISA issue with me. Also in, that same house, someone was shopping both for size 13 boots AND guns.

In cases such as Ball Park West Apartments, Clarendon Courts, 42nd Street Capitola CA, Salinas KinkBnB, Corpus Christi Texas and Casa Linda Apartments the story is the same.[1]

Identifying laundry or other items are being stolen from my home (including bed sheets, as also at Best Western Paradise In Corpus Christi) and this will be used to fake someone being me to "pizza."

This also fits with the Judge Roll death in that the CIA/DIA backed "Harvey

Dents" "Don Johnsons" :"Kendel Persons" are Sub Saharan black pimps pimping out white women in the U.S. to CIA and Law Enforcement payed for by real Edward Donegan's DNA.

Footenote:[1] At 42nd Street Capitola with William Ruiz, it was William Ruiz stealing my motorcycle jacket, pretending to be me to a domina of some type, utilizing identity theft quite similar. Not only were clothes stolen in both locations (42nd Street Capitola Street and KinkBnB California locations) but the voice prints were faked. In 42nd Street Capitola William Ruiz said to me after I had come from weeks of camping "it sure is nice to shower again after not showering for weeks." William Ruiz also, like at KinkBnB where Obama's picture was, cited white supremacism as the reason for faking being me.

Associations for Retarded Children

How can a retarded Children advocates gain access to DNA that fights retardation and also DISCOUNT allegations of their scheme by the scheme's victims?

Tom Dunham was portrayed as Moron Scully and I was and am portrayed as Moron Batman, these stupid children, who's childishness is to be disbelieved and ignored, ignored by REAL adults.

Cibolo Creek Ranch owner John Poindexter and C. Allen Foster, a prominent Washington lawyer who traveled to the ranch with Scalia by private plane, hold leadership positions within the Order. It is unclear what, if any, official association Scalia had with the group.

Inside the ranch where Justice Scalia died View Photos The Texas resort ranch spanned 30,000 acres.

“There is nothing I can add to your observation that among my many guests at Cibolo Creek Ranch over the years some members of the International Order of St. Hubertus have been numbered,” Poindexter said in an email. “I am aware of no connection between that organization and Justice Scalia.”

An attorney for the Scalia family did not respond to requests for comment for this article.

Two other private planes that landed at the ranch for the weekend are linked to two men who have held leadership positions with the Texas chapter of the Order, according to a review of state business filings and flight records from the airport.

Being Called Crazy

My brother has met with Tim Kaine in his (my brother's) house in the Clarendon area of Arlington, at the time I was under Arlington PD / National Institute of Health Police arrest on a misdemeanor Freedom of Information Act case.

I had been pursuing a case on my web site that in Africa IQ genes were too few, dispersed so thin it was not a place of the "tall buildings" like Asia and Caucasia, and that high IQ ran in my family line, and that is should be recognized in employment and other matters whites will perform better in some places as a group than migrants.

The point was relevant to sociology. The RICI firefighter entrance exam case was on the Supreme Court docket as was educational policies at Seatle Public Schools and immigration questions and concerns regarding poorly integrated African immigrants, ,in Europe and the U.S.

An all black Public Health Service team was formed to "psychoanalyze" my beliefs, and the public record of the web site I was arrested for has disappeared.

Diagnosing my belief Bipolar was defensive bitter racial retaliation against me in the Behavorial Health Care system for honestly held and reasonable beliefs.

Rod Rosenstein, US Attorney for Maryland, and Robert Mueller, handled the prosecution and investigation which backed Crystal Gaile Magnum in the Human Genome Program files while targeting me for my alt-right beliefs.

It has been a long struggle of police harassment even before that arrest and the three people I had communicated with, Tom Dunham, Veronica Hoffman, have also experienced matching harrassment of the same form. Veronica Hoffman was finally driven to her death and polilce harrassment has me near that.

Another friend of mine at that time was Debora S. Pierce, NSA lecturing hard core EPIC and EFF integrating civil liberties lawyer. I hate to even get her involved I like her so much.

In the 8 years following my release it has been ongoing covert harassment which has continued under the Trump administration and I think this is still Rosenstein related. In fact I believe the National Institute of Health recognized the need for

intervention in Africa and a long trigger of covert actions began sabotoging me socially, sexually, and intellectually, as I am stuck with a wrongful disability label from harassment related arrests, and I think the ARC of Northern Virginia is using access to my mothers property to in some way allow its use in Africa,

I am the only one. In the exact same scheme Tom Dnham was called crazy for his outing of a clear impersonator, and an impersonator of him tied both to my mother, me, himself, and Genetec and "new organisms." (see Sock Puppets)

This has been said about him online.

> I am aware that the individual who maintains this site is a convicted felon and was incarcerated several times for psychological evaluation. He is both a danger to himself and others as he can no longer afford the medication he was prescribed by the city psychological evaluation unit. Please - if you know TD - help him get the medication he needs for stability.

The diagnosis is based on planted evidence using impersonators and other schemes also clearly visible online.

It is shocking that Medicine can conspire to claim incompetence to gain medical rights to that person but massive evidence exists of it but government acknowledgment of it does not exist.

Most likely the totality of the scheme has been to use a claim I am incompetent to claim the rights to those genes which run in may family and have Behavioral Medicine re-use them in Africa, with CRISP gene thereapy in the orphanges, as the data now suggests.

The Parties

It would start with the need to replace a real geneticist with a deeply religious person, Francis Collins, who would coverup the DNA irregularities while using religious missions to fix them, and this would be also administered through the National Institute of Health and its Public Health Service.

So the way this plays out is Judge Roll was killed in a rights issue to claim legal rigts to the genes to end retardation or other disease in the Middle East.

> A Foreign Intelligence Service (SVR) report circulating in the Kremlin today states that the top US Federal Judge for the State of Arizona was assassinated barely 72-hours after he made a critical ruling against the Obama administrations plan to begin the confiscation of their citizen's private retirement and banking accounts in order to stave off their nations imminent economic collapse, and after having the US Marshals protecting him removed. - eutimes

In my earlier website as then Senator Obama was running for President I observed that some nations had lower IQ and that lead to lower GDP. Rod Rosenstein and then FBI Director Robert Mueller prosecuted that web site on harrasmment grounds.

Justice Scalia was tied to the need for the genes in Africa which he may have agreed with but differed in details or medical ethics or other matters, as Comey did. Rosenstein backs it.

Mother Theresa s and Southern Christians wanted access to my mother’s genes and will, and this was to be carried out through Genetech.

The location of this was Benghazi where the CIA would make the omlette after “breaking some eggs” in the U.S. ending my mother’s line at me.

My brother and Mark Weirness worked with African actors to setup this up including calling me incompetent through Paula Xinis, my NIH/HHS defense lawyer Obama appointed to the Federal Bench.

Rod Rosenstein and the Public Health Service went about using the Marines and others to carry out the genocide tecnically while Rod Rosenstein and Eric Holder performed the wetworks including with the US Marshalls Obama has used to "fight white supremacism.

ARC of Norther Virginia is the Association for Retardation running Pizza Gate supplying Pizzza to homeless people, not me, who in ErosX will give away my genes rights to women who have been in my vicinity and I will be blamed for defamatory conduct of recruiting women inapproiately which I did not do, but serves the purpose of defamation of a White Nationalist.

At Golds Gym, a good example, a Soldiers For Christ Fred Veterans Administration non-white First United Methodist CC group motorcycle frames me, as was done by non-whites int the gym. Staff in Gold;s clothes, blacks, hardstyle by me as I listen to hardstyle music and there is a hardstyle family line in the music.

Like with others, including whites doing the same things elsewhere and in that gym, I seem to be getting a family I didn't want that was involuntary to me, and the ARC of Northern Virginia renamed my mother's trust The Family Grow Fund.

Nothing was ever disclosed to me and people pretended nothing was meant by all of this as I confronted it.

Chris Lloyd, high school friend, with his own sets of sham companies who

mentioned CCR5 to me which I already knew about, and who also has a daughter employed by Genetech. He has suspicously been connected to many things including a high school event when he, Lenny Chaeffer and I think one or two others, I think the Wilson Brothers, took me to a Berkely massage parlor where a play boy bunny worked on my birthday.

There were many "coincidences" connected to Chris Lloyd I thought connected to embezzlement.

2. Somewhere in the very late 1990s at AOL Time Warner an impersonator of me may have authoorized *my or my family DNA into the OBama children.*
3. This having been successful, medical proxy of me was setup and justified by non-white non-straight operatives placed into key positions who would under false pretenses continue genes transfers without my actual consent including into Africa, allegedly genes blackmailed out of me or an impersonator of me authorized

    In this last phase the U.S. Marines and others seem to co-operate with bringing about the circumstances of my celibacy and early death, also achieved through wrongly motivated medical proxy, so that the medical proxy use of my genes used in above list items will not be known.

In my twenties or so I am being harrased by some kind of odd police. In Concord CA I even call the Concord police on some form of special ops which seem to be monitoring my home illegaly. I am also told there is an operation underway according to neighbors which is protecting a mob witness next in a house adjoinig my house. Nothing seems racist at this point but I was put on drunk tank pscyh hold and WAS on drugs.
1997/8 At AOL Netscape, a job my brother refered me to, him also working at AOL, I see the first use of a true impersonator of me, Toni, who has the exact folio I have and followed me into the company. There is also another Ed Donegan on the payroll of AOL. I was fired shortly after Y2k eve for not working it. A female Phd in her 30s turned cold to me though we had been doing bike rides together. This time range ties to the possible IVF of the obama children. If so the I am to the Obama children as my father was to Obama.
Since then and even now. Racial conspiracy against my sexual reproductive rights continues among threats to me and socially stygmatizing frame jobs to scare white women away from me.
In 2006 my web site and email contacts to The world based Human Genome Program convinces the Illuminati, Masons, Shriners, etc., world genetic engineerig will be needed. Eggs must be broken in the U.S. though, and I think my celebicy and death genetically erases my fathe andd me and seizes the economic and bedroom value of Donegan DNA

At some point while assigned as a civilian U.S. Army contractor, Olson began working as a CIA employee with the CIA's Technical Services Staff (TSS), run by Sidney Gottlieb and his deputy Robert Lashbrook.[4] Some of his CIA colleagues were involved in the MKNAOMI-MKULTRA program, previously known as Project Artichoke and, earlier, Project Bluebird. It was a program to explore the possible espionage and military uses of psychotropic drugs.

The author Ed Regis reports that the meeting at which Olson was dosed with LSD took place at Deep Creek Lake, Maryland:

> Deep Creek Lake was three hours by car from Camp Detrick. On Wednesday morning, November 18, 1953, about a week before

> Thanksgiving, a group from the SO Division, including Vincent Ruwet, chief of the division, John Schwab, Frank Olson, Ben Wilson, Gerald Yonetz, and John Malinowski, drove out to the retreat... The Detrick group was met at the lodge by Sid Gottlieb, his deputy Robert Lashbrook, and a couple of others from the CIA....On the second day of the retreat, after dinner, Gottlieb spiked a bottle of Cointreau with a small quantity of a substance that he and his TSS colleagues privately referred to as "serunin" but which was in fact lysergic acid diethylamide, or LSD.[6]

Olson asked to quit the biowarfare program the week after the retreat:

> Ruwet was surprised to see Olson at 7:30 in the morning, but asked him in. Olson told Ruwet that he was dissatisfied with his own performance at the retreat, that he was experiencing considerable self-doubts, and that in fact he had decided he would like to be out of the germ warfare business. He wanted to leave Camp Detrick and devote his life to something else.[7]

Rape

What this book is about is the rape of me and everything I have done and do in the U.S. and my inability to stop rape from occurring, including gengtic rape through Genetech.

Pizza Gate seems to work like this. In a Teen or child exploitation ring an impersonator of me, often Mediterranean or Hispanic, will solicit exploitable females inappropriately (thus defaming the real me.)

The Impersonator (information doppleganger) will pay the teen or other female with rights to my DNA or other assets. The person paid will be a Harvey Dent (fake pimp, CIA DOD backed) from overseas, thus moving the genes from the U.S., me, and into Africa.

Normally I would block this, but a fake conservancy was setup to management my assetts (unnesecarily) called ARC of Nothern Virginia who are Advocacy and programs for Retarded Children thus ARC.

This assets management firms utilized forgeries of me to complete its worked in Africa rather than to reject the impersonations based claims.

Thus the illegal enslavement to their Behavioral Health Care misrepresentation of actual assets I own.

I have been the victim of medicine and social work, they are my saboteurs rather than saviors. It because i do well at everything I do, like write up the science of Air Flight, which I learned from my father at museums and the sail boat I was bought, that people want to rape me, and rape me rather than acknowledge me.

I can not enforce any of my rights against the Sate and Public interest in violating them.

I have a "psych history" because people like committing rape and thus any and all of my Human Rights and Constitutional Rights are unenforceable and my pscyh history is of fighting against the street level harassment and legal system harassment I have been the victim of and these are false imprisonments, over my legitimate protestations and self-defense are

In fact in standard COINTELPRO form it seems much of the harassment is to generate contacts with the police through undercover assaults which the police will win and will result in institutionalization.

- Inappropriate to invoke psych records to conspire against rather than support my Human Rights,
- False anyway since the PizzaGate conspiracy which surrounds me and is used by medical community scam artists is a legitimate complaining of mine, and like with Tom Dunham, using psychiatry to undermine outcry against his is a devastating (but routine) blow of imprisoning people for anti-government outcry.

Take for instance long civil commitments and misdemeanor trespass against my neighbor Thea Smith. She was a part of Pizza Gate, I was confronting her over it because I was not, yet I was arrested twice over confronting her over it with commensurate civl commitments of me and eviction of me, a long pattern of me trying to stop PizzaGate which surrounds me though is done through impersonators of me.

I am not crazy. I am under Human Rights attack.

I repeat my request for all derogatory record of myself, Tom Dunham, and Veronica Hoffman be expunged and and apology be issued.

I will never break from from rape in the United States because people like committing the crime of rape.

My quest for Political (and religious) Asylum from the United States continues but I fear the U.S. government can undermine that too.

I am an Atheist and I want nothing to do with Christianity or Texas. If a court would be willing to grant me a restraining order against both I would immediately seek it.

FisaGate and "Jude Roll" biological asset seizures

In the following sequence of emails I solicit Deja dominatrix for a scene with some more details than listed here but domination is not prostitution.

She replies perhaps on the 25th but not before that would work though I am

leaving KinkBnB much earlier.

Some key point are that at KinkBnB

- Jim Vockelca says to me things I would be expected to have said. This happens frequently. In this example at KinkBnB Jim V says "I took the ASVAB at the MEPS but decided not to enlist" which is odd because I did.
- A female with tatoes surfs for size 13 boots and guns on the shared computer and talks about it.
- The woman with tatooes throws baby showers and accuses me of peeping which I am not doing
- They setup a rendezvous with a dominatrix for after I am moving out, on the 25th, though it is not something I am being invited to
- There is a picture of Obama hiding in the house watching all of this
- The motive given for this is that I am a Trump supporter. The excuse is "what;s the harm?"

A little further out than I have certainty or am planning for. I hope for some other time in the future. -cheers

Inter-racial Rape and "Family Grow Fund"

Blacks and non-whites continue to surround me and pretend to me walking with me, etc., or say things to me like "I am having your baby" in which I say "No your not!" or say "Thank you" as though the stranger who says it to me is saying I agreed to give away my DNA, to which I assert "If you have me DNA I want you incinerated.

Yet the ARC of Northern Virginia renamed the sale of my mothers house trust fund into something named "Family Grow Trust Fund" without notice to me explanation, and blacks at Gold's Gym in Gold's Gym empoyee clothes "hardstyle" past my tablet and me on my excerize bike as lines like "our family" play in the music video.

I want nothing to do with this, these manufactured circumstantial things around me I have not or do not agree to, and also people, when I pin them down on this, will admit to me they have no reason to be acting like this in my vicinity and it is all some kind of co-incidence.

This does fit the Retardation/Autism centers desire for high iq dna I have.

This is the result of others proxying for me, though I say NO others say YES to the interacial use of my DNA, while also I am socially and in otheways sabotaged in my own family, job, housing, and life.

Miltary Rape Through Pizza Gate Expanded Detail

I will in normalcy have contact with someone or something. Maybe I consider moving to an area of Los Angeles and put in an ARC of Northern Virginia funding request for rental income assistance.

The move will not go through for various arising reasons but police will insert an impersonator into the proposed move. (This also happened with Ball Park West)

Perhaps I am in the gym and some random phone disturbance comes as a woman is near. An unwanted spam message, some wierd unwanted call about a bill or something at an odd time, but just as woman is entering the vicinity.

Perhaps I am the grocery store and the cashier makes unwanted inuendo I continue to deny, sexualized comments like refering to having a nice night even though the purchase is during the day and I repeatedly call this out, including 911, who will not respond to the calls.

That is the publiclyi visible tie to my identity as having something to do with Pizza Gate when I do not.

The Government is going to switch someone out with me and that person will forge the actual money-chaning-hands part of the operation while I am not present.

At the place the impersonator has taken over my identity some type of sex crime will occur and some debt will thus be created or settled. This will also be defamatory to the real me.

In a public event the real me will be thanked in a vague sort of way for what the impersonator did, likely give away my DNA. When I confront this asking “what are you thanking me for?” the person who said “thank you” will say “I wasn’t talking to you.”

In other staged events (following the impersonators actions away from my vicinity) someone will ask “Are you OK, are you OK? “Implying I bipolar or Borderline Personality Disorder had lost control of myself which is just the opposite of who the real me.

(In Bay Area Laundry, where I was openlyl accused of buying Pizza, for one of example of a decade of examples, a woman Junkei P swept the mop back and forth repeatedly at my feet trying to imply I was masturbating. This is the very standard faked loss of control in public. Even in private, if I masturbate, tantricly or any other way, it is at my discretion.)

I have seen these minorities asking me “are you ok are you ok” hanging out with with giggling white women who the minorities are “protecting me from.

Often some plant media story will vaguely imply me, the real Edward Paul Donegan, was the person responsible for some conduct the impersonator of me actually engaged in.

Something like peek into a gym swimming pool, as a retarded boy. Though I have not and my motorcycle has not, the part where an impersonator of me takes over at a key time, the impersonator will likely forge my concession that I or my motorcycle DID spy on the pool, ,etc.,

So the core operation is staged photos in public, not actually proving anything other than photos are being staged out of my control, then, privately, away from me, in impersonator will take over my identity and confess my guilt.

A retarded children’s fund manager will authorize all of this, not me, and I will get no accounting of it.

A suit will form over this which will be embezzled by the CIA who will send me something schizophrenic sounding rather than actual notice of a settlement.

Often public evidence is planted that I have done something like peek into a gym swimming pool, as a retarded boy.

Though I have not an my motorcycle has not, the part where an impersonator of me takes over at a key time, the impersonator will likely forge my concession that I or my motorcycle DID spy on the pool, ,etc.,

As a result of this operation being run in the housing, gym, or other locations I will be blamed to non-witnesses and lose access to those locations leaving me homeless and without accesss to medical facilities, and sabotaged to women of my own racial group, my only dating interest.

In feb 20 1961 My father and mother were Manchurian Candidate to Obama. In 1998 my DNA was authorized by an impmersonator at AOL to the Obama family setup by my brother using an imperosnator of me.

In 2006 it was decided to move Donegan DNA throughout the world.

In 2007 an Impersonators/Forged Agreement ERox PexX scheme emerged for forgeries of my DNA authoriztion around the world.

In 2009 Obama became president and Benghazi missiles were launched by the CIA giving Obama GenoFamily in Africa. THe CIA DIA did this under Patreus and others who studied RHRF.com.

Obama moved Flynn out of DIA and into private work which included Manafort and later Trump. A Jamacian immigre was moved into the DIA.

As Flynn went on under CIA DOD contracting schemes including Patreus schemes Trump agreed to, Comey found out Flynn/Trumpo had illegal works underway, that which what Rosenstein had setup as NIH policy that NIH police helped with.

The Ellingtons are in on it as is Genetech, as is CENTCOM, and it involves racial rape via forged agreements and racial harassment of me, and hiding my DNA, breaking my eggs in the USA.

It also involved DNA asset seizure from me by the Whitehouse, Judge Roll, and US redistributing, Scalia. This is all very illegal black budge black racial Chicago alcohol prohibition gang activity and Trump rose to power on it including illegally using intellectual as well biiological property of mine.

Destructive Break-ins and Other Invasive Covert Operations

What is visible with Tom Dunham, Veronica Hoffman, and myself is the same pattern of Pizza Gate and CIA DOD sponsored activities under suggestive asset names such as "Harvey Dent," "Don Johnnson," "Cahill," "Kendel F. Person," and "Theo" and Thea's, and others, slightly obfuscated and usually self describing covert ops assets leaving paper (soot stained,) web, photographic, and other evidence of their presence faking Tom Dunham, Veronica Hoffman, or myself as incompetent or child trafficking.

The web, in the home of us three people, in the gym surrounding us, or as we access ATMs and our phones jingle at weird times (as others seem to be with us at the ATMs) or things "happen" in the workplace, the workplace party, massage parlors (which we are not or are at) or in the gym, covert operation frame jobs defame us, not to ourselves in any manner we can refute, but as social sabotage behind the scenes in Criminal Harassment Under Color of Law, Conspiracy Against federally protected Rights such as housing, First Amendment, Privacy, Property, or other rights, and even health access such as rehab facilities, suborning of medical doctors, etc.,

The effect of illegal but state sanctioned harassment has been fatal in Veronica Hoffman's case and deadly to Tom Dunham and myself, still alive, but without the ability to rent without covert activities sabotaging and terminating rental properties.

The Government interest and resources utilized in these harassment schemes at least in my case and Veronica Hoffman's case have been un-defeatable and life shortening, bringing about egregious injury.

COINTELPRO - Wetworks Legal and Psychiatric System Harrasment

Here are some of the tactics used by CointelPro, most of which I have experienced. This occurs in broad daylight, inside the prison system, inside the ABA, inside psychiatric hospitals. These covert operations I and those I know have been subjected to will be described in my later false arrests and detentions.

"According to Brian Glick, in War at Home, COINTELPRO used a broad array of methods, including:"

1. **Infiltration:**

   Agents and informers did not merely spy on political activists. Their main purpose was to discredit and disrupt. Their very presence served to undermine trust and scare off potential supporters. The FBI and police exploited this fear to smear genuine activists as agents.

2. **Psychological Warfare From the Outside:**

   The FBI and police used myriad other "dirty tricks" to undermine progressive movements. They planted false media stories and published bogus leaflets and other publications in the name of targeted groups. They forged correspondence, sent anonymous letters, and made anonymous telephone calls. They spread misinformation about meetings and events, set up pseudo movement groups run by government agents, and manipulated or strong-armed parents, employers, landlords, school officials and others to cause trouble for activists.

3. **Harassment Through the Legal System:**

The FBI and police abused the legal system to harass dissidents and make them appear to be criminals. Officers of the law gave perjured testimony and presented fabricated evidence as a pretext for false arrests and wrongful imprisonment. They discriminatorily enforced tax laws and other government regulations and used conspicuous surveillance, ‘investigative’ interviews, and grand jury subpoenas in an effort to intimidate activists and silence their supporters.

4. **Extralegal Force and Violence:**

   The FBI and police threatened, instigated, and themselves conducted break-ins, vandalism, assaults, and beatings. The object was to frighten dissidents and disrupt their movements. In the case of radical Black and Puerto Rican activists (and later Native Americans), these attacks—including political assassinations-were so extensive, vicious, and calculated that they can accurately be termed a form of official ‘terrorism.’”.The FBI also conducted "black bag jobs", warrant-less surreptitious entries, against the targeted groups and their members. Source: COINTELPRO - Wikipedia, the free encyclopedia

From its inception, the FBI has operated on the doctrine that the "preliminary stages of organization and preparation" must be frustrated, well before there is any clear and present danger of "revolutionary radicalism."

At its most extreme dimension, political dissidents have been eliminated outright or sent to prison for the rest of their lives. There are quite a number of individuals who have been handled in that fashion. Many more, however, were "neutralized" by intimidation, harassment, discrediting, snitch jacketing, a whole assortment of authoritarian and illegal tactics.

The Paris Attacks

I believe Western genetic base is under attack in the U.S. and Europe and that it is being moved into Sub Sahara instead, that Non-Violent Europe friendly Westsern and Pagan music is under PsyOps attack, and that this includes the Paris attacks.

Abuse Of Psychiatry

Quoting Wikipedia

Political *Abuse of Psychiatry* is the misuse of psychiatry, including diagnosis, detention, and treatment, for the purposes of obstructing the human rights of individuals and/or groups in a society.

In other words, abuse of psychiatry (including that for political purposes) is the deliberate action of having citizens psychoanalytically diagnosed who need neither psychiatric restraint nor psychiatric treatment.

Psychiatrists have been involved in human rights abuses in states across the world when the definitions of mental disease were expanded to include political disobedience.

As scholars have long argued, governmental and medical institutions code menaces to authority as mental diseases during political disturbances.

Nowadays, in many countries, political prisoners are sometimes confined and abused in psychiatric hospitals.

Psychiatry possesses a built-in capacity for abuse that is greater than in other areas of medicine.

The diagnosis of mental disease allows the state to hold persons against their will and insist upon therapy in their interest and in the broader interests of society.

Psychiatry can be used to bypass standard legal procedures for establishing guilt or innocence and allow political incarceration without the ordinary odium attaching to such political trials.

The use of hospitals instead of jails also prevents the victims from receiving legal aid before the courts in some countries, makes indefinite incarceration possible, and discredits the individuals and their ideas.

In that manner, whenever open trials are undesirable, they are avoided.

[In my case under the psychiatric claim my claims about the U.S. Government Health Services constituted mental incompetence]

The political abuse of the power entrusted to physicians, and particularly psychiatrists, has a long and abundant history, for example during the Nazi era and the Soviet rule when political dissenters were labeled as "mentally ill" and subjected to inhumane "treatments."

In the period from the 1960s up to 198>6, abuse of psychiatry for political purposes was reported to be systematic in the Soviet Union, and occasional in other Eastern European countries such as Romania, Hungary, Czechoslovakia, and Yugoslavia.

In My Case

This has been used along with other Due Process violations in what appears to be a race related National Institute of Health Public Health Service (non-combatant military service) of the United States Department of Defense illegal and uncompensated claim to my DNA by the military.

I also believe DNA tied to my mother is connected to the shooting death of Judge Roll and also possibly the Barrack Obama family.

Texas

The below picture of a Soldiers for Christ motorcycle shows a lot of connections to a GenoCognitive gene therapy conspiracy.

Soldiers for Christ works with or within First United Methodist Corpus Christi Texas and Fred of First United Methodist CC Texas and Search for Truth Mission on Waco Street Corpus Christi Texas is a member and he is a worker for

the Department of Veterans Affairs.

Corpus Christi Salvation Army had clerks hired out of it to the US DOD (service unknown) and Veterans Affairs into some secret program, with NSA references being made, and these people were Lance and Maurice, and Corpus Christi Sisters of Charity also co-operated and the nuns said "Guess who's coming to visit, Obama!" and these nuns taunted me over white supremacism and BDSM I never expressed.

I sued the Station Church Corpus Christi over this along with others including Gold's Gym trainers who said they, at least one, was being hired by Global Security for a project in Virginia when his background clearance passed.

One of the things I had cited in my suit of The Station Church Corpus Christi was that they told me what I had already known, and further, that I had already told my brother Tom Donegan.

In fact the told me two things in PUBLIC SERMONS, and they specified they were full religious sermons, that I already told Tom.

The first was in the lawsuit I filed against them. In that law suite I pointed out what a Dialectic was. I was used to or was the erea in between two other areas, or poles, such as an air dialetic inbetween to charged plates of uneven charge, as I knew from capacitance and many other electronics issues (it is similar to the gate of a Logic Gate which, depending on the charge of the gate will cause a "semi-conductor" to either conduct or not) and which also applied to my mother' Dialysis which I had been researching in detail, and it applied to something I told to Christian pscyho nut job Penny Ashely about Hegel.

Well, isn't that special. Ryan, the preacher, explained in his long experience preaching, he likes to add a colored dye into water and show how it diffuses into the water as God difuses into us, for there is nothing fully obstructing its mixture.

Funny, that is how Dialysis works. A Dialisate is used to brush against the blood with a pourus film separator and the water from the blood mixes with the Dialate and washes into the dialate fluid going one way while the larger blood cells and other blood objects go along the other direction, not carried backwards into the Dialte brushing against it going the other way.

I guess God and Science are one and the same! And so is Electro Hegel! I am glad I learned that!"

How INTERESTING that God and Science are mixed together and not oppositional. Of course I had been writing a book to just the opposite.

All of these people were involved in telling me what I already knew, etc., and I showed evidence of that in my law suit, but Joyce B. Ellington seemingly related to Andy Ellington of US DOD/CIA genetic labs frustrated the suit. And by the way CIA like backed impersonation of me from St Lois and Home Depot and a cell phone hack occurred the morning of and the weekend of my hearing, I suspect setting up phony medical misrepresentation into Arc of Nova. TJ Hery law firm was part of framing me.

First United Methodist Church Corpus Christi had a dinner suggesting some people's will could be broken if the church could prove they knew the dead person's wishes better than her family. I and my father were very hard core Atheists and my mother liked church, any church, on the holidays. During a Waco Street mission Gospel lecture my father was viciously savaged by reference in the sermon for failing his Christian duties to teach the Gospel to family members.

I dispised them, tried to sue them, and yet Joyce B Ellington, seeming relative of Any B Ellington of US DOD CIA tied Genetics labs, disrupted my ability to sue those religious groups or ARC of Northern Virginia.

This, along with Pizza Gate, are all consistent with attempts to get rights Glorians or my genocme away from me while also holding me celebate in racially hostile and racially sterile environments.

I reported many such illegal activities to The Station Church Corpus Christi and First United Methodist but nothing changed. I warned them of the gangs Bobbyt Courtney reported working for, tied to Corpus Christi city hall, and of impersonators me operating in thier churches and Mother Theresas, but they continued co-operating with holding me celebate and tried to make it appear, wrongly so, that I was mentallyl incompetent.

I still get harrassing phone calls from Texas and I refuse to even take them, ever. If it is a Texas area code number I don't take the call and want a restraing order against Texas and the groups and people within it.

The worst mistake of my life, a life long atheist, was being around those religious people. I can't break free of them or how much I hate them. I still get harrasasing phone calls from Texas I can't set my phone to block but I take no call from Texas, ever.

More About 361 Cars For Sale

Basically, I was being blackmailed by services I did not want or need (Arlington County Behavioral Health) when that which I was entitled to (SSDI, Trust Fund, vindication and normal every day employed life) was interfered with by County Health such that they could then declare themselves the solution to the problem they created, requiring to then sign up for their serivices I did not want, enabling them to act on my behalf.

I did authorize that for a week or so but that is all and no solution came of course. So with SSDI cut off I went to Texas to get away from Arlington County Health services, not dependent on Texas to get SSDI back in place. Ultimatelyl Texas Social Security did but before that I had uneeded services from Crhistian outreach, who again, seemed to use my presence to rob me, again, behind the scenes, again, lilkely asked to do so by a Government seeking peopl in my vicinity to defecet from me and join witih the government against me, the basic Star Chamber system of misrepresnting some one against their will.

Filthy Shithole

Golds Gym

Ghetto trash and blacks took the place over, gays. Round the clock offensive and disruptive cell phone hacking, street people assaulting white women claiming me as an excuse for doing so, ,and all the usual pattern of events.

I am around women normally, duh, and black reach for their crotches and start harassing white women, denying to me they are doing it. Leftist social workers ask me "are you ok, are you ok?" to insinuate I am not as apartment break ins and fake apartments create the opportunity for people OTHER THAN ME to react abnormally to women, thus creating a mental health claim of need of intervention surrounding me.

The rule of law was completely absent from the diriest filthiest 3rd grade

playground of sex offense and sex assault predators could launch fake investigations in, with complete impunity.

The cops at BAY AREA LAUNDRY were the filthiest sex offenders and the most dangerous criminals I have ever met, in our out of custody.

Austin Arrest and Detention

I was arrested in Austin, homeless, as housing I already had was sabotouged and I was looking for new housing. Items of mine were being picked clean from around me and I either lost or lost track of a small lunch cooler which had my wallet in it.

The cops knew who I was but pretended I did not and my not having ID or money put me in difficult spot. I was pretty sure the cops again had information where my wallet was and were being asked not to return it.

So I just told them to fuck off and was arrested with a string of more racial slurs from me at the black sherrifs and that led to a holding cell and a trip to it in one of those high security wheel chairs.

I was in the holding cell for about an hour and I was aksed if I wanted a lawyer, and of course not, they always insure I will not be at the hearing, so a lawyer was assigned against me will.

I was placed in a cell with four others including a long time felon inmate black who was praising the DOD and getting out early in some way which I didn't like much and I asked for some protective custody cell. I wasn'st given one but put on the pscy ward.

Being on the psych ward a mean a pscych exam. The pscychistric on duty gave me the standard exam and I was my standard self. She said this was in no way like the other exams that I did, I was way above the normal type interview.

She still did not say she would pass me because she said she could not see why I had been unemployed so long but she would hear from the cops later.

I tried to tell her I was doing volunteer work, with veterans, the STOP REAL ID comittee with lawywers and others, etc., and was not just idle.

Someone appeared to get to her behind the scenes and she become openly hostile towards me and refused to communicate with me in any way and I never say any kind of report of any kind from her.

A lawyer was assigned I did not want, the sherrifs resued to take me to the hearing and I was found incompetent at the hearing with no accesss to what happened, any records, or any information on the hearing, and this is the exact way every single competeny ebvaluation of me has ever worked.

Torture

I have been tortured to death and raped over a period of time through “soft violence” in broad daylight, with people watching, and with no one coming to my defense.

US DOD PsyOps using Disinformation, Social Sabotage, and other schemes to maneuver away support or Human Rights for me will be covered later in more detail but a short description will be made here.

My brother Tom Donegan and Mark Weirness have been paid off to do what they would mostly behaviorally align with anyway which is to describe my politics as “White Supremacism” and seek my institutionalization for my lawfully held opinions where they will be studied, suppressed, and defamed.

Like the payoff of a lawyer I had to represent me, Paula Xinis, or others assigned to DEFEND my rights, those who are supposed to are bought off or co-opted into “defecting” from their role of protecting me or supporting me. Torture in the Medical Sate

Repeatedly I have been institutionalized for self-defense against a genetics scheme I have nothing to do with but surrounds me. In the scheme “Pizza” is ordered in for me what are normal environments, Gyms, Libraries, shopping malls, etc., yet I am not ordering Pizza. Intelligence researchers studying something in my genome are, and these impersonators of me operate in broad daylight able to get away with anything, and defaming me for conduct I did not engage in.

Being held in psychiatric hospitals or undermined by Tom Donegan and Mark Weirness with doctors and lawyers to cause me false imprisonment, etc., including in psych wards or under conditions of racial and even sexual or other assault has been achieved in The Medical State.

Myself, Tom Dunham, and Veronica Hoffman have spent years, at least, in my case decades, undergoing US DOD and CIA PsyOps torture of social, legal, and psychiatric harassment over some Pizza Gate scheme, tied to my genome, and at least I have never understood why this has happed or why thousands of obvious frame jobs (of which I have never once been accused of anything) have been

permitted in broad daylight and also WITHIN U.S. institutions.

Machines necessary for my regular circuit training are flooded with non-whites making the machines unavailable to me, and if in the empty gym I wait for the non-white to vacate the equipment they are sitting on I am laughed at by other non-whites and photographed in the gym “leering” at the non-white females.

Other round the clock schemes most of which frame me as being coached by non-whites or frame me as stalking women who jump in front of me etc., make any moment in the gym thus the gyms are unusable to me and I will die of diabetes unnecessarily.

When I approach medical doctors seeking Metformin it is denied and non-whites end up being substituted who will refuse the diabetes medicine, and usually US DOD jobs follow for doctors or doctors family members when I am denied Metformin or Wellbutrin (for ADHD.)

Following extensive dental surgery I was denied pain killers by starving me out financially.

Torture By Homelessness

Impersonators get me kicked out of places I rent before I move in or harass me out of locations I have already rented in police brutality schemes where Harvey Dents and others engage in despicable conduct for which I am harassed or sabotaged thus I am unable to even rent apartments in the United States and remain homeless.

Torture by Sexual Assault and Sterilization

Woman and girls stage being my victim in public thus sexual assaulting me for sex preferences I do not have (and they and I know that) and other assaults occur as well. Racially hostile and racially sterile hostile environments created in public places.

The State and Media Complicit

Harvey Dent: "Bipolar is no shit."

Most of the Harvey Dents I have encountered on the streets during covert operations which have (involuntary to me) surrounded me have been foreign nationals, frequently either skid row felons or apparently illegal immigrants, and in some cases, foreign /diplomatic license plated cars.

These international genes rights RICO operators (US CIA/DOD backed) have a litany of felonies including rape, assault, murder, and arson. But because the scheme involves either dupe or paid-off U.S. law enforcement posing as me to feed my property rights into the international RICO scheme, through teenage girls and white dominatrixes thus the inter-racial rape scheme is popular with law enforcement and them military.

Social blackmail of impersonators of me, though I will be socially blamed for the conduct myself

The impersonators themselves are both engaging in the despicable conduct and agreeing to be blackmailed socially by dominatrixes who will “punish them” by making them give money or other assets to blacks. “Domination is not prostitution.” The embezzled money is turned over to “above board” dominatrixes such as Kora Kaine, Anastasia, Veronica Hoffman, and adult toy suppliers in a money laundering operation to semi legitimate businesses or donations.

For instance as shown elsewhere motorcycles with similar look to mine (but owned in one case by Soldiers for Christ,) but not mine, and not filming, peer into gym windows especially towards the pool area windows.

21L6210

One such motorcycle had a Soldiers for Christ bumper sticker and later US DOD trucks parked in a way to bravely defend the gym winnows against me. Many of those trucks had US Marines bumper stickers.

This scheme has steadfast U.S. police support, the police unwilling to eve take a police report on it. These suspicious characters did not want themselves or the cars photographed.

The above building which LOOKS like my building and LOOKS like it has my apartment, with my blue chair outside, is the one which later caught on fire, a repetition of the pattern of what happened in Arlington VA.

These are dangerous international terrorists. And the FBI is too busy soliciting teen prostitutes to be bothered by that. Southern Comfort Apartments also had the same building design and fake ED DONEGAN apartments. My building was 3253 S. Staples Street, "FUSED" to this other apartment by RICO and sex crimes and arson are being committed by tattoed scum often with poor english if english at all and often on amphetamines, drinking heavily.

At the same time white women cross paths and make suggestive or lewd gestures towards me AS IF a rendezvous with me is setup for later.

An impersonator of me drawn from law enforcement (Secret Service, Corpus Christi PD, Oakland PD, CIA, or other) or a homeless person will impersonate me and in the impersonation give away my belongings and genetic rights CIA backed foreigner Harvey Dents , though it will look I did.

This has repeated thousands of times and in the course of it, defamatory allegations are made about REAL ME about what FAKE ME did, such as FAKE ME is a sexually incompetent moron being taught about little girls private parts with a mirror.

It should be noted I failed to fully (or in some cases at all) defend my mother during her decade of agony of rage at Tom Donegan and Mark Weirness of that conspiracy she always thought they were in, possibly tied to some psychiatrist in New York.

Not significant at the time, I thought, is they gathered up all the family photos, hundreds, to be scanned, and then neither the electronic or orignial versions were returned.

The family bible disappeared on my mothers side or was about to, and my mother continuously complained my brother came to her house one day, with no warning, and began throwing out all of her hats.

I had wanted to go to South Carolina to her funeral but my brother Tom seemed to be trying stick bizzare statements into my mouth during converstation that were so odd I was too suspicious of them to be around them, thus I did not pursue going even though it also had never been offered.

Bombshell: Barack Obama conclusively outed as CIA creation

NEWS ALERT: Investigative journalist Wayne Madsen is scheduled to appear live on the Alex Jones Show tomorrow THURSDAY AUGUST 19 at 1 PM EST / 12 NOON CST, to reveal his groundbreaking series on Barack Obama's true origins. Madsen will share the bombshell revelations and extensive information from the following three articles– and even more that has not yet been revealed. Tell your friends, family and contacts to tune in and learn the truth. Also visit the Wayne Madsen Report for further research and other exclusive reports.

A series of formerly Confidential CIA memoranda, dated May 15, 1972, points to the involvement of both the Defense Department's Advanced Research Projects Agency (ARPA), the CIA, and the University of Hawaii in the CIA's behavioral science program. The memos are signed by then-Deputy Director of the CIA Bronson Tweedy, the chief of the Intelligence Community's Program Review Group (PRG) [name redacted], and CIA Director Richard Helms. The subject of the memos is "ARPA Supported Research Relating to Intelligence Product," The memo from the PRG chief discusses a conference held on May 11, 1972, attended by Lt. Col. Austin Kibler, ARPA's Director of Behavioral Research. Kibler was the chief for ARPA research into behavior modification and remote viewing. Others mentioned in the PRG chief's memo include CIA Deputy Director for Intelligence Edward Proctor, the CIA Deputy Director for Science and Technology Carl Duckett, and Director of the Office of National Estimates John Huizenga.

https://knowledgecreatespower.blogspot.com/search?q=wayne+madsen+ In 1973, after CIA Director James Schlesinger ordered a review of all CIA programs, the CIA developed a set of documents on various CIA programs collectively called the "Family Jewels." Most of these documents were released in 2007 but it was also revealed that Dr. Sidney Gottlieb, the CIA's director of MKULTRA, the agency's behavior modification, brainwashing, and drug testing component, had been ordered by Helms, before he resigned as CIA director, to be destroyed.

Talbot also claims that Dulles tried to make a deal with Nazi Germany in the last days of the Second World War that would see Hitler out, but some of the Third Reich would be in place.

Dulles, he suggests, also oversaw a CIA program that conducted extremely dangerous experiments on the human brain.

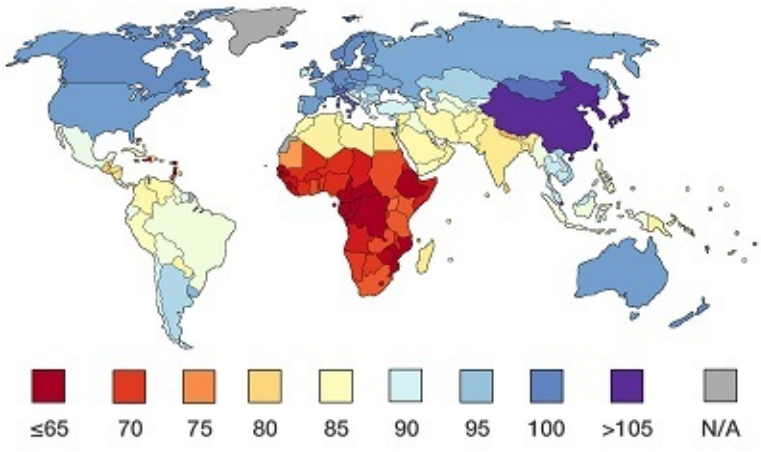
Science can now predicts the IQ of your TODDLERS



A year ago (2017,) no gene had ever been tied to performance on an IQ test. Since then, more than 500 have, thanks to gene studies involving more than 200,000 test takers.

Robert Plomin, a behavioral geneticist, says that’s exactly what’s coming.

For decades genetic researchers have sought the hereditary factors behind intelligence, with little luck. But now gene studies have finally gotten big enough—and hence powerful enough—to zero in on genetic differences linked to IQ.

The search did not go well at first. Plomin failed to discover any links when he looked at the genomes of 7,900 children in 2010.

A little of my history

Bizarre mass hysteria has been used, in conjunction with Republic and Democratic sponsored bills like the NDAA and Intel Access to Mass Media bill, as well as bizzare roving criminal harrassment under color of law - manufactured social sabotage, is likely designed to humiliate, destroy, and deny reproductive opportunity to me as inter racial and international rape occurs of me under MKULTRA.

Despite the broad daylight attacks the US Media has supported the U.S. Government operations facility mass hysteria based on falsity in suupport of these goals.,

With the Media, and Mass Speech in particular, the only affective gaurdian of every other right, I remain a trapped prisoner in the U.S. unable to overcome war crimes and hate crimes against me.

The mechanics of this have been a scheme I call Perfect Sigma of evidence manufacture for use in Persecution behind my back rather than prosecution in any court.

Blacks have no way to prevent me from being around women so the goal has been to sabotage me to women and try to convince them not to be around me.

Staging photos in public I have no control over are one of the main elements of that ploy, that conspiracy against my sexual reproductive rights.

Clarendon Courts

All Elements of Frame Jobs Present I was working on Political Rights.us, every byte of code the result of my hard work and self-teaching, every excerpt of case law my editorial decision, no help from anyone on any of it. During the course of writing it:

- Files I used which were sensible disappeared. I used “chop blocks” bits of script I commonly typed because TinyEditor, a lightweight internal Wordpress code wriing tool, did not have the AutoText function of MSWORD I used to use in MSWORD.

- I posted PUBLICLY in WordPress forums about creating custom hotkeys in Wordpress Tiny Editor for a Autotext function, the hot key as with MSWORD, would player-paino in the blocks of text.
- Hackers took the code blocks off my computer, the workaround I was using because there was not Autotexxt feature in TinyEditor. My suspicion is Marlyland “geniuses” knew I already had a workaround, removed it from my computer so they could answer my public question with my own solution, saying it was theirs. They did same thing with arrows and direct of old new posts.
- Thea Smith was making “impresario” gestures, creating the impression I was ordering pizza, by saying “I like to beat up my husband” while also saying “Do you want some candy?” suggesting wanted some Pizza in PizzagGate terms.
- A Hispanic women had lots of identifying stolen laundry of mine in her laundrdy and it was clearly very specific laundy, tied to old and rare and worn towls used to pack dishes, going back to Moraga days.
- A Doppleganger apartment was setup call girls were going to doing BDSM scenes audible to me but I was not a part of.
- My brother made bad acting noises I stole my mother’s TV from her hospital room in an odd confrontation I did not understand at that time. I later figured out that since my mother and I had identical TVs bought at the same time my BROTHERS theft of my mothers TV gave him the chance to setup a fake Ed Donegn bedroom and furnish it though cover that up with very bad acting.
- calling police regarding my computer being hacked the and then later confronting Thea Smith on her sometimes statements my brother was invovlved in all this the black cop tried to get me to identify a car not mine as my own when clearly I was actually really identifying my real car, the red ford Taurus.
- The cop was black and anti white, bullied me, and made comments I was too dumb to follow directions.

Twice in confronting this situation, alreadyi facing diabetes crisis and the loss of my parents, I was put on pscych wards, for long periods of time, for my self defense against this police created PizzaGate scheme framing me.

The Failure to Destroy Guilty Gays under applicable statutes and Voltages

During these arrests where I was the one defending myself against this illegal conspiracy the Arlington Virginia Police were saying "His brother Tom is the one in charge."

In fact Tom Donegan and Mark Weirness brought a combined sixty years of torturous hell to my father, mother, and I when during the course of my life they took payoffs to pretend sites like Political Rights.US, RHRF, even Stop Real ID (by timeline implication) were mentally incompetent, and were paid off to do so.

THey framed me in every matter as political hatred and the evidence of that remains hidden by the government. The agony of my family fighting over what was really true and how to cope with the resultant frame jobs Tom Donegan and Mark Weinress staged were as present in that moment with Arlington PD, Arlington Social Services, andd PizaGate as any other moment in a life of hell I have been living.

Failure to destroy Tom Donegan and Mark Weirness brought agony to my mother for a straight decade of her life as her every horrified phone call was about what those two people were up to.

The many violations of every human right of mine Tom Donegan and Mark Weirness have been paid to acheive "from inside the family" behind the scenes to any doctor or laywer of mine is easily worth twenty death sentences under the law, but politiacl expediency benefits them and there has been no stopy conspiracy against me State and Federal Human Rights, such as rigt to cousnel, right to trial, right to the free speech of RHRF, etc.,

Retaliation against my beliefs, including on the matter of the grant theft, were protected speech, protected from State retaliation of any kind.

I just can stop paid informants, them, inside the family.

Being Scared

In the middle of a large D.C. area city, Arlington Virginia, I could not get a drivers liscense, my apartment was robbed of my files with my old passport, resumes, birth certificates, etc, while after one break in the other files remained, and at the same time pictures were being, a picture, was being distributed by Honor Flight DCA with my identifying head scar blurred out.

Cutouts

It appears the Cutouts system of US DOD CIA hasa been used to drive me to my coming death. Circumstantial evidence surrounds me and I can not control that. Substantial evidence is created nearby me through impersonators.

Information and Disinformation are right next to each other. Information, my going home from the gym by circumstances out of my control, is circumstantional information. I will go home from the gym, alone. An impersonator of me will leave the gym with black gym staff and white prostitutes.

The impersonators of me at a Dopplehome will but cut into a case file of mine as my going home alone is cut out.

The case file will not be used to prosecute me where I could deny the pasted in fake evidence. It will be used to persecute me behind my back in police brutality.

The police reaction is either nothing is goingn on or what for someone to accuse you of something, which are both mistaken.

When I first arrive at Extended Stay America Springfield I reached the checkin desk from the cab with my bag.

In the lobby area a black male, to the left along the wall was seated in a chair, and to the right of him, a white female a chair.

As I checked in I was given wallet card keys, two, in a paper fold with #400 written on it

As I left for 400 the black male and white female were already gettig into the elevator and leaving.

As I caught the next elevator car, walked towards 400 on the fourth floor I head a shreik from somewhere.

I now believe my identity was switched out with room 300.

I went back down to be lobby and my keys were fixed, now working on 400, the only room I have been in.

Once I was met on the elevator as I was goinng to the candy machine. The elevator stopped on the 3rd floor and a hispanic male asked which way I was going. I gestured down as to the first floor.

this is what prompted me to look around on the 3rd floor later for possible "-h" locations.

I arrived at the hotel from Alaska Air in a taxi. On the flight I observed MY ticket had first and middle name as one, in seperate fields on other's tickets. I pointed this out to the flight crew. During the flight the window shades were kept down around me, and I believe a DIFFERENT Edward Paul Donegan was picked up by local tail, and THAT Edward Paul Donegan checked into room 300.

NDAA Secret Military Acts directly out of the WhiteHouse

Every year, Congress passes the National Defense Authorization Act (NDAA), which makes appropriations for the defense budget. This is mandated under Article I, Section 8 of the U.S. Constitution, which delegates powers to Congress, here stating: “The Congress shall have Power … To raise and support Armies, but no Appropriation of Money to that Use shall be for a longer Term than two Years.” However, like much of the legislation that comes out of Washington, each years bill is stuffed with other provisions.

The NDAA began receiving wide attention in late 2011 when, on December 31, President Obama signed the NDAA for Fiscal Year 2012. Under Title X, Subtitle D of this law is the controversial section 1021, which essentially legalizes martial law in the United States. Reading “Affirmation of authority of the Armed Forces of the United States to detain covered persons pursuant to the Authorization of Use of Military Force,” this provision allows the United States military to act as a police force, and arrest or use force against any person (including American citizens) suspected of terrorism. Further, they may hold these persons without trial indefinitely.

The NDAA for 2013, which President Obama signed this month, again includes these provisions despite pressure from Senator Rand Paul (R-Ky.), citing Section 1021 as a gross, unconstitutional overreach of federal power. Proponents of this legislation characterize such interpretations of the law as hyperbolic and “paranoid,” stating that Section 1021 will only be used under the pretext of “Counter-terrorism.” Save the fact that this provision all but wipes out nearly our entire Bill of Rights in one fell swoop and that the persons detaining you serve as judge, jury, and executioner in determining who qualifies as a “terrorist.”

Senator Diane Feinstein (D-Calif.) and Senator Mike Lee (R-Utah) sponsored an amendment to the 2013 NDAA which is intended to limit Section 1021's powers to indefinitely detain American citizens. However, many civil liberties groups, including the ACLU, have publicly stated that the amendment is counterproductive. Senior Legislative Counsel at the ACLU, Chris Anders, states that the Feinstein-Lee Amendment can be misconstrued to imply that the Constitution grants authority for indefinite detention.

“Moreover, we are very concerned that the Feinstein amendment implicitly authorizes domestic military detention. By seeking to protect only United States citizens and legal permanent residents, the amendment could be read to imply that indefinite military detention of any other persons apprehended within the United States was authorized in 2001 and was lawful,” the ACLU wrote, referring to the Authorization for Use of Military Force, passed the week after the 9/11 attacks in pursuit of a "war on terror." “In addition, the clause ‘unless an Act of Congress expressly authorizes such detention’ could be read to imply that there are no constitutional obstacles to Congress enacting a statute that would authorize the domestic military detention of any person in the United States.”

Late in the evening on Monday, Aug. 13, about six hours after President Donald Trump publicly signed the National Defense Authorization Act (NDAA) for fiscal 2019 into law, the White House quietly released a signing statement identifying “constitutional concerns” with more than 50 of the new NDAA’s provisions. Among them are several measures specifically intended to address concerns with Trump’s foreign policy, including by imposing limits on troop withdrawals from South Korea, Trump’s engagements with Russia, and U.S. support for the Saudi-led campaign in Yemen. Trump’s statement indicates that these constitutional concerns prevent his administration from implementing these provisions as written. Instead, it states, he intends to interpret and apply them in a manner consistent with his constitutional authorities.

HeteroInflexible

I believe overtly faked warrants on me, by William Ruiz and Jim Volcelka, are what Jen Moore was murdered over. These warrants were people speaking lines which would be atributed to me, but were spoken by William or Jim.

hower after not having been able to shower for weeks. It was ME just moving into his condo after camping my way there from Texas.

What did he say under surveillance next, while wearing my stolen motorcycle jacket? And why did Jim Volkelca say to me "I took the asvab but decided to go

in to the same line of work privately instead of enlisting" when it was me who took the Miliatary ASVAB in MEPS Oakland CA, ,was offered Crypto Analyst or Fire Control Officer, but I decided not to enlist, and went on to private work, often working with crypto. And at KinkBnB my clothes were stolen and SimplyCat was only shopping for size 13 boots, I wear 13, and she was shopping for guns at the same time. All this fits with fake warrants on the death of Jen Moore as a coverup.

R=20 Feet

What has surprised me in the U.S. (and I think abuse of secret courts including FISA and NDAA have enabled some of this) is the constant and unrepentant illegality of the plain clothes police and military brutality schemes which have violated each of my most sacred rights with complete impunity, racist and rapist criminal intent towards me, and across law enforcement jurisdictions not only once, but with predictable repeated use of the same scripts which defied normal mechanism of societal protections.

These societal protections should have been effective counsel for my interests, not the State's, enforcement of criminal laws against those who have violated my rights, equal protection from the illegal acts which targeted me as a right wing white male law abider, access to courts in fair trails, and media exposes on the illegality which would have exposed and terminated it, but rather, the the national power of the media merely supported the illegal acts through supportive Disinformation Broadcasts to national and local media listeners.

Duplicitous Inserts

Use of interested parties to surround me in positions of power who are motivated to violate my rights have been on of the core schemes used.

Blacks who have evolutionary, political, racial, and variously birth and citizenship interests in Africa where DNA stock is at lower levels for the 21st Century entrance into the Information Age, a point I made long ago, now have been position to complete genetic rape of a loyal U.S. white citizen and profiteer from illegal acts in full view of the public and law enforcement, normal means of protections againt RICO all Standing Down from interfering with the RISCO scheme.

This, by the way, is the story of Officer Jen Moore's not to Stand Down, but to be a whisleblower instead, outing a deadly RICO scheme which could not possibly in scheme or facts survive constitutional challenge, or even patriotic challenge if considering U.S. national interests.

Noble Causes Police Brutality

The insert of blacks, gays, and non-whites into positions of power surrounding my life and me physically as police brutality is a method of setting up Nobel Causes Police Brutality.

Very simply it is close to asking mice to guard cheese. It might be a mouse woudl reason that if the cheese went uneaten it would be wasted and why not eat the cheese anyway? Isn't that a Good after all?

At little more complex than that is the Deontological Ethical System versus the Teleological Ethical System [Police One dot Com Noble cause corruption: Do the ends justify the means?]

Deoontological Policing System - Due Proccess Epistemic

In moral philosophy, deontological ethics or deontology (from Greek δέον, deon, "obligation, duty") is the normative ethical theory that the morality of an action should be based on whether that action itself is right or wrong under a series of rules, rather than based on the consequences of the action. - Wikipedia

The Teleological Ethical System - Ethically Transcendentalist

Teleological ethics, (teleological from Greek telos, “end”; logos, “science”), theory of morality that derives duty or moral obligation from what is good or desirable as an end to be achieved. ... Utilitarian-type theories hold that the end consists in an experience or feeling produced by the action. -Wikipedia

Police Brutality

Powerful interest have been allowed to publicly frame me or out me as certain things, such as the Alt Right which I am, or frame me as a pedophile or Peeping Tom, which I am not, and then insert in my vicinity those who are offended by those alleged attributes of mine.

With duplicitiously interested parties now surrounding me and asked to be willing to support police brutality against me, in the service of the Noble Causes these self interested parties in my new circle of people hold dear, the police brutality based in Teleological abuse of victim (me) policing is conducted rather than Deological Due Proccess protections of my Human Rights.

Thus by racially and otherwise selecting interested parties into my vicinity who would support certain "ethical" police brutality against me, my rights have been un-enforceable against police brutality.

The Unseeable. Golds Gym Corpus Christi, Freedom Fitness, and Other Locations

I was always normal every day (excepting enthusiastic workouts and niche sub-culture music) in the gym however prurience not from me continued to turn the gym (and other environments I decided to give up on going to) into bizarre childish obsessions with woman's tightness of clothing or racially distinct derrieres.

In particular minorities, blacks, Asians, gays, and others made it a point to surround any normal athletic female gym patron in my vicinity and began to scam them, creating appearances I was on the phone with these scam artists or women when I was not, for instance.

These mostly black and scuzzy minorities continued to manufacture exigencies which did not exist; for instance, planting females in front of me as though I was a peeping tom with an act obsession in progress, or that I was following women around in the gym when in fact at 30:00s I was exiting my equipment, 5 seconds after a female disembarked a piece of equipment in front of me as my aerobic timer was at 29:50s.

This and other scams happened hundreds of times and was unrelated to anything I could control in the gym and it resulted in the pond of fish in the gym having been cleared by black males asking them to hike up their yoga pants or strike certain poses while I was working out listening to my music.

Some blacks may have achieved two of their goals in that. Scamming white females while laying the blame for it my feet, and teleologically the study of whites, and white females, may have been personal intests of the blacks who surrounded me as was defaming or scamming me, a white supremacist.

I was not offered any accounting or information on this, though I have picked up hints of it from comments others have made to each other or vaguely in my vicinity, but if my DNA is of utility to others sabotaging me

with white females and what would have been my white family may benefit non-whites, gays, and foreigners who have an interest in DNA rights outside of my white U.S. family.

If so, these actors chose to illegal conspire against my reproductive and association rights to preserve illegally maintained and undisclosed rights to my DNA.

Nearly every time I left the gym U.S. Marines or others seemed to have "dead accountant Bernie" (retarded impersonator of Ed Donegan) in tow with them, these non white males, because Bernie the accountant wanted to see what white females look like.

Wow. Dreams can come true for blacks. This never had anything to do with me, but it was disruptive to me and everyone in the gym.

Pictured below Conrad Truntman of the U.S. Military. I never encountered him in the gym but I did encounter a vast amount of non-white military, all black staff of the gym, minorities (mostly) approaching every white woman in my vicinity, and non-white females making themselves obstructions on my normal circuit, position themselves on the next pieces of equipment of my normal circuit creating illusions I was either following them or working out with them though instead I a white supremacist leaning person who would be a white separatist if possible.

CIA DOD MKULTRA Slush Fund on my Genome

A slush fund is operating which is leftist CIA and non-white marines backed. My long deep understanding of BDSM and Goth is being co-opted by non-whites "studying" goth to enter the scene,and while my knowledge is appropriated I am publicly humiliated by public spectacles where I appear childish or am a sexually naive and with unsophisticated erotic tastes.

As I am held an Enemy Prisoner of War in legal terms, held for study by PsyOps, PsyOps backed non-whites impersonate me entering the scene, both physically and artistically. One goal of this has been MKULTRA, ending my white re productivity and moving my genes intoi Non-whites including around the world, THe prurient slush fund operates out of the theft of the value of my genome and the embezzlement of law suit settlements due me, which fund CIA backed BDSM infiltrators.

Incorporated into this is faking FISA warrants to create "terrorism" that does not exist in the goth scene. Assassinations in the U.S. back this non-white global Christian MKULTRA scheme and Donald Trump is in on it, and the corrupt DIA and NIH people who operate it inside the U.S. government.

Part of the operation of this is Marshalls, corrupt anti-white cops, who surround me any where I go and use Perfect Sigma frames to buy themselves pizza and frame me for doing it. THus slinking blacks following me around making law enforcement like noises vaguely but with nothing to say to and denying me a change to exculpate myself on any matter (reference Jerry at Sisters of Charity and my later confrontation of him)

https://youtu.be/KaztexKNf_o

The photo shows the plan in operation, Soldiers for Christ is the CUTIN of me, black gym staff go along with the frame jobs, even leaving the gym next to me, as I am leaving on my own, with their impersonators of me, all in a group I have no power under the law to clear from around me. They move onto soundstages, which later catch fire to cover up their murders, late at night.

Creating a blind conservancy of me which will be embezzled

In around the clock, every-moment-of-my-existence covert op, public evidence is manufactured that I am a savant of some type. The core scheme is that something I have already done, said, or written, like the day before yesterday in my gym at the hotel a whistle at Korsakoff being barefoot, is later vaguely referenced in public, such as a photo of someones bare feet on twitter. This 'round-the-clock "two seconds rule" that everything I have specifically done will later garner unwanted public advice for me to do it, this is part of Conspiracy Against Rights, an attempt to enslave me to others who claim any thing I do is a result of their management of me. It is RICO enslavement scheme, but the U.S. Government has this in place as a Human Rights Death Squad system, when I am not present, the U.S. Gov makes false claim I am a mental cripple and have no rights.

Creating Knowledge of Illegality

The suspicion an international embezzlement scheme is underway is replaced by knowledge such a scheme is underway when evidence is MANUFACTURED rather than collected in my vicinity, evidence which furthers the criminal conspiracy by criminal means.

Task Force

Detective Jenn Moore died or was found dead on August 11 2018. I suspect she died in Austin on or before August 10 2018

She knew the covert opps power she was up against. She was fighting for others, including me.

She did not choose to do this. She had no choice. IT was who she was and leopards can not change their spots.

On August 7th I contacted Fetlife and others from within California. On August 8th YouTube blocked her uploads and she shifted to BitChute for Freedom of Speech.

The top FBI are blackmailed or involved. Trump has sent ICE HSPI unit after child trafficking that is why the Dems& some R's aretrying to disband them. I met one he said all that unit does is go after child trafficking, ritual abuse, etc.and the FBI just tries to block them from getting to politicians, elite etc. I met an agent that works for HSPI who told me personally. Centering Around Soldiers For Christ

They are clearly implicated in the Gold's Gym Frame, First United Methodist/Fred attempt to break my mother's will, black foreign nationalism and world christian missions, Hebrew scholarship, and also it was from THEIR website I discovered the bill approving some sort of bizzare system covering the territory of the U.S.

To me this matches demonization of me, the weird FMC Butner chain of events, Christian MKULTRA history, the Scalia murder, the Judge Roll murder, and the fleet of blacks and non-white north Africans surrounding me as alleged Harvey Dents framing me in 1970s Mission Impossible like frame jobs using CUTINS and CUTOUTs.

This also fits the Temple Vesta US CENCTCOM DOD research dacha turnig Atheism into First Century Christianity, and the robbery of Stoicim into Christianity as the new counseling.

Introducing the Bernie Theory

It seems the Information Dopplegangers of Ed Donegan used by blacks has been a system of "dead Bernie" being dragged around to party weekends and legal proceedings where Bernie embezzles and spends money while impersonating the real Edward Paul Donegan likely into wrongly opened Wells Fargo accounts.

Identity theft, calibrating wrong voice prints, etc., or acts against my own rights are not lawful.

This also the Sires Theory, my father James Paul Donegan sired Barrack Obama and Bernie at AOL was used to authorize IVF DNA use of the Obama children.

Police Brutality

Human Rights Abuse via Plain Clothes Covert Opps and WETWORKS in a Genocide International Racketeering and Rape scheme

Conspiracy Against My Housing, Sexual Reproductive, Association, Labor, and Other Rights via Abuse of Power and International Human Rights crime

Plain Clothes Police Brutality

Undercover law enforcement, sometimes identifying themselves to others as U.S. Marshalls, frequently actively using amphetamines, covered in tattoos, driving Dodge Challenger muscle cars as standard equipment, are part of an illegal operation of police brutality and rape to cover some illegal US genetics goal, ,and this police brutality scheme has brought about my torture, and upon my death, my murder from the accrued physical and medical tole upon my body.

Lack of available medical care or housing as well as lack of sexual reproductive opportunity and lack of sexual partnership for me has been the goal of the police harassment, as has sexual assaults upon me meant to demean and humiliate me, ,and my DNA is illegaly used for IVF against my will and with no notice to me or accounting to me or payment to me.

Housing

In this section I am going to repeat some information from a previous chapter, Rape, about KinkBnB, and use it here to show not only did an IVF rape of me likely occur, it was done in a racially hostile covert operation, inside my rented residence, which also result in my being evicted from that residence though I was the victim.

I take this very personally because I had already experienced this exact thing at 42nd Ave Capitola, CA and many rentals before, thus I am chronically homeless.

What's more, after decades of illegal harassment and false imprisonment, and time away from the Leather scene, this was a perfect home to make my return to the scene, though the *Color of Blue* covertly framing and sabotaging me destroyed this.

Jim V and I should have been immediate and long term friends at great erotic parties and nights out to dinner with our girlfriends/wives with us.

This could be the alternate timeline for 11/12/2018 when instead, I am single and homeless in an Extended Stay motel where black impersonators of me are continuing to have trists with women, walking to those trysts dressed as me,

while I stay in my bedroom alone.

Repeated Information on Salinas KinkBnB

I solicit Deja dominatrix for a scene with some more details than listed here but domination is not prostitution.

She replies perhaps on the 25th but not before that would work though I am leaving KinkBnB much earlier.

Some key point are that at KinkBnB

- Jim Vockelca says to me things I would be expected to have said. This happens frequently. In this example at KinkBnB Jim V says "I took the ASVAB at the MEPS but decided not to enlist" which is odd because I did.
- A female with tatoes surfs for size 13 boots and guns on the shared computer and talks about it.
- The woman with tatooes throws baby showers and accuses me of peeping which I am not doing
- They setup a rendezvous with a dominatrix for after I am moving out, on the 25th, though it is not something I am being invited to
- There is a picture of Obama hiding in the house watching all of this
- The motive given for this is that I am a Trump supporter. The excuse is "what's the harm?"

Obama connected operations in that facility both frame me as a terrorist for ongoing FISA warrants or asset seizures, in round-the-clock operations I am framed even as (single, as always) I masterbate in my bedroom, I am mocked and framed from the next bedroom by these covert operators.

I have bounced from home to home to home for years with not place to live being assaulted exactly like this.

Prior to this was 42nd Street, after this was Hotel Irwin, always exactly the same thing, for decades, never chaning in long term illegal harrasment.

Gym

I have documented elsewhere and some in this book malicious frame jobs of me in the gym in which I appear sex obsessed, teen obsessed, etc., in the gym, a retard in the gym, and frustrating hacking of my cellphone highly disruptive of workouts.

The only thing I add here is that the staff is always black, the whites being hired away or leaving, racial taunts are common, it is openly racial hate crime against me, by visual evidence as well as the open statements from those involved in the assaults on me in gym.

I do not have gym access, these assaults make the gym entirely unusable thus I face untreated diabetes death and I approach 60 single, grossly overweight, and near the end of my life.

But for the open racial harassment and assaults upon me in the gym my life path would be much different, in and out of the gym.

More on being in the Gym

Timeline

During my life I have been continuously sabotaged with white women I cannot figure out why. Nothing can legally or in any other way justify the bizarre circumstances in my vicinity I am being involuntarily subjected to and evidence of my mental or sexual incompetence is manufactured in broad daylight and in front of the cameras without any intervention on my behalf by anyone.

Here is what I can piece together and possible Genomics/Rosenstein/NIH issues.'

1) 11/18/1961 my birthday and MKULTRA. Dec 13 My mother Glorians birthday. My father and mother James Paul and Glorian Donegan were possibly part of MKULTRA and Manchurian Candidate use by Christian OSS/Cardinal Ratziger and thus comes Birther Conspiracy. My father was subjected to a variety of testing by the DOE and Airline Pilots Association around aging, atomic exposure, etc., and also they may have European royal ties or genetics which may be considered “miracle” in the fight against certain diseases, unknown to me. If anything is out of the ordinary regarding my genetics it has not been disclosed to me.

My father was from a Roman Catholic family and we lived in Boston during my early years. He left the Catholic Church for Atheism on several grounds.

In the church he went do during my early youth a close friend of his in the church was outrageously politically sabotaged and it seemed in the way my father discribed at the excomunication type of level.

This cost my father any belief he had in the church at and my father vowed to never to believe any of the fraud ever again.

He also was well read and understood what a thousand years of religious rule and religious influence had on Europe, which he loved.

2)Around 1998 I get a job referral from my brother He says if I take a job at AOL Time Warner he gets a bonus. . During that time I meet a white woman and have intercourse, a condom lost during it. Things get weird again including at the job where a clear Doppppleganger of me appears named Toni and I am fired under weird circumstances. I later, just in the last day , find out Michelle

Obama's children were conceived and born at this time.

3) 2002-2007 At around 2005 I see (in retrospect) a version of ErosX. I already know white women are disappearing all around me but i think part of it is I am a white rights type with some hostility to blacks and a right winger, I do meth, and people make their own choices, which I accept. But looking back I see ErosX with Veronica Hoffman and Harvey Dent was in place, the same government backed sabotage with real me and real woman that exists now. The trail goes cold for me and an impersonator takes over. (colonelKerberos looses out to Kerberos)

2002 - 2007 continued , Blacks are surrounding me and showing hatred and assaulting me out of the blue, I cannot understand this, and trace anti-white theory to the world Ethics of Race and Genetics group of the National Institute of Health Dept OF Energy Genome program, tracing much of this to Congressional Black Caucus maneuvered frauds.

Amidst this Sen Obama runs for President and wins and a new group of bizarre 2007 to 2009 genetics events unfold. Including possibly my mother’s hysterectomy while I was in NIH Custody possible given to Transgender Michelle Obama.

Oddly, an erasure of Mitochondrial and birth history of the Barrack Obama family line begins on election night, as does an erasure of the Donegan mitochondrial line, with my brother TOm Donegan co-operting with this for reasons not disclosed to me. Family photos from my mother's side dissapear too from when my mother gave them to Mark Weirness. Many of the photos I had of myself disappear too.

At the same time as I am held in FMC Butner Prison past my minimum time and ordered released by a judge I see a packet inserted into the middle of my prison matters and I feel a weird buzzing and pinging over my body and my prison underwear starts to burn and my skin turns red.

Black prison predators, possible Marshalls, have Jessica Simpon in a bikini on his mug and multiple threats are made "We are going to fuck Jessica Simpson" and cut your balls off.

4) 2009-2012 It appears during the Obama Presidency he "breaks some eggs" in the U.S to make an Omelet overseas, and my genome is racketeering by the NIH police and seized from me, likely under the NDAA or as Russia Investigation, or claims I a retarded and Retardation Researchers need to manage my genome for me. One theory is that Donegan genome already placed in the Obama family line, successfully, can now be moved into all of Africa, and this can be undetected if celibacy of me is assured in the U.S., and according to Carlton Pyant of the Public Health Service, I can never have sex with a beautiful or intelligent white woman.

…

Under these conditions police harassment is forcing me into indigence, celibacy, and poverty as others benefit from my genome, not me.

I am sexually assaulted in circumstantial public outrageous acts of me being

"flashed" with sexualized children, etc.,

While I document it is impersonators of me like William Ruiz and Jim Volkelca who are in fact framing me by stealing my clothes,, using their voice to say things I would say while were still tougher, the follow up later as me after we part ways.

These impersonations of me give my DNA to police organized Pizza Parties in which the U.S. Government gains my DNA through Extorion17, the name for an alleged extortion of White Supremacist me being FORCED under blackmail stolen rights schemes to give my DNA away because I am caught being a pedophile/teenphile, , which I am not but I am publicly sexually assaulted as such.

My brother is a pro-gay activist in Partisans and may have supported all of this through his and Mark Weirness undermining me from within the family, and evidence of my competence is always erased while evidence of my incompetence is faked. He and the NIH/DOD say I am incompetent and the stalking/PizzaGate does not exist.

Idola Polis En Parentis Loci

For the NIH (Rod Rosensein and Tom Donegan)and Obama Admin to racketeer the value of my genome (and who does know it and will not disclose it to me) and pass it to White women it is necessary to make a publicly visible spectacle I am mentally incompetent, a spy or terrorist, thus medically and legally gaining control of my genome rights, and I must be sabotaged as somebody who can not be near white woman, or whom white women, potential partners of mine, should avoid like the plague.

It should also look in public like the people racketeering me are actually daily living and business partners with me, though as I confront them in public they reveal the truth, their statements are in my vicinity and seem to be a connection to me but are not.

Conclusions

I have said it before, over and over again, and watched in disbelief as it did not register. But I put my conclusions here again as my best guess of explaining it all.

This book opens with The Medical Sate and the use of Behavioral Health Conservancy to achieve, utilizing Medical State Powers, medical rape.

In the conclusion of this book I acknowledge the misnomer.

The Medical State, and rape and espionage under Color of Medicine, were just applying Color of Medicine to military rapes.

Police States do more than murder, rape, have Industrialist linked international criminal connections, and political ties. Police states also insulate themselves from accountability through weaponizing medical systems, using corrupt police and military officials, and corrupt politicians, and elimination of Due Process rights.

A variety of foreign, political, business, and racial interests will make up and cover for criminality by places self interested layers of corruption around the government misconduct itself.

I remain a trapped prisoner in that vary system with the Media itself subsumed into an instrument of State interests rather than at my defense.

Another potenetial title of this book might be Stand Down, criminality in broad daylight.

This book is a lightweight version of a longer version and in that longer version Star Chambers are mentioned, the mechanisms where a person is misrepresented by Government chosen lawyers as the defendant is left out of proceedings to in boredom,or prayer, to contemplate the stars above.

Due Process violation in the NDAA, FISA Court, and other military and paramilitary systems are likely where the genocide became more widespread among the 2007 and later Obama connected wetworks in the Bibliography link

stories.

This paramilitary and CIA backed system of Obey Letheria and others is the deep state achieved with violation of basic Human and Constitutional Rights and with those violations in place, the Feces Attack of deep state foreign interest actors that built themselves into an anti U.S. anti Donegan family genocide conspiracy.

At least so far, it has worked, not only in carrying out its goals, but doing so with sufficient PsyOpos against an informed public that the Deep State is unchallenged by the regular press.

Thus the end of this book links back to the opening and the acknowledgment of Alex Jones, True Pundit, TASK FORCE, and others.

They Enlighten us.

Tom Dunham. Spots fake Thomas Duham Dunham who is a co-retard with fake Ed Donegan. These people are incapable of their own genetics decisions but speak of spaceships and Gloria and new organisms being created at Genentec as well as Nov 17 Birthday party at massage parlor while I was in Texas, not San Francisco

Health Clubs

Capitola In-Shape, Gold's Gym, multiple locations, Arlington VA Sport and Health, and other locations:

Conspiracy against my association and reproductive rights. In conjunction with what appeared to be electronic hacking black staff moved white women away from me, made pretenses out of my control I was there "selecting women" (for what?) alsvo via public deciet, and visual pretenses out of me control I was peeing, a stalker, etc., again, by impersonations of me (or my motorcycle,) incorrect statements to gym members, etc.,

This level of harassment was all through my life but to survive Diabetes I need

at least the gym. This denied me gym community including white female gym partners and denied my un-harassed Diabtes treat workouts

Finally I was down to an even more limited routine of activity, 16 hours a day researching online who this and how it affected Tom Dunham, ,etc. and trying to find some recourse against it.

All waking hours since have been devoted to trying to identify and end plainclothes police harrassment which has unmititageted government and private sector support for any illegality and violation of my rights.

The goal and the affect was to make sure, at any military cost, I never meet a white female, CENTCOMs high level military objective.

Moron - L

A B C D E F	Two rows of cardio equip are represented here. In this area map my location to position "E" though the rows of equipment may be very long. Since gyms tend to be crowded presume a woman happens to be at position "F". Just as I predictably reach the end of my program time a male enters the cardio equipment to the other side of me, presume here position "D" and walks away just ahead of my end of workout walk away, as though I followed the male away or was led away by him. I have no idea why this scam is run nor how the result of the scam is utilized.

Vixen Vision

A B C D E F	I enter the gym and use cardio equipment, again, presume in this diagram at position "E". Some wiggly hipped "Barely Legal" takes a position on cardio equipment in front of me, say at position "A"B"or "C" for a cardio workout as though that, rather than diabetes and health, pursuing her is why I am at the gym, undermining my legitimate use of the gym and effectively being a sexual assault on me, placing me in a 17 year old phile or "John" role. Variants are women of general description take positions a,b, or c, after I start my workout and also exit just before my workout predictably ends, thus I appear to follow them away, though as always nothing is said to me. Other times women are "rescued" from gym equipment near me, again, nothing is or ever has been said to me.

Moron Vision

A B C D E F	Again presume me at position "E". Some moron male takes any other cardio station near me and looks at me while also looking at a smartphone, or works out in a which which exaggerates or mimics my own workout styles, thus appearing to be associated with me or my workouts. I have no idea who these people are and have reported them as stalkers. Oddly, though, when I started working out and loosing weight after being diagnosed with

	Diabetes, a person was seen using exercise movements much like my own.

Play 2 Pause

A B C D E F	A woman or a couple walk near me. My cell phone jumps from PLAY to PAUSE requiring me to touch my phone. Invariably someone is nearby with a backpack. I have to reach for my phone and touch the play button to restart my music. Sometimes as I leave the gym I hear bizarre background chatter "He just bought her." The best guess I have is that whatever scam this is is supposed to be tied to a mockery of BDSM.

Operation Turkish Bathhouse

♂ ♂ ♂ ♂ ♂ ♂ ♂ ♂ ♂ ♀ ♂ D huh? F	I am the gym and it is 25 males to one or two women or 50 males to one or two women and no explanation is given as to why this is despite my observation to the staff this is not a normal gym population. Oddly, despite the sparsity of women in the gym one is usauly present thus the number is never zero.

Moron - Last to be First

♂ ♀ ♂ ♂ Me ♂ ♂ ♂ ♂	Something I called "The two second rule" in a lawsuit. Well after I have done something a public show is made of someone else doing it in front of me as though I am receiving some sort of instruction from them. This has happened so many hundreds of times and I don't know who the client of this disinformation is. As always it is vague but I will list an example from 12/29/2017. On 12/25 I last updated a skating videos writing of mine of Feltife. That was a slight re-ordering of the videos in it which included Roxanne in two tone burgundy and I had in private compliment the cut of the male skater's pant. I had sent a link to the skating video to Mistress Chloe who liked it. On 12/29/2017 on an all male gym floor a woman walks back and forth in front of me in burgundy yoga pants which seem to be of

	a similar high waist cut. Vague by itself but it happens with such statistical incidence some force at work is detectable. It is though seismologists filme themselves predicting earthquakes which have already occurred to elevate their importance or belittle me and my accomplishments in the gym or anywhere else.

Someone Else Is Calling You Cordless From California

	I, "C" in this diagram, go into the hut tub and get my second wind for the second part of a long workout and to relax. "A" has a cell phone and is on the phone. The women on the gym floor seem to dissapear. NO one can explain why. My guess is my cell phone had been hacked and that threat from the black gang banger "We are going to cut your balls of an kill you" is being worked on by covert ops. The actual reason for this and the frame jobs have never been made clear to me. I do suspect I am being frmaed by a cell phone fake tower or something, yet I am told nothing is going on and it is an everyday normal day at the gym like any ordinary gym anywhere else every day.
